

Summer Feeding Home Delivery Pilot

Summer 2026

Benefits of Home Delivery

- Reach students that may experience food scarcity during the summer months and that cannot go to an open site for a meal.
- Little to no administrative work for Food and Nutrition Services.

Home Delivery Requirements

- Site displays in green on the USDA's Rural Designation Map
- The areas highlighted in green represent a RURAL Designation.
- This map is updated annually
- Home deliveries can only occur on days that congregate feeding does NOT occur

Qualifying Schools for Summer 2026

- For 7-Day Meal boxes delivered weekly
 - PGE, FCE, HOM, LPS, RCE
- For 6-Day Meal Boxes delivered Bi-Weekly
 - LMS, LHS, CSM
- School that do NOT qualify
 - CSE, HER, FRE, CHS, IPS, CRE, IMS, CRM, CRHS, CRP
- NOTE: If there is 1 qualifying child in the household, all children in that household would qualify. For example: A student attends PGE, they have brothers and sisters that attend IMS and CHS. All the students would qualify since 1 student attends a qualifying school

Where it can get confusing.

- Example: A student attends LPS and has siblings attending LMS and LHS. LPS is approved for students to receive a 7-day box per child per week. LMS and LHS are approved for students to receive the 6-day box biweekly. If a parent signs up their student under LMS or LHS, they will miss out on the opportunity to receive meals for 7 days.
- It's important that all students in a household are enrolled under the school that qualifies for the most meals. In other words, any family that has students attending PGE, FCE, HOM, LPS or RCE should sign up all their students under the child that attends one of these schools.
