EXPERIENCED PROPERTY MANAGER

Solutions Property Management is seeking qualified candidates for Property Manager positions serving established residential communities in Sussex County, Delaware.

If you're an experienced Property Manager professional looking for a company that values your expertise, supports your success, and believes in work-life balance, we'd love to talk.

WHAT WE'RE LOOKING FOR:

- Community association or property management experience preferred.
- Excellent communication, organizational, leadership, and problem-solving skills.
- Ability to coordinate daily operations and competing priorities.
- Experience overseeing maintenance, contractors, vendors, and community projects.
- Ability to maintain accurate records, procedures, contracts, and operational reports.
- Familiarity with budget monitoring, purchasing, and administrative functions.
- Ability to work independently while collaborating effectively with a Board of Directors, residents and service providers.
- A hands-on, accountable professional with sound judgment, discretion, and a strong customer service orientation.

WHY JOIN SOLUTIONS?:

- Competitive salary ($65,000–$80,000, depending on experience)
- Health insurance allowance provided by the employer
- Paid time off and holidays
- Supportive leadership
- Manageable portfolios
- A company where your voice matters

If you've been feeling like just another number at a large management company, this may be the opportunity you've been waiting for.
