MAGISTRATE COURT OF FULTON COUNTY
GEORGIA, Fulton County

AFFIDAVIT FOR ARREST (Ga. Code Ann. 17-4-45)

Personally came D Bochniak, who on oath says that to the best of his/her knowledge and belief Cameron Walker (hereinafter called the accused) between 10/14/2021 at 08:30 PM and 10/14/2021 at 08:40 PM, at 12006 Collingwood Lane, ALPHARETTA in FULTON county aforesaid, did commit the offense of Murder - Felony, 16-5-1 in that said accused unlawfully did with intent to commit armed robbery, intent to commit theft and take property from the person and immediate presence of Connor Mediate by use of a firearm. Cameron Walker and Jonathan Murray were intending on robbing Connor Mediate of drugs. Cameron Walker had arranged the robbery via Snapchat. During the process of robbing Connor Mediate of the drugs he planned on selling the men, the men shot and killed Connor Mediate. Said and this deponent makes this affidavit that a warrant may issue for his/her arrest.

Probable Cause:

1. On 10/14/2021, at approximately 8:54 PM, Alpharetta Police were notified of a person shot in the Collingwood Apartments. Witnesses heard multiple gunshots and went into the parking lot of building 12 and found a white male laying in the middle of the parking lot. Police and EMS responded and determined that the man was deceased.
 2. First responding officers determined the deceased was Connor Mediate and he resided in apartment 12006 in building 12 of the Collingwood Apartments. Detectives responded to the scene and began the investigation. The impending autopsy would determine that Connor was shot 3 times in the upper torso/neck area. There are no witnesses who saw Connor get shot, but there were several who heard the gunshots, some saying they heard just one and other saying they heard as many as 6. Additionally, two witnesses described a suspicious possibly dark grey 4 door sedan trolling the complex just before the shooting. One witness, Elizabeth Ashton Lewis, who came outside at 8:39 and fist saw the car arriving a few minutes after that, saw the passenger of this car who she believed to be a black male with short dreadlocks. A second witness, Marcia Meininger, saw both the driver and passenger of the car. She believed that they were both black males. Marcia Meininger saw the park directly next to area where Connor Mediate was shot. Right after the shooting, at 8:50 PM, Lewis saw the same sedan leaving the area. It is worth noting that this is a secluded area of Collingwood apartments and the witnesses saw no other cars moving around during this time.
 3. The search of Connor Mediate's home revealed that Connor was selling illegal drugs. In particular, several ounces of marijuana were recovered along with many THC vape cartridges. Additionally, the search resulted in the recovery of his cell phone.
 4. A search of this cell phone revealed a Snapchat account under the name Connor643 (Screen name "Connor_54"). A search of the data associated with this Snapchat account revealed a message sent to Snapchat user Killacam127 (Screen name "Cam") at 6:38 PM, approximately 2 hours before the murder. This message was the Connor Mediate's home address: "Collingwood Apartments Alpharetta GA building 12".
 5. A follow up message was received by the phone sometime after 8:17 PM and before 9:17 PM that night. The message from "Cam" which stated, "Wya" followed by, "I think u walked past me".
- Note: detectives were checking these messages at 4:17 PM on 10/15/2021. The timestamp on the message was only recorded as "19h" which would suggest that the message was sent sometime 19 hours ago, which would put it after 8:17 PM but before 9:17 PM on 10/14/2021.)
6. Additionally, the search of the cell phone revealed data in the form of messages and pictures that suggest Connor Mediate was selling illegal drugs to various individuals. He was facilitating his sales through the apps Snapchat and Telegram. On more than one occasion, the data showed Connor to provide his home address to potential buyers as a meeting location.
 7. A warrant was obtained for the records associated with "Killacam127". There was no subscriber information associated with this account because the account had been deleted at 9:54 PM on 10/14/2021. Snapchat still held other records associated with the account that led to the identification of the user as Cameron Walker.
 - A. The screen name of the user is listed as "Cam".
 - B. The Snapchat account contains a picture of Cameron Walker. A very similar picture of him wearing the same thing at the same place was found on an Instagram page purported to be his, username camfromcle.
 - C. Cameron Walker has been identified as having 2 home address – 1465 Mid Broadwell Rd and 210 Willow Bush Trace. Both addresses were seen in outgoing texts.

