SKYLINE HEALTH: ROOTED IN COMMUNITY, COMMITTED TO CARE

At Skyline Health, our mission goes beyond medicine—we are here to stand with the people who make this region home. From preventive screenings and compassionate care to wellness education and local partnerships, we believe strong communities are built when health is supported close to home. Every service we provide and every program we invest in reflects our commitment to the families, workers, and neighbors of the Gorge.

If you believe in local care that puts community first, join us. **Call 509-637-2602** or visit myskylinehealth.org/foundation to support care close to home.

INVESTING IN RURAL HEALTH. CREATING LASTING IMPACT.

When we care for our neighbors, we change lives. Skyline Health Foundation exists to make sure no one in our Gorge communities goes without access to care, support, or hope during life's most vulnerable moments. Every gift stays right here—helping local patients receive screenings, treatment, and compassionate care close to home. Together, we're not just funding healthcare—we're building a healthier, stronger future for the families who live, work, and love this community.

GIVE LOCAL. CHANGE LIVES.

Your gift has the power to change what's possible for a neighbor in need. If you believe healthcare should be accessible close to home, we invite you to join us.

MISSION & VISION

Thrive's mission is to protect Hood River's farmland, forests, wild places and the livability of its cities and rural communities.

- Thrive envisions a future where Hood River County's natural resources and community values are preserved and protected.
- Our farmlands and working forests continue to support Hood River County, providing food and timber, local livelihoods and wildlife habitat.
- Wild places, including the north side of Mt. Hood, remain undisturbed for wildlife and forests to thrive.
- We are a place where people of different backgrounds live, work, and age well and make thoughtful decisions that stand the test of time.

Thrive Hood River

- PROGRAM OVERVIEW -

The Hood River Valley is a very desirable place to live and it takes people who care to keep it thriving yet protect it from over commercialization. Thrive works to prevent sprawl, opposing destination resorts and applying smart land use practices. It takes planning, vision and citizen participation.

- **Farmland** - Hood River County features rich volcanic soils, pure water, cool nights and warm days. This takes careful monitoring so that our working landscapes stay productive.
- **Forests** - Thrive is committed to protecting forests and fostering resilient woodlands. Thrive promotes promoting compliance with regulations, reviewing and monitoring existing permits.
- **Wild Places** - We are surrounded by wild places created by geologic forces over millennia. But most special places are never fully protected. Thrive works to preserve and protect them.
- **Livability** - A livable community is great for all people and all ages to live, work and play. Thrive works hard to ensure that for our community.

- GIVING OPPORTUNITIES -

• **Become a Supporter Today** - Your generosity sustains our work and has for over 40 years. Whether we are old friends or you have just heard of us, thank you for considering a tax-deductible contribution to Thrive. Make a tax-deductible gift to Thrive today.

• **Legal Defense Fund** - Part of our mission is to ensure that Oregon's land use laws are doing their job. Legal action is never our first step, but when the stakes are high, Thrive steps up. Your donation will ensure we never have to back down because of lack of resources.

• **Endowment Fund** - Your gift will support our operations far into the future. Our endowment is managed by Gorge Community Foundation. A portion of that growth is available to us. Donations to our Endowment can come in any form, from cash to stocks to real estate.

• **Gifts of Stock and Securities** - We can accept your gift of appreciated securities with unrealized gains, which possibly may allow you to take a tax deduction.

• **Legacy Giving** - Consider including us in your estate planning with a legacy gift.

• **Wills and Trusts** - One of the simplest planned gifts is a bequest through your will or trust in which you designate a specific dollar amount or percentage of your estate after other disbursements. Consider naming Thrive as a beneficiary on banks accounts or CD's, appreciated securities, retirement plans, insurance policies or real estate.

• **Volunteer** - We occasionally have projects for volunteers and welcome your interest. Send a summary of your background and the type of work you would prefer.

MISSION

Founded in 1999, the Gorge Community Foundation (GCF) works to strengthen the long term vitality of the Columbia River Gorge by connecting generous people with the causes they care about most. We believe that when giving is local, flexible, and rooted in community, it creates lasting change.

VISION

GCF envisions a region where every resident has the opportunity to thrive. We partner closely with donors, nonprofits, schools and civic leaders to support solutions that reflect the unique character of the Gorge. Whether awarding scholarships, stewarding endowments, or helping donors create personalized giving plans, we ensure that generosity stays local and continues to grow for generations.

