*Deanna Baker and her dog Sori*

## Kingdom Canine Center

Kingdom Canine Center opened its doors in January of 2008. They have met so many wonderful people and their pets and are so happy to be able to provide services to help care for the pets in the area. They are very thankful for your support!

In 2013 Deanna Baker bought her new property to add overnight boarding. She now offers Grooming, Boarding, Training and Agility classes. The agility classes will be held outside as soon as the snow melts!

Agility is great fun for you and your pet, it can create a stronger bond and stimulate the dog's brain. It is good for the dog both mentally and physically.

Training classes are held all year-round and are limited to 3 dogs per class. It is all positive reinforcement clicker training. You can definitely teach old dogs new tricks! This is a great class to learn basic manners to have a happy and safe life with your new dog.

Overnight boarding is indoors and heated, Deanna lives on the property, your pet is never alone at night. Depending on your dog, he will get to play with other dogs while here, or if your dog is not so dog friendly, the staff will play with him or cuddle him, whatever meets his needs.

Last but not least, they offer grooming services, all breeds of dogs and cats are welcome. They use all natural grooming products and gentle grooming methods. They will work with you to figure out what would be best for you and your pet.

Cassandra Turner, aka Casey, has been with KCC since May of 2012 and has proven to be a valuable asset to the business. She has learned so much and can do just about any part of the business that is needed.

Kingdom Canine Center is now located at 738 Lynburke Rd. in Lyndonville. Just 3/4 mile on the right past the Lynburke Motel. Lynburke Road is also known as Route 5 heading toward West Burke.

Ruby & Rick Gorham

## RICK'S GUN SHOP

Rick and Ruby Gorham opened Rick's Gun Shop 23 years ago as a part-time business. Working full-time during the day and working at the shop at night became too much. Rick, with support from his wife, Ruby, decided to open the shop full-time. The husband and wife team has operated the business at the same location from 9:00 a.m. to

9:00 p.m. Monday through Friday and 9:00 a.m. to 5:00 p.m. Saturday and Sunday ever since – most years 365 days!

Rick grew up in Kirby and has always lived close to the homestead. He is a veteran of the U.S. Army and loves to spend time hunting, fishing and gardening. Rick enjoys selling guns and conversing with people.

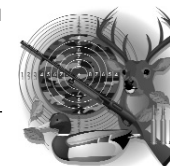

Ruby is a native of North Concord where she grew up on the Sorrell Farm. Ruby helps out in the shop when needed and spends the rest of her time working around the house and taking care of the many lawns. Ruby enjoys golfing and bowling. Both she and Rick enjoy spending time with their four grandchildren.

Rick's Gun Shop is your one-stop-shop for hunting and outdoor activity supplies. Rick's carries a full line of hunting and fishing supplies for every season. Rick's is an official State of Vermont weigh station and a place where you can purchase your Vermont fishing and hunting license. In addition to supplies, Rick's also has the Mount Hunger Archery Range. There are two archery ranges open to the public; a paper range and a dart video range. Stop by and check us out!

## K & S AUTO & REPAIR

Kevin Sabens and his wife Sharon started their family owned and operated business of K & S Auto 9 years ago with clean, low mileage used vehicles. In that time they moved, added on, and changed the business name to K & S Auto and Repair so they could offer body work and general auto body work besides the sale of the best used vehicles.

With the business growing so fast we purchased and built our new state-of-the-art building at 1049 Memorial Drive, St. Johnsbury. We still sell the largest selection of clean, low mileage used vehicles besides offering a full service repair shop. Our shop includes, but not limited to, general auto repair, body work, as well as being a Vermont Inspection Station.

"We are a buy here, pay here dealer. All financing is done by us. We offer quality to our customers and we enjoy seeing our customers happy," Kevin says.

Kevin and Sharon enjoy going to the races at Thunder Road, and camping in the summer. Their greatest joy is spending time with their 4 children and now 5 grandchildren. They love to travel, especially to North Carolina to the race shops and to Florida to visit friends.