11. A fifth witness, who had been down the street near the clubhouse, reported taking his trash out just before the shooting and seeing something he thought could be related. The witness reported that sometime around 8:30 PM, he noted a Porsche Panamera occupied and running near the leasing office. He said that this car pulled up to two men standing in front of the leasing office and driver appeared to ask directions. The men told the occupants of the vehicle to "follow the signs". The witness was sure that the vehicle was a Porsche Panamera and he believed it to be black. This witness could not see the driver or passengers in the car.
12. One of the witnesses was standing very near the incident, in the breeze way of building 12, but her view was blocked by shrubberies. This witness, who was no more than 75 feet from the scene when the shooting occurred, heard a single gunshot followed by someone yelling, "get the fuck out", followed by two more gunshots. The witness new Connor Mediate and new the voice she heard was not his.
13. One of the witnesses, heard the gunshot and then filmed the car as it left the scene. She provided this video to detectives which is shot from a distance and shows a car leaving the scene. This witness was sure that this was the same car she had seen in the parking lot minutes earlier. Detectives recognized the car as a possible Porsche Panamera from this video. It was also noted that the third rear brake light on this vehicle (normally located in the top rear window) was not working.
14. The investigation has revealed that Cameron Walker's father owns a dark maroon Porsche Panamera. Since identifying the vehicle, it has been observed at night by detectives. Although it is dark maroon, in the night it appears to be black or charcoal gray. Additionally, while following this car during surveillance, it was noted that the third rear brake light is out.
15. During this investigation, Cameron Walker was identified as using the cell phone number of 216-971-4420. The records for this phone were obtained from T-Mobile via a search warrant. When analyzing these records, it was determined that around 8:39 PM, the phone begins to locate in the immediate vicinity of the murder. At 8:45 PM, the records archive a location for the phone in the apartment complex approximately 300 meters from the murder scene. Records were obtained for 20 days, October 1st to the 20th, and indicate that this was the only time the phone was using service in that area.
16. The T-Mobile records can be used to piece together the phones approach and arrival to the murder scene, as well as how it departed. Those records show that the phone was in the area of Hwy 9 and Rosemont Apartment Homes around 8:30 PM. The phone appears to travel a path consistent with driving northbound on Hwy 9 to Old Milton Pkwy, proceeding east on Old Milton Pkwy to Westside Pkwy, and then making an immediate left onto Kimball Bridge Rd – at 8:35 PM. The phone then travels to the area of the Collingwood Apartment complex off Kimball Bridge Rd, arriving around 8:40 PM. Directly after the murder, at approximately 8:51 PM, the phone leaves the area of the complex and appears to go right on Kimball Bridge Rd, left on North Point Dr to Haynes Bridge Rd. It eventually appears to go south on GA 400 into the City of Roswell, ending up in the near vicinity of 210 Willow Bush Trace – Cameron Walker's home – at approximately 9:15 PM. The phone remains in that area for the rest of the night and into the morning.
17. The City of Alpharetta records many of their major street intersections. Detectives consulted those videos and discovered several that caught a dark colored Porsche Panamera traveling in a direction that is remarkably consistent with what the phone records depict. City Cameras captured the following: At 8:31 PM, a dark colored Panamera is captured heading North on Hwy 9 at Wills Rd, at about 8:33 a dark colored Panamera turns left from Hwy 9 N onto Old Milton Pkwy, at 8:35 PM, a dark colored Panamera turns left from Westside Pkwy SB onto Kimball Bridge Rd. After the murder, the following was captured: At 8:54, a dark colored Panamera is seen at North Point Pkwy SB and Rock Mill Rd, at 8:54, a dark colored Panamera turns right from North Point Pkwy SB onto North Point Drive, at 8:55 the vehicles turns right from North Point Drive onto Haynes Bridge Rd, at 8:56 the vehicle passes through the intersection of 400 NB as it travels on Haynes Bridge Rd. At 8:56 PM, the dark colored Porsche Panamera stops at the red light at Hayes Bridge Rd and 400 SB. Before making a left onto 400 South, the vehicle can be seen at an angle which appears to show the third middle brake light is out. When the light turns green, the vehicle proceeds onto 400 south.
18. At approximately 11:00 AM, on 10/15/2021, Roswell Police were called out to the home at 210 Willow Bush Trace on an unrelated call. The officer who entered the home to investigate had his body camera running and documented Cameron Walker in the house at that time. Cameron Walker's phone data continued to show a location in this same vicinity.
19. A dark colored Porsche Panamera was seen in the apartment complex just before the shooting, the driver of which was asking directions for a location inside the complex. Directly before the shooting, between 8:40 and 8:50 PM, a sporty 4 door dark colored or red door sedan, believed to be this Porsche Panamera, was seen parked in the lot just outside Connor Mediate's building. Two black males sat in the running car. Directly after the shooting, this vehicle was seen pulling from the space directly adjacent to the murder and driving away. A cellphone camera video was taken of the car, which shows a vehicle consistent with a Porsche Panamera. The vehicle's rear middle brake light was not working. Cameron Walker's family owns a maroon Porsche Panamera that has a nonoperating rear third brake light. Cameron has been seen as a passenger in this vehicle on several occasions. Cameron Walker has been identified as a black male who used to have short blond dreadlocks. A witness identified a passenger in the vehicle with short dreadlocks but did not indicate they were blond. Cameron Walker's Snapchat data suggests that he was planning a robbery on 10/14/2021. Cameron Walker was also in communication with Connor Mediate via Snapchat; at 6:38 PM, Connor had sent Cameron his home address. At 6:43 PM, Cameron requested a ride to a "lick" (AKA – robbery) from another Snapchat user. At some time after 8:17 PM, but before 9:17 PM, Cameron Walker messaged Connor again, asking him where he was and if he may have possibly just walked past him. Cameron's phone data shows him to be in

D. GPS location data indicated that the two most prevalent areas recorded for Snapchat use were within several feet of 1465 Mid Broadwell Rd and 210 Willow Bush Trace. Cameron Walker lives at 210 Willow Bush Trace with his mom and dad. He uses the address of 1465 Mid Broadwell Rd as his home address with Fulton County Schools - so he can play basketball at Milton High School.

E. Another picture in the account shows Cameron Walker and an unknown female at North Point Mall. The picture is dated from 10/13/2021 at 3:30 PM. Detectives went to North Point Mall and recovered video that shows Cameron Walker and the unknown female at the mall at that time. They are wearing the same thing they had on in the picture. Additionally, the GPS data from the Snapchat accounts shows GPS data in and around North Point Mall at that same time.

F. There are outgoing texts documented within the account with the message "Walkercameron1" and "12 23 2003". 12/23/2003 is Cameron Walker's birthday.

G. Cameron Walker is on the Varsity Basketball team at Milton High School. Investigation has revealed that several of the people he contacted through Snapchat are students at Milton High School, with one being a fellow basketball player and the other being the quarterback of the football team.

H. The Emoji character associated with the account resembles Cameron Walker – a black male with blond dreadlocks. Note: In the days following the murder, Cameron Walker cut his blond dreadlocks off.

8. The content of the Killacam127 account suggested that just previous to the murder, Cameron Walker was planning a robbery with a Snapchat user "gatemofo". The following messages were recovered from a conversation with gatemofo:

(Note: According to urbandictionary.com, "hit a lick" is slang for committing a robbery.)