Gorge Community Foundation

- PROGRAM OVERVIEW -

For 25 years, GCF has helped donors invest in the health and resilience of our region. Today, we oversee 101 funds including endowments, scholarship funds, nonprofit agency funds, donor advised funds and flexible gift funds. Since our founding, GCF has distributed 4.9 million dollars in grants and 934,000 dollars in scholarships, supporting hundreds of local students and nonprofits across the Gorge.

Our community driven model ensures that giving is personalized, tax efficient, easy and aligned with local priorities from education and arts to conservation, housing and health. Donors can create permanent legacies or make flexible annual gifts, all managed with care, transparency and a deep understanding of the region.

As we celebrate reaching 10 million dollars in assets, we remain committed to supporting the nonprofits doing essential work in Hood River, Wasco, Gilliam, Skamania, Klickitat and Sherman counties, especially at a time of rising needs and shrinking public funding.

MISSION

To advocate for the needs and well-being of children and youth who have experienced abuse and neglect through continually-trained and professionally-supported community volunteers.

VISION

A world where every child who has experienced abuse or neglect is given the opportunity to thrive in a safe and loving home.

Columbia Gorge CASA helps ensure that children experiencing foster care in Hood River, Wasco, and Sherman Counties have someone advocating for their best interests.

sponsored by

Columbia Gorge CASA

- PROGRAM OVERVIEW -

Our team of court-appointed volunteer advocates stands up for children who have experienced abuse or neglect. Each CASA volunteer's goal is to serve as a consistent, caring presence during a time of deep uncertainty. Volunteers meet regularly with children in their placements and also speak with parents, teachers, caseworkers, and resource/foster parents to gather a complete picture of each child's circumstances and needs.

They use this insight to provide judges with thoughtful, detailed reports that advocate for the child's safety, stability, and well-being. Because CASA volunteers focus on a small number of children, they bring a uniquely personal perspective to the court.

CASA advocacy matters because every child deserves to be seen, supported, and to know that their story has not been forgotten. Our volunteers devote countless hours listening, observing, and documenting the experiences of children navigating foster care. By meeting children in their placements, gathering information, and providing detailed recommendations, advocates help judges make more informed decisions that serve the child's best interests.

This year, our community has seen an influx of children entering foster care, and many remain on our waitlist—waiting for an advocate to stand by their side. By supporting Columbia Gorge CASA, you help ensure that every child has someone fighting for their future.

- GIVING OPPORTUNITIES -

Columbia Gorge CASA relies on the generosity and dedication of community members to ensure that children in foster care in Hood River, Wasco, and Sherman Counties have someone advocating for their best interests. There are many ways to make a meaningful impact—through financial support, volunteering, leadership involvement, or business partnerships.

Financial Giving: Your donations help support critical advocacy for children navigating foster care. Monthly giving is especially impactful, helping to provide consistency in the often-uncertain world of nonprofit work. Even a small recurring gift is greatly valued and helps support the longevity of our work. One-time gifts are also appreciated and help increase our capacity to serve more children.

Volunteer Advocacy: Becoming a CASA volunteer is one of the most direct ways of supporting our community's most vulnerable children. Volunteers are appointed by the court to represent the best interests of children who have experienced abuse or neglect. CASA advocates spend time with the child, gather information, and provide the court with detailed, thoughtful recommendations. Each volunteer focuses on a small number of children, offering consistent support and guidance during a time of deep uncertainty.

Business Partnerships: Local businesses play a vital role in CASA's success by providing resources, funding, and visibility for our mission. Businesses can sponsor events such as our Fall Family Run or Playhouse Raffle, or help raise awareness about the need for volunteer advocates. Partnerships strengthen our efforts to ensure every child has a dedicated advocate and the opportunity for a brighter, more hopeful future. Supporting CASA demonstrates a business's commitment to the community and creates lasting change for vulnerable children.

Leadership Opportunities: Make a difference by joining our Board of Directors or serving on one of our committees. These roles help shape the direction of our programs, expand community awareness, and ensure sustainability for future generations.

