

# 2022 WSU Variety Testing Program PNW Crop Tour Schedule

The 2022 crop tour season will soon be starting and provides opportunities to view field trials and interact with Washington State University personnel. The list below provides an outline of when each small grain variety tour will be offered in Washington, Oregon and Northern Idaho. The coordinates listed are for trial locations and may not necessarily be where the event begins. Please check with the contact listed prior to the tour to verify the time, location, and agenda or reach out to your local county wheat growers association or other co-sponsor. Location maps for the WSU Cereal Variety Trials are available online at <http://smallgrains.wsu.edu/variety>.

We would like to thank the Washington Grain Commission for funding to support the trials and tours as well as the county wheat growers associations and co-sponsors for programs and meals associated with the field days. And lastly, a big thank you to all of the grower cooperators for their time and resources to host the variety trials. We look forward to seeing you in the field!
