**Volunteer Drivers Needed – Special Services Transportation Agency (SSTA)**

Increased needs and costs for the Vermont Older Adults and Persons with Disabilities (O&D) Transportation Program have left many of our neighbors facing uncertainty in how they will get to work, attend medical appointments, go to the grocery store, see friends and family, and participate in community events.

At the January 13th Colchester Selectboard meeting, these neighbors expressed the importance of SSTA and the O&D program in their daily lives. Read the meeting minutes here:

If you'd like to support your neighbors and are looking for something to fill up some of your time, **SSTA is looking for volunteer drivers!** Being a volunteer driver is incredibly flexible; you choose your hours and SSTA will coordinate the rest for you!

You can be in the comfort of your own vehicle, while still supporting your community! SSTA reimburses at the current GSA mileage rate of 72.5 cents per mile for your travel.

If you'd still like to support the vital services SSTA provides to our community but don't have time to spare, donations are always welcome! Donations go directly to SSTA and help keep this essential program running.

If you are interested in becoming a volunteer driver or donating to the program, visit <https://www.sstarides.org/volunteer-community-drivers> or call (802) 878-1527.
