

CarePartners

ADULT DAY CENTER

Licensed Practical Nurse

Want your evenings, weekends, and holidays free?
Adult day center committed to helping frail adults
stay at home is seeking a 40 hour/week LPN,
with relevant experience.

Oversee health monitoring services which promote
health and wellness Monday through Friday
8:00 AM to 4:00 PM. Tasks include administering
medications, blood glucose monitoring, taking
vital signs, treatments, wound care, documenting
care provided and coordinating care with other
health care providers and caregivers. Develop
and implement plans of care. Supervise Nursing
Assistants. Provide emergency first aid as needed.
Good clinical, communication and
organizational skills crucial.

To apply, send resume and cover letter to
CarePartners Adult Day Center at
640 Franklin Park West, St. Albans
or download an application at
www.carepartnersvt.org.
