5573 Leepers Ferry Rd • White Pine

Lush Pasture fields bordering Long Creek on these thirty-two acres in South Hamblen County. This property was the remainder of a significant dairy farm years ago, with the silo, dairy parlor, and the large barn conveying the property. The three bedroom, one-bath home sits across the road on a knoll overlooking the property. The home has a one-car garage in the basement. The original hardwood flooring looks fantastic, original cabinets, and some updates have been made throughout the house. The house is over seventeen hundred square feet with an unfinished basement. This property is unrestricted and would make an excellent horse property, livestock, and friendly gardening and cropland. MLS#9923829 \$599,900