9. The texts are clear, Cameron Walker was planning a robbery and was asking the user of gatemofo to help. Walker would have received the message from Connor Mediate with Mediate's address at 6:38 PM. He asked gatemofo to drive him to a "lick" at 6:43 PM. The last message saved in this conversation occurs at 7:32, when gatemofo asked "when".

10. There were four witnesses in front of building 12 who saw and/or heard various portions of the incident, but none of them actually saw the shooting. Through piecing their statements together, we can determine that a dark colored sporty 4 door sedan pulled into the area just after 8:39 PM. The vehicle was occupied by at least two black males at least one of which had short dread locks. The vehicle backed into a parking space directly adjacent to location where Connor Mediate would be shot momentarily. The men stayed inside the running vehicle. Shortly after that, before 8:50 PM, there was 1 to 6 muffled gunshots. The same car then drove away from the scene and out of the area.

the area of the murder at the time of the murder. Directly after the murder, the phone data shows Cameron leaving the area and returning to the area of his home. At 9:54 PM on 10/14/2021, the Snapchat account Cameron Walker used to communicate with Connor Mediate was deleted.

20. It is believed that Connor Mediate was planning on selling drugs to Cameron Walker. Cameron Walker was planning on taking these drugs from Connor by robbing him of them; however, when Cameron took the drugs, Connor fought to get them back. One of the witnesses, who was familiar with Connor, heard in unfamiliar voice twice yell, "get the fuck out" during the middle of the shooting. The incident culminated with Connor being shot dead.

21. Cameron Walker had tried to recruit the user of the Snapchat account gatemorefto to assist in the robbery later that night, but the investigation has revealed that did not happen. The user of gatemorefto was identified and the GPS records associated with his Snapchat account put him several miles away from the scene at the time of the murder.

22. When analyzing Cameron Walker's phone records a phone number (205-760-1450) stood out because of the times and amount of calls made to it on the day of the murder as well as the day after. Out of the 23 contacts seen in these records, 16 of them came on the evening of October 14th into October 15th. Significantly, there are no contacts between the two number between 8:27 PM on October 14th and 9:58 on October 14th.

23. The exchange for this number is near the city of Birmingham. Records were obtained for this number and show the account holder to be Donald Hatcher of 209 96th Street N, Birmingham, AL. The records for this phone show that, on the evening and into the night of Oct 14th, the phone's movement mimicked the movement of Cameron Walker's phone. In particular, the Timing Advance records show the phone to locate in and around the Collingwood Apartment complex at the time of the murder. Additionally, at 8:38 PM, the phone used a sector on a tower located very near the murder location that would service that particular area. It is worth considering that, in the period of time order, this is the only time the phone used this tower or located in this area.

24. The actual user of the phone has been identified as Jonathan Murray, a teammate of Cameron Walker's on the Milton High School basketball team. Donald Hatcher is Jonathan Murray's father. Milton High School identified Murray's phone number as 205-760-1450. Jonathan Murray is a black male with short dread locks.

25. It is also worth noting that the phone data shows Murray to return to the area of Walker's home directly after the murder.

26. It is believed that Jonathan Murray is the passenger in the vehicle driven by Cameron Walker. Murray is a teammate with Walker and had been in contact with Walker on the night in question. Jonathan Murray appears to have been with Walker throughout the evening including during the murder. His phone follows the same path as Cameron Walker's from approximately 6 PM on. The location data on his phone puts him in the area of the murder at the time of the murder. After the murder, both men appear to have returned to Cameron Walker's home where they both spent the night. The men were intending on robbing Connor Mediate and Connor was killed in the process. At this point, it is unknown if Cameron Walker or Jonathan Murray actually shot Connor. Witnesses heard up to 6 shots and Connor was shot 3 times, so there is a possibility that both men shot Connor. Either way, the men were conspiring to commit a robbery that resulted in a person's death.

CRIMINAL WARRANT

Warrant No: EW-0346898

MAGISTRATE COURT OF FULTON COUNTY
GEORGIA, Fulton County

AFFIDAVIT FOR ARREST (Ga. Code Ann. 17-4-45)

Personally came D. Bochniak, who on oath says that to the best of his/her knowledge and belief Cameron Walker (hereinafter called the accused) between 10/14/2021 at 08:40 PM and 10/14/2021 at 08:50 PM, at 12006 Collingwood Lane, ALPHARETTA in FULTON county aforesaid, did commit the offense of Criminal Attempt to Commit Armed Robbery - Felony, 16-4-1 in that said accused unlawfully did with intent to commit armed robbery, intent to commit theft and take property from the person and immediate presence of Connor Mediate by use of a firearm. Cameron Walker and Jonathan Murray were intending on robbing Connor Mediate of drugs. Cameron Walker had arranged the robbery via Snapchat. During the process of robbing Connor Mediate of the drugs he planned on selling the men, the men shot and killed Connor Mediate. said and this deponent makes this affidavit that a warrant may issue for his/her arrest.

Probable Cause:

1. On 10/14/2021, at approximately 8:54 PM, Alpharetta Police were notified of a person shot in the Collingwood Apartments. Witnesses heard multiple gunshots and went into the parking lot of building 12 and found a white male laying in the middle of the parking lot. Police and EMS responded and determined that the man was deceased.
 2. First responding officers determined the deceased was Connor Mediate and he resided in apartment 12006 in building 12 of the Collingwood Apartments. Detectives responded to the scene and began the investigation. The impending autopsy would determine that Connor was shot 3 times in the upper torso/neck area. There are no witnesses who saw Connor get shot, but there were several who heard the gunshots, some saying they heard just one and other saying they heard as many as 6. Additionally, two witnesses described a suspicious possibly dark grey 4 door sedan trolling the complex just before the shooting. One witness, Elizabeth Ashton Lewis, who came outside at 8:39 and first saw the car arriving a few minutes after that, saw the passenger of this car who she believed to be a black male with short dreadlocks. A second witness, Marcia Meininger, saw both the driver and passenger of the car. She believed that they were both black males. Marcia Meininger saw the park directly next to area where Connor Mediate was shot. Right after the shooting, at 8:50 PM, Lewis saw the same sedan leaving the area. It is worth noting that this is a secluded area of Collingwood apartments and the witnesses saw no other cars moving around during this time.
 3. The search of Connor Mediate's home revealed that Connor was selling illegal drugs. In particular, several ounces of marijuana were recovered along with many THC vape cartridges. Additionally, the search resulted in the recovery of his cell phone.
 4. A search of this cell phone revealed a Snapchat account under the name Connor643 (Screen name "Connor_54"). A search of the data associated with this Snapchat account revealed a message sent to Snapchat user Killacam127 (Screen name "Cam") at 6:38 PM, approximately 2 hours before the murder. This message was the Connor Mediate's home address: "Collingwood Apartments Alpharetta GA building 12".
 5. A follow up message was received by the phone sometime after 8:17 PM and before 9:17 PM that night. The message from "Cam" which stated, "Wya" followed by, "I think u walked past me".
- Note: detectives were checking these messages at 4:17 PM on 10/15/2021. The timestamp on the message was only recorded as "19h" which would suggest that the message was sent sometime 19 hours ago, which would put it after 8:17 PM but before 9:17 PM on 10/14/2021.)
6. Additionally, the search of the cell phone revealed data in the form of messages and pictures that suggest Connor Mediate was selling illegal drugs to various individuals. He was facilitating his sales through the apps Snapchat and Telegram. On more than one occasion, the data showed Connor to provide his home address to potential buyers as a meeting location.
 7. A warrant was obtained for the records associated with "Killacam127". There was no subscriber information associated with this account because the account had been deleted at 9:54 PM on 10/14/2021. Snapchat still held other records associated with the account that led to the identification of the user as Cameron Walker.
 - A. The screen name of the user is listed as "Cam".
 - B. The Snapchat account contains a picture of Cameron Walker. A very similar picture of him wearing the same thing at the same place was found on an Instagram page purported to be his, username camfromcle.
 - C. Cameron Walker has been identified as having 2 home address – 1465 Mid Broadwell Rd and 210 Willow Bush Trace. Both

addresses were seen in outgoing texts.

