RE: Notice of Business Closing

Dear Members of the Dislocated Worker Unit and Mayor Satya Rhodes-Conway

Sheridan Wisconsin will be permanently closing its facility at 2211 Fordem Avenue, Madison, WI 53704. The closure has been prompted by the company's significant downturn in business at the Madison location.

This action is expected to result in the permanent elimination of 116 employees – 12 salary and 104 hourly positions. The company expects to begin eliminating positions on April 13 and will continue in phases until complete closure on June 28, 2024. This is a non-union facility and there are no interplant bumping rights.

Attached is a list of job titles, number affected within in each job title, and the anticipated layoff date for the salaried and hourly workers. The company will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination.
