Why do we feel that investing in the community is so important?
Because of the sizable returns.

NW Natural is proud to have served our customers for over 164 years. With that pride comes the knowledge that we have an even greater responsibility to the community at large. That's why on any given day you'll find our employees helping others. And the fruits of those efforts are visible in the faces of those who need us most.

We believe that if we put the time in to help our neighbors through philanthropy, volunteering or just plain sweat, the rewards are tenfold.

Together with numerous charitable organizations, we're doing what any good neighbor would do. We're working to make this the kind of place we can call home. And that's the biggest return of all.

Congratulations

Class of 2023!
