

Free Books For Your Child

Dolly Parton can now send Kingdom children (0-5 yrs.) a new, age appropriate, book every month until their 5th birthday. She sends them in their name, to their home, at no charge ! Kindergarten teachers confirm that Dolly Parton Library kids start school with a much better vocabulary, more ready to learn. Families receiving these books are 4 to 8 times more likely to read to their kids.

Everybody Reads in the Kingdom

"Our son now asks EVERY night if we can read a book. Books have become a part of his nightly routine."