LIBRARY FOUNDATION

- WHAT WE DO -

The Hood River County Library Foundation is a 501(c)(3) nonprofit that raises funds to enhance library services across Hood River County. Through donations, memberships, grants, and its annual Feast of Words fundraiser, the Foundation provides funds to the Library District each year to support programs, technology, the bookmobile, Maker Space materials, and capital improvements. We also fund free books, digital resources, and facility upgrades. Guided by a volunteer board, the Foundation works closely with the Library District to identify priority needs. Donors can give through direct gifts, legacy contributions, or commemorative bricks, helping the library continue to support learning, personal connections, and fun in our community.

FRIENDS OF THE LIBRARY

- WHAT WE DO -

The Friends of the Library have supported the Hood River libraries since 1977. Throughout the years the Friends have made large and small contributions to the library. One of the biggest impacts the Friends have on the library is through their volunteer efforts.

If you would like to get involved by volunteering, please contact volunteer@hoodriverlibrary.org or call 541-387-7067. Or visit our website friends@hoodriverlibrary.org.

The Friends financially support the Summer Reading program and the Hood River Reads program. The Friends of the Library Pat Hazlehurst Endowment Fund has contributed toward the programming for all ages at the library.

MISSION /VISION

At Columbia Gorge Food Bank, we put people experiencing hunger at the center of our work. We envision a community where everyone can access nourishing, culturally relevant food and have the opportunity to thrive.

Our food programs and partnerships strengthen the region by sourcing, storing, and distributing food efficiently to local pantries and community organizations. We strive to build a more just and connected society — because no one should be hungry.

WHAT IS A FOOD BANK?

Unlike a food pantry, we don't distribute food directly to individuals. Instead, we focus on sourcing, storing, and moving food efficiently to the places where it's needed most.

WE ARE LOCAL.

We understand the unique needs of the Gorge and work closely with community partners.

WE STRENGTHEN THE NETWORK.

Our warehouse and logistics capacity help local pantries focus on serving people — not managing inventory or transportation.

WE RESPOND TO DISASTERS.

From water outages to wildfires, we keep food, water, and essential resources flowing during emergencies.

Columbia Gorge Food Bank

- PROGRAM OVERVIEW -

Columbia Gorge Food Bank serves Hood River, Wasco, and Sherman Counties as the regional food bank. As part of the Oregon Food Bank Network, we connect statewide food resources with local pantries and community partners — ensuring nourishing food reaches people in need across the Gorge.

How We Move Food Where It's Needed

Food sourcing: We receive food from the government, grocery stores, local farmers, orchardists, and community food drives.

Food distribution: Using data-driven and equity-focused strategies, we distribute food where it is needed most.

Food safety & compliance: We follow strict food safety requirements and help local pantries maintain compliance.

Disaster response: We prepare for and respond to crises to keep food, water, and essential resources flowing.

Community support: We invest in partnerships and programs that strengthen long-term food security, helping local pantries operate more efficiently and sustainably.

- GIVING OPPORTUNITIES -

Donate:

Your support helps us source and distribute nourishing food for more than 30 pantry partners across the Gorge. Make a gift online at [Donate.ColumbiaGorgeFoodBank.org](https://www.Donate.ColumbiaGorgeFoodBank.org). Every contribution helps ensure our neighbors have reliable access to food.

Food & Fund Drives:

Organize a drive with your workplace, school, or community group. We provide the tools, guidance, and support to make it easy to gather food and funds that directly benefit our regional network. Drives can be tailored to your group's size, interests, and schedule, helping raise awareness and resources in meaningful ways.

Youth Empowerment Shelter

- PROGRAM OVERVIEW -

Youth Empowerment Shelter (YES) provides housing and crisis services to youth ages 10-24 years old. We have two main housing programs as well as additional community based supports. Our largest program is the YES House, which is a 24/7/365 crisis shelter for youth ages 10-19 years old. YES House provides access to basic needs: shelter, food, clothing, and safety, as well as supportive services like life skills and case management. Since 2016, YES House has provided over 10,500 nights of shelter to youth in need. The second main YES program is the Transition House. Transition House is a subsidized rental program for young adults ages 17-24 years old that are experiencing homelessness. While offering an affordable living space, the program also provides weekly case management and life skill building support to help young adults prepare for independence. Along with our main programs, YES provides several community-based services. These services include: weekly NA meetings for young adults, weekly Art program with a local artist, ongoing Magic the Gathering nights for the community, outreach services, and family support services like mediation. Youth Empowerment Shelter is the only organization in the Columbia River Gorge that focuses solely on youth experiencing homelessness. Together, we are making sure that no youth in our community falls through the cracks.

