Our Story

Guest Memorials was originally owned by Chuck Guest and his wife Beth. They ran the business together while they grew their family. Beth did all of their artwork and Chuck placed the stones. Eventually Chuck and Beth sold the business to Mark and Julie Godfrey who ran it together for 30 years while raising their own family.

In 2019 Stephen and Helen Robertson added Guest Memorials to their family business, Caledonia Life Services, Inc. Their daughter, Liz Robertson Merritt, runs this division with the same care and passion that the other divisions of CLS are known for. In keeping with tradition, Liz is also raising her family while serving yours.

The Mayo's Difference!

It extends beyond the workplace!

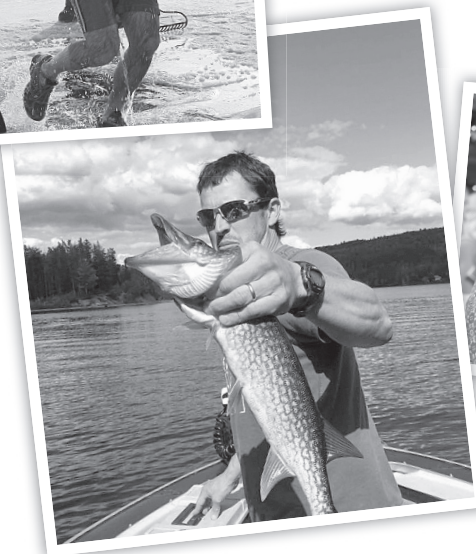

Our employees are organizers, care-givers, nature lovers and loyal community members. We value our staff and encourage a work/life balance for everyone.

When Fred wanted to jump in the lake, others followed!

Both Nancy and Fred's families were touched by cancer. So what did they do? They organized events to raise money for research.

And everyone at Mayo's supported them.

When asked about his time outside the workplace, Craig's clear that family comes first. They are part of a group of seasonal campers at Sugar Ridge.

Why? "Because there is so much to do, so close to home."

Happy Home. Happy Work. Happy Customers.