D. GPS location data indicated that the two most prevalent areas recorded for Snapchat use were within several feet of 1465 Mid Broadwell Rd and 210 Willow Bush Trace. Cameron Walker lives at 210 Willow Bush Trace with his mom and dad. He uses the address of 1465 Mid Broadwell Rd as his home address with Fulton County Schools - so he can play basketball at Milton High School.

E. Another picture in the account shows Cameron Walker and an unknown female at North Point Mall. The picture is dated from 10/13/2021 at 3:30 PM. Detectives went to North Point Mall and recovered video that shows Cameron Walker and the unknown female at the mall at that time. They are wearing the same thing they had on in the picture. Additionally, the GPS data from the Snapchat accounts shows GPS data in and around North Point Mall at that same time.

F. There are outgoing texts documented within the account with the message "Walkercameron1" and "12 23 2003". 12/23/2003 is Cameron Walker's birthday.

G. Cameron Walker is on the Varsity Basketball team at Milton High School. Investigation has revealed that several of the people he contacted through Snapchat are students at Milton High School, with one being a fellow basketball player and the other being the quarterback of the football team.

H. The Emoji character associated with the account resembles Cameron Walker - a black male with blond dreadlocks. Note: In the days following the murder, Cameron Walker cut his blond dreadlocks off.

8. The content of the Killacam127 account suggested that just previous to the murder, Cameron Walker was planning a robbery with a Snapchat user "gatemofto". The following messages were recovered from a conversation with gatemofto:

(Note: According to urbandictionary.com, "hit a lick" is slang for committing a robbery.)

9. The texts are clear, Cameron Walker was planning a robbery and was asking the user of gatemofto to help. Walker would have received the message from Connor Mediate with Mediate's address at 6:38 PM. He asked gatemofto to drive him to a "lick" at 6:43 PM. The last message saved in this conversation occurs at 7:32, when gatemofto asked "when".

10. There were four witnesses in front of building 12 who saw and/or heard various portions of the incident, but none of them actually saw the shooting. Through piecing their statements together, we can determine that a dark colored sporty 4 door sedan pulled into the area just after 8:39 PM. The vehicle was occupied by at least two black males at least one of which had short dread locks. The vehicle backed into a parking space directly adjacent to location where Connor Mediate would be shot momentarily. The men stayed inside the running vehicle. Shortly after that, before 8:50 PM, there was 1 to 6 muffled gunshots.

The same car then drove away from the scene and out of the area.

