Who, being duly sworn, deposes and says that on the 5th day of May

A. D., 20 19, Collier County, State of Florida,

that I picked up Mr. Mont as a Uber customer with his female partner. They were arguing during the trip. Then, he punch her on the face and I saw it by rear view mirror. And I had to stop my car and tell him to stop arguing because I will call the police and I stop the trip to report him.

I drop them home and I hear him saying "I will hit you" so I called the police
