

Instructional Materials for Public Review

Textbook Adoptions

The following instructional materials for K-12 ELA, K-3 ELA Intervention, K-4 Math Intervention, and High School Personal Finance and Money Management will be presented to the School Board for approval. The links provided here are for the benefit of members of the public who wish to view the materials selected by the Review Committee for recommendation. For some of the courses below, two publishers were recommended and put out for public review. These titles are listed as the Review Committee's first and second choices. However, in these instances, only one will be selected and approved by the School Board.

All core instructional materials were vetted and approved by the State of Florida Department of Education and can be found on:
