Half of voters (51%) support the passing of USMCA, compared to just 14% who oppose it.

As you may know, the North American Free Trade Agreement, sometimes referred to as NAFTA, went into effect in 1994 and removed most tariffs on trade between the United States, Mexico and Canada. The goal of this agreement was to encourage trade between these three countries. NAFTA (North American Free Trade Agreement) was recently renegotiated with Mexico and Canada to modernize some of its major provisions. This proposed agreement is referred to as the United States-Mexico-Canada Agreement or USMCA.

Based on what you currently know, do you support or oppose Congress passing the proposed agreement referred to as the United States-Mexico-Canada Agreement or USMCA?

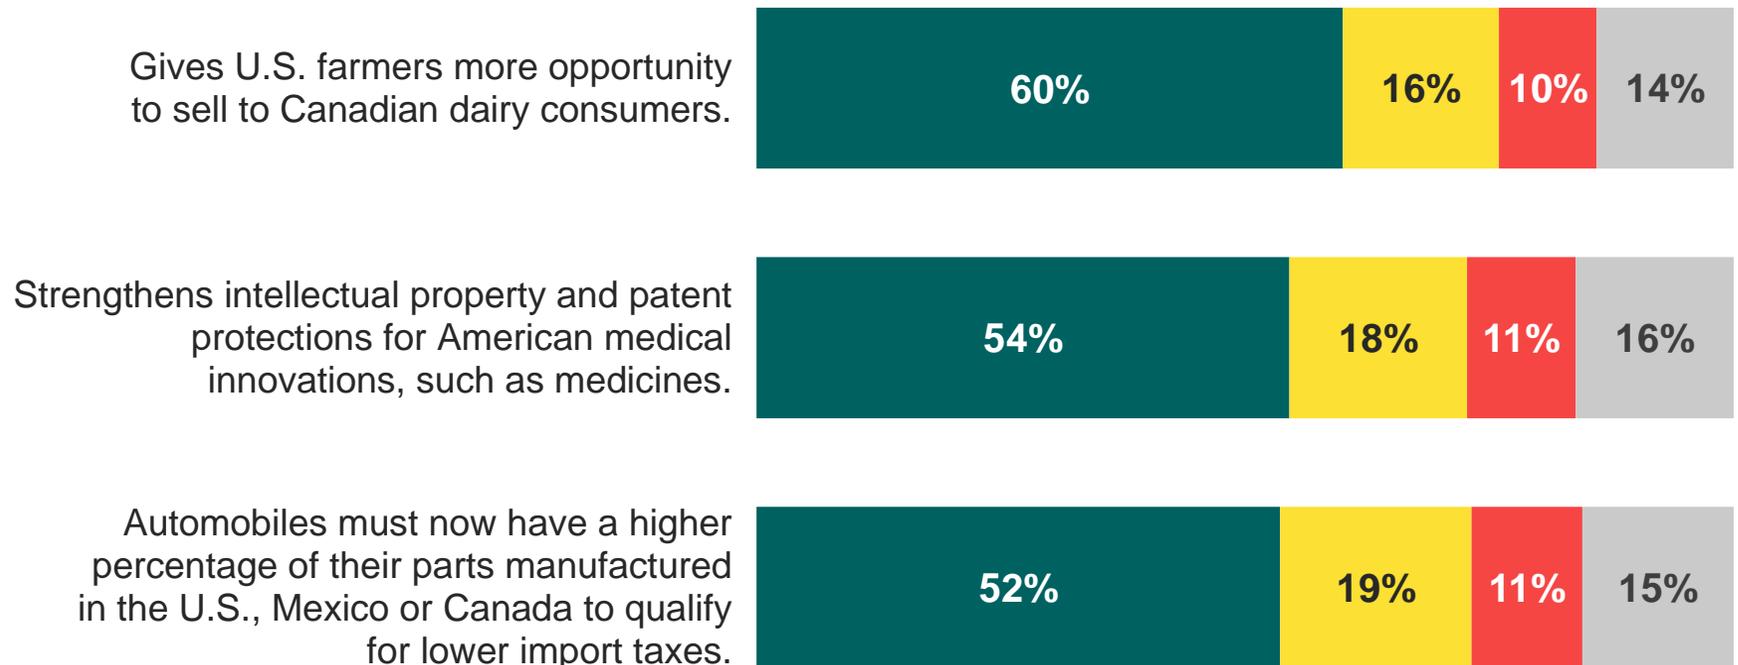

Support for USMCA

Giving U.S. farmers more opportunity (60%), strengthening intellectual property provisions for American medical innovations (54%), and automobile manufacturing requirements (52%) increase support for USMCA.

Do each of these issues make you more or less likely to support the USMCA or does it not make a difference either way?

■ *More likely to support* ■ *Doesn't make a difference either way* ■ *Less likely to support* ■ *Don't know/No opinion*
