

TOWN OF BETHANY BEACH

WATER OPERATOR VACANCY

The Town of Bethany Beach currently has an opening for a permanent full-time Water Operator. This position performs a variety of skilled technical duties in the operation of the 1.75 MGD treatment plant and distribution system. Weekend, holiday, and on-call work are required.

Operating experience in a water or wastewater facility is desirable, but not necessary. Responsibilities of this position include the operation and maintenance of the water treatment plant and the distribution system. Typical duties include, but not limited to: lab testing, general labor, adjusting plant processes, miss utility locates, reading and changing water meters, and water service and water main installation/repair.

Must pass a pre-employment drug screen and background check. A Class "B" CDL must be obtained within six months of hire. Delaware base level water operator certification preferred. Competitive employment benefit package includes: starting salary of \$47,840, with final compensation dependent on experience and education; health, eye, dental and life insurance; paid vacations, holidays, sick time, personal days, defined benefit retirement and 457 plans are offered.

Application available at:

Town Hall, 214 Garfield Parkway, Bethany Beach, DE 19930
