Members of the Redistricting Task Force,

The Canaan School District moves to remain within a Supervisory Union within a larger governance region to the extent practicable, under the terms of H.454 as approved on June 16, 2025, by the Senate and House of Representatives of the State of Vermont. The Canaan School District is hereby submitting our statement of intent to the new Redistricting Task Force when it is established and will work with the SU board to reach out to contiguous school districts to explore combining into a larger supervisory union. Our purpose is to optimize cost-savings and efficiencies where possible while maintaining local democratic engagement, oversight and accountability in order to achieve excellent educational outcomes for our communities' children and youth at a cost Vermonters can afford.

Sincerely,