- GIVING OPPORTUNITIES -

Ways to Give to YES

1. Become a monthly donor. Donate by check, set up a bill pay option through your bank, or sign up to become a monthly donor on our YES website.
2. Link your Fred Meyer account to YES. Once linked, Fred Meyer will donate to YES every time you make a purchase.
3. Donate your cans and bottles. YES has an ongoing blue bag bottle drive fundraiser. Simply grab a blue bag in the back, fill it up with cans and bottles for deposit, and drop it off on our porch. All of the money earned from this drive goes directly to the youth at YES through activities, events, earned income opportunities, and more!
4. Green Bag Bottle Drop. Do you already have a Green Bag Bottle Drop Account? Consider donating your account funds to YES!
5. Purchase supplies on our Amazon Wish List. Items include backpacks, water bottles, socks, weighted blankets, and more. All of the items on the wishlist will go directly to the youth we serve when they enter our programs.
6. Sign up to be a volunteer at one of our events.
7. Are you 70 ½ or older? Consider a QCD (Qualified Charitable Distribution) from your IRA, and exclude the amount from taxable income.
8. Fundraise on Facebook for a special event (ex: birthday, anniversary), listing YES as the charity recipient. Click Fundraisers on the left side of your newsfeed and follow the instructions.
9. Ask your employer to match your contributions.
10. Consider naming YES in your will.
11. Subscribe to our newsletter
12. Spread the word about our programs and services!

MISSION

At Helping Hands Against Violence, we stand beside survivors of domestic and sexual violence during one of the most difficult moments of their lives. Our mission is to empower survivors with a sense of safety, healing and hope. Every day, we meet survivors who are facing unimaginable fear and uncertainty. Some arrive at our shelter with nothing more than the clothes they're wearing. Others call our crisis line in the middle of the night, desperate for help, compassion, and hope. For these individuals and families, Helping Hands is often the first safe place they've known in a long time.

Helping Hands Against Violence, Inc

- PROGRAM OVERVIEW -

Helping Hands Against Violence makes a profound difference in the lives of survivors by offering safety, stability and compassionate support at a moment of crisis. Our 30-day emergency shelter provides a safe environment where survivors can escape physical danger, emotional abuse and ongoing control and gain the space to breathe, recover, and make decisions without fear. Our shelter houses up to six families, where each family has their own room and 24/7 ability to connect with staff trained to respond to trauma with empathy and respect.

Helping Hands advocates offer crucial emotional support. They help survivors process their experiences, rebuild self-esteem, and understand the dynamics of abuse and how to break through the barriers ahead.

At Helping Hands, survivors—whether they need shelter or not—receive help with essentials such as food, clothing as well as guidance in navigating legal systems such as obtaining restraining orders or pursuing custody arrangements. Our advocates help with employment resources and housing searches, helping survivors regain independence and long-term stability.

Ultimately, Helping Hands empowers survivors to reclaim control of their lives. We provide the tools for survivors fleeing abusive situations to build a foundation of safety, dignity, and hope from which it becomes possible for them to envision a future free from violence.

- GIVING OPPORTUNITIES -

With your help, we can ensure that no survivor is turned away, no child is left without safety, and no voice goes unheard. Together, we can be a beacon of hope for survivors in Hood River and beyond.

SafeSpace Children's Advocacy Center of the Gorge

- PROGRAM OVERVIEW -

The objective of SafeSpace Child Advocacy Center is to ensure a coordinated, child-centered, and trauma-informed response to allegations of child abuse. SafeSpace's aim is to reduce trauma for children and their families by providing a safe, supportive environment where forensic interviews, medical evaluations, advocacy, mental health services, and multidisciplinary team (MDT) collaboration occur in a streamlined and effective manner. Through this coordinated approach, SafeSpace seeks to promote healing, increase access to services, strengthen investigative and prosecutorial outcomes, and enhance community protection

- GIVING OPPORTUNITIES -

Entirely donation-funded and operating at two locations, we assist more than 100 individuals and families each year. Our mission is to empower and equip women—regardless of circumstance—through compassionate, confidential, and cost free services.

We provide free limited medical services of pregnancy diagnosis and support for anyone facing an unplanned pregnancy, including options counseling, nurse-administered urine pregnancy tests, limited obstetrical ultrasounds, nursing consultations, and referrals. Whether exploring options, seeking information, or simply needing a safe and supportive place to decide, we offer judgment-free care from medical staff who truly care.

