

# STUDENT *of the* WEEK

## GWENYTH CERVENKA

Steering Committee. This year, she has taken on the role of youth advisor and has become more engaged in her community. She has been involved in cheer since freshman year and was cheer captain but had to cut this season short due to an injury.

Gwenyth has consistently made the honor roll since she started high school in 2021. In her free time, she enjoys paddle boarding and taking walks outdoors. When she envisions her future, she sees herself working as a labor and delivery nurse or a nurse practitioner, and she's still deciding the right path to get there.

Mrs. Naegele, Buena Vista High School science teacher said "Gwen is one of the most kind and caring students I have had in my classroom. At the same time, she is also very curious and competent when it comes to science content. Her willingness to help students who are struggling with some concepts, and go the extra mile, is an example all of us can learn from."

Gwenyth Cervenka is a senior at Buena Vista High School and the daughter of Brook and Charlie Cervenka.

She's passionate about science and aims to pursue a career in the medical field. Currently, she's actively involved in various school activities such as the National Honors Society, 5th Quarter, and the Buena Vista
