**Mayor and City Council Response -
FOP Lodge #22 letter dated August 1, 2025**

(Lewes Delaware, August 3, 2025) - The Mayor and City Council (MCC) are fully aware of our Police Union's issues, concerns and grievance statement. We have confidence in our City Manager and in our Chief of Police and police force.

We are confident that both the City Manager and Chief of Police will continue to lead their staffs and serve our community with the utmost sense of professionalism.

We recognize that there are personnel and policy issues that have arisen. MCC has proactively initiated a process of interviews so we can address concerns raised by the City Manager, Chief of Police, and the Union.

Because the nature of the complaint is personnel related, we are not at liberty to provide details as we respect the confidentiality of the process and the individuals. We respect the Union's grievance process, and following that process, we will not make further comments until the issues are resolved.

**City Manager Response -
FOP Lodge #22 letter dated August 1, 2025**

(Lewes Delaware, August 3, 2025) - I am aware of FOP Lodge #22 signed letter. Agreements, policies, and procedures are in place when issues, concerns, and grievances come from union members against management. Mayor & City Council have been briefed on the grievances filed by the Union and are working through the final step of the mutually agreed-upon grievance process. Since this is a personnel matter no public comments can be made at this time.
