The Times Publishing group is looking to hire motivated and creative **Marketing/Sales Consultants** to join our team working out of the Chagrin Falls office.

While we prefer candidates seeking full-time employment, we will certainly consider applicants interested in part-time work, as well. Our flexible and relaxed work environment allows our employees some flexibility in terms of their hours, with some ability to work remotely when necessary. Many are able to tailor their hours to meet their needs outside the office (i.e., parents with children in school). We are also willing to train if you lack marketing/sales experience but are interested in this kind of work.

If you thrive by interacting with a wide variety of people as part of your daily work experience, this is the job for you! Our clients expect our marketing/sales leaders to guide them in making important decisions about where best and how best to spend their advertising dollars from an array of award-winning publications we produce from this office, including The Chagrin Valley Times, The Solon Times, The Geauga Times Courier and Currents, among many others.

If you are self-motivated and driven to earn an above average paycheck, this is the job for you! The harder and smarter you work, the more you can earn! The sky's the limit.