11. A fifth witness, who had been down the street near the clubhouse, reported taking his trash out just before the shooting and seeing something he thought could be related. The witness reported that sometime around 8:30 PM, he noted a Porsche Panamera occupied and running near the leasing office. He said that this car pulled up to two men standing in front of the leasing office and driver appeared to ask directions. The men told the occupants of the vehicle to "follow the signs". The witness was sure that the vehicle was a Porsche Panamera and he believed it to be black. This witness could not see the driver or passengers in the car.
12. One of the witnesses was standing very near the incident, in the breeze way of building 12, but her view was blocked by shrubberies. This witness, who was no more than 75 feet from the scene when the shooting occurred, heard a single gunshot followed by someone yelling, "get the fuck out", followed by two more gunshots. The witness new Connor Mediate and new the voice she heard was not his.
13. One of the witnesses, heard the gunshot and then filmed the car as it left the scene. She provided this video to detectives which is shot from a distance and shows a car leaving the scene. This witness was sure that this was the same car she had seen in the parking lot minutes earlier. Detectives recognized the car as a possible Porsche Panamera from this video. It was also noted that the third rear brake light on this vehicle (normally located in the top rear window) was not working.
14. The investigation has revealed that Cameron Walker's father owns a dark maroon Porsche Panamera. Since identifying the vehicle, it has been observed at night by detectives. Although it is dark maroon, in the night it appears to be black or charcoal gray. Additionally, while following this car during surveillance, it was noted that the third rear brake light is out.
15. During this investigation, Cameron Walker was identified as using the cell phone number of 216-971-4420. The records for this phone were obtained from T-Mobile via a search warrant. When analyzing these records, it was determined that around 8:39 PM, the phone begins to locate in the immediate vicinity of the murder. At 8:45 PM, the records archive a location for the phone in the apartment complex approximately 300 meters from the murder scene. Records were obtained for 20 days, October 1st to the 20th, and indicate that this was the only time the phone was using service in that area.
16. The T-Mobile records can be used to piece together the phones approach and arrival to the murder scene, as well as how it departed. Those records show that the phone was in the area of Hwy 9 and Rosemont Apartment Homes around 8:30 PM. The phone appears to travel a path consistent with driving northbound on Hwy 9 to Old Milton Pkwy, proceeding east on Old Milton Pkwy to Westside Pkwy, and then making an immediate left onto Kimball Bridge Rd – at 8:35 PM. The phone then travels to the area of the Collingwood Apartment complex off Kimball Bridge Rd, arriving around 8:40 PM. Directly after the murder, at approximately 8:51 PM, the phone leaves the area of the complex and appears to go right on Kimball Bridge Rd, left on North Point Dr to Haynes Bridge Rd. It eventually appears to go south on GA 400 into the City of Roswell, ending up in the near vicinity of 210 Willow Bush Trace – Cameron Walker's home – at approximately 9:15 PM. The phone remains in that area for the rest of the night and into the morning.
17. The City of Alpharetta records many of their major street intersections. Detectives consulted those videos and discovered several that caught a dark colored Porsche Panamera traveling in a direction that is remarkably consistent with what the phone records depict. City Cameras captured the following: At 8:31 PM, a dark colored Panamera is captured heading North on Hwy 9 at Wills Rd, at about 8:33 a dark colored Panamera turns left from Westside Pkwy SB onto Kimball Bridge Rd. After the murder, the following was captured: At 8:54, a dark colored Panamera is seen at North Point Pkwy SB and Rock Mill Rd, at 8:54, a dark colored Panamera turns right from North Point Pkwy SB onto North Point Drive, at 8:55 the vehicles turns right from North Point Drive onto Haynes Bridge Rd, at 8:56 the vehicle passes through the intersection of 400 NB as it travels on Haynes Bridge Rd. At 8:56 PM, the dark colored Porsche Panamera stops at the red light at Hayes Bridge Rd and 400 SB. Before making a left onto 400 South, the vehicle can be seen at an angle which appears to show the third middle brake light is out. When the light turns green, the vehicle proceeds onto 400 south.
18. At approximately 11:00 AM, on 10/15/2021, Roswell Police were called out to the home at 210 Willow Bush Trace on an unrelated call. The officer who entered the home to investigate had his body camera running and documented Cameron Walker in the house at that time. Cameron Walker's phone data continued to show a location in this same vicinity.
19. A dark colored Porsche Panamera was seen in the apartment complex just before the shooting, the driver of which was asking directions for a location inside the complex. Directly before the shooting, between 8:40 and 8:50 PM, a sporty 4 door dark colored or red door sedan, believed to be this Porsche Panamera, was seen parked in the lot just outside Connor Mediate's building. Two black males sat in the running car. Directly after the shooting, this vehicle was seen pulling from the space directly adjacent to the murder and driving away. A cellphone camera video was taken of the car, which shows a vehicle consistent with a Porsche Panamera. The vehicle's rear middle brake light was not working. Cameron Walker's family owns a maroon Porsche Panamera that has a nonoperating rear third brake light. Cameron has been seen as a passenger in this vehicle on several occasions. Cameron Walker has been identified as a black male who used to have short blond dreadlocks. A witness identified a passenger in the vehicle with short dreadlocks but did not indicate they were blond. Cameron Walker's Snapchat data suggests that he was planning a robbery on 10/14/2021. Cameron Walker was also in communication with Connor Mediate via Snapchat; at 6:38 PM, Connor had sent Cameron his home address. At 6:43 PM, Cameron requested a ride to a "lick" (AKA – robbery) from another Snapchat user. At some time after 8:17 PM, but before 9:17 PM, Cameron Walker messaged Connor

