Dear School District of Reedsburg Families:

I am writing today to share some terrible news. Earlier today, there was an accident that involved one of our Webb Middle School students. We have since learned the student has passed away as a result of the accident.

Please understand that I cannot provide additional details at this time. Our entire student services team has been mobilized and will be available to meet with students and staff now and in the coming days. If your child is in need assistance processing this news, please contact your child's school counselor.

We will also have counselors available tomorrow, Saturday, May 13, from 8:00 a.m. to Noon at Webb Middle School to support any students and staff members who continue to need assistance and support.

This is a truly devastating time for our entire community and it will have far reaching effects. As such, all high school athletic contests for today and Saturday have been canceled.

We ask that you join us in keeping the student's family and friends in your thoughts and prayers.

Sincerely,

Roger Rindo, Ed.D.
Superintendent