Our Parenting Program supports clients from pregnancy through their child's first birthday. Women and their spouses or significant others can participate in individualized or couple-based prenatal and parenting coaching. Using the learning platform (BrightCourse) of video-based education, clients learn and grow on topics like pregnancy, labor and delivery, infant care, parenting, finances, and emotional, physical, and spiritual health. Clients meet weekly with an advocate for encouragement and support; each completed appointment earns points redeemable in our baby boutique, stocked with diapers, wipes, clothing, and other essentials. To celebrate each birth, we provide a donated layette of new baby items and offer postpartum kits to support mothers after delivery.

- PROGRAM OVERVIEW -

Washington Gorge Action Programs is the 'Community Action Agency' for Klickitat and Skamania Counties. We are a multi-purpose human services organization dedicated to helping individuals, families, and communities address basic human needs.

Each year, thousands of people turn to WAGAP for short-term assistance and long-term solutions to help them take control of their lives and their futures. Programs offering Nutrition Assistance, Emergency Housing, Domestic Violence Prevention, Care Coordination, Home Energy Assistance, and more ensure that WAGAP is fulfilling the promise of Community Action.

Together, we strive to make a better community.

- GIVING OPPORTUNITIES -

Food Bank Network

Washington Gorge Action Programs Food Bank Network leads the effort to address hunger in Klickitat and Skamania counties. Low-income individuals and families are eligible for monthly Food Boxes. A special Senior Box is also available to income-eligible seniors.

Community Youth Center

WAGAP's Community Youth Center began as a recreational and educational drop-in center for school-age youth. The Center has become a vital local resource and an integral part of the community's efforts to provide quality activity options for all children, as well as after-school childcare.

Program for Peaceful Living

Programs for Peaceful Living provides Klickitat County residents with Domestic Violence Prevention and Sexual Assault Prevention. Certified staff are available 24/7 to work with individuals and families that are struggling with the effects of these devastating crimes. *All services are free of charge.*

Decreasing Barriers Fund

Removing roadblocks. Opening Doors. Sometimes, even a small cost, such as an identification card, money for gas or a bus pass, or a few hours of childcare, can stand in the way of safety, stability, and opportunity. The Decreasing Barriers Fund makes sure no one has to choose between covering the basics and taking the next step forward.

- PROGRAM OVERVIEW -

Hood River Rotary- Service Above Self.

The members of this volunteer organization — volunteer, raise money, donate, deliver and support community service projects and help non profit organizations. Here and abroad, through local projects and Rotary international projects.

Rotary Youth Exchange:

Gives students ages 15-19 the chance to discover new cultures, learn a language, and build lifelong friendships while becoming true global citizens. With exchanges in over 100 countries, participants can choose a short-term adventure or a year-long academic experience, living with host families and attending local schools. Room and board are covered, with students responsible for travel costs. Contact your local Rotary club to start your journey toward leadership, cultural understanding, and peace.

- GIVING OPPORTUNITIES -

Rotary High School Scholarships

Our largest beneficiary every year is local youth — our future leaders. Each year, Hood River Rotary scholarships support continuing education to high school seniors, to help them pursue their dreams. Every year, Hood River Rotary donate between \$30,000-40,000 in local scholarships. It's not just a donation. It's a wise investment. Because youth are the future leaders of our planet. Making a donation to the Hood River Rotary Foundation can help a senior

Volunteer Opportunities:

There are lots of opportunities to volunteer as a Rotarian. Here is working on projects, like building the Next Door Inc. a green house or taking care of our stretch of the highway.

"I cannot say that picking up garbage is a solution for world peace. But I can say that we all came together on a Saturday morning to improve our local community, at least in one small way, and we had fun doing it."

The Crag Rats

- PROGRAM OVERVIEW -

Founded in 1926, the Crag Rats is our nation's oldest all-volunteer mountain rescue organization. We were founding members of the national Mountain Rescue Association and are proud stewards of the historic Cloud Cap Inn on Mt. Hood.