again, asking him where he was and if he may have possibly just walked past him. Cameron's phone data shows him to be in the area of the murder at the time of the murder. Directly after the murder, the phone data shows Cameron leaving the area and returning to the area of his home. At 9:54 PM on 10/14/2021, the Snapchat account Cameron Walker used to communicate with Connor Mediate was deleted.

20. It is believed that Connor Mediate was planning on selling drugs to Cameron Walker. Cameron Walker was planning on taking these drugs from Connor by robbing him of them; however, when Cameron took the drugs, Connor fought to get them back. One of the witnesses, who was familiar with Connor, heard in unfamiliar voice twice yell, "get the fuck out" during the middle of the shooting. The incident culminated with Connor being shot dead.

21. Cameron Walker had tried to recruit the user of the Snapchat account gatmorefto to assist in the robbery later that night, but the investigation has revealed that did not happen. The user of gatmorefto was identified and the GPS records associated with his Snapchat account put him several miles away from the scene at the time of the murder.

22. When analyzing Cameron Walker's phone records a phone number (205-760-1450) stood out because of the times and amount of calls made to it on the day of the murder as well as the day after. Out of the 23 contacts seen in these records, 16 of them came on the evening of October 14th into October 15th. Significantly, there are no contacts between the two number between 8:27 PM on October 14th and 9:58 on October 14th.

23. The exchange for this number is near the city of Birmingham. Records were obtained for this number and show the account holder to be Donald Hatcher of 209 96th Street N, Birmingham, AL. The records for this phone show that, on the evening and into the night of Oct 14th, the phone's movement mimicked the movement of Cameron Walker's phone. In particular, the Timing Advance records show the phone to locate in and around the Collingwood Apartment complex at the time of the murder. Additionally, at 8:38 PM, the phone used a sector on a tower located very near the murder location that would service that particular area. It is worth considering that, in the period of time order, this is the only time the phone used this tower or located in this area.

24. The actual user of the phone has been identified as Jonathan Murray, a teammate of Cameron Walker's on the Milton High School basketball team. Donald Hatcher is Jonathan Murray's father. Milton High School identified Murray's phone number as 205-760-1450. Jonathan Murray is a black male with short dread locks.

25. It is also worth noting that the phone data shows Murray to return to the area of Walker's home directly after the murder.

26. It is believed that Jonathan Murray is the passenger in the vehicle driven by Cameron Walker. Murray is a teammate with Walker and had been in contact with Walker on the night in question. Jonathan Murray appears to have been with Walker throughout the evening including during the murder. His phone follows the same path as Cameron Walker's from approximately 6 PM on. The location data on his phone puts him in the area of the murder at the time of the murder. After the murder, both men appear to have returned to Cameron Walker's home where they both spent the night. The men were intending on robbing Connor Mediate and Connor was killed in the process. At this point, it is unknown if Cameron Walker or Jonathan Murray actually shot Connor. Witnesses heard up to 6 shots and Connor was shot 3 times, so there is a possibility that both men shot Connor. Either way, the men were conspiring to commit a robbery that resulted in a person's death.