100 YEARS OF SERVICE

On a winter's day just over a century ago, a boy got lost on the flanks of Mt. Hood, spurring a massive search. Days later, a group of friends, mostly orchardists from the Hood River Valley, found the boy and returned him to safety. A few years later, the same Hood River climbers and skiers rescued another lost boy on Mt. Hood. When reporters asked the Hood River men what their group was called, they remembered a wife describing them as a bunch of rats because they spent weekends on the crags instead of with their families. Someone blurted out "we're the Hood River Crag Rats", a name that's become renowned in the annals of mountain rescue..

Since then, the Rats have rescued thousands of lost or injured hikers, climbers, and skiers. In 2026 we're celebrating 100 years of service to Hood River County, the Columbia Gorge, and the surrounding region.

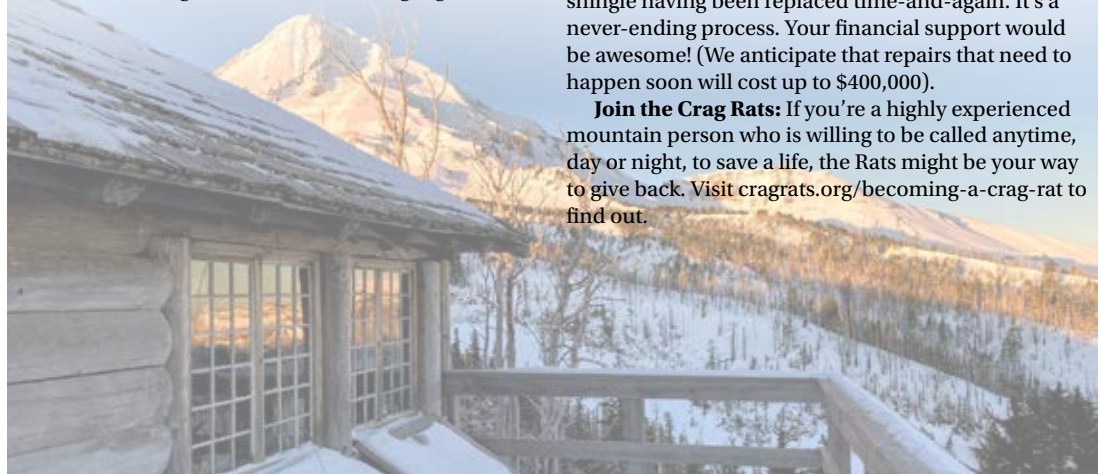

- GIVING OPPORTUNITIES -

Donate: The Crag Rats are 100% volunteer and have no dedicated funding source. We are constantly in need of financial support for rescue equipment. We also have two primary capital campaigns: a new training wall and ongoing maintenance of the historic Cloud Cap Inn on Mt. Hood.

Training Wall: In honor of our Centennial, the Crag Rats will be building a state-of-the-art training facility next to our Hut in the Hood River Valley. We expect this facility to greatly improve our own training abilities, and we plan to open it for use by our neighboring SAR teams. We could really use your donations to help make this happen! (We need an additional \$120,000 for construction.)

Cloud Cap Inn: The Cloud Cap Inn is a beloved log building at 6,000 feet on the north side of Mt. Hood. Built in 1889, the Inn attracted customers from far and wide until it fell into disrepair in the 1940s. That's when the Crag Rats stepped in, maintaining the historic building in exchange for its use as a rescue and training base. The challenge for the Rats is that 100-mile-an-hour winds pound against the wooden walls and roof through much of the winter. Combined with heavy rain and deep snow, the structure needs constant upkeep, with nearly every log, window, and shingle having been replaced time-and-again. It's a never-ending process. Your financial support would be awesome! (We anticipate that repairs that need to happen soon will cost up to \$400,000).

Join the Crag Rats: If you're a highly experienced mountain person who is willing to be called anytime, day or night, to save a life, the Rats might be your way to give back. Visit cragrats.org/becoming-a-crag-rat to find out.

MISSION

The FISH Food Bank mission is to help alleviate hunger by distributing food regularly and on an emergency basis, regardless of gender, race, religion, or sexual orientation and in a friendly, instant, sympathetic, helpful, nonjudgmental and confidential manner.

sponsored by

FISH Food Bank

- PROGRAM OVERVIEW -

At FISH Food Bank we strive to ensure that everyone in Hood River County has access to healthy, nourishing food. With distribution sites in Hood River, Parkdale, and Cascade Locks, we're proud to serve as a trusted resource for our neighbors in need. Our Hood River site also operates as the main warehouse and hub for food distribution across the county.

On average, FISH provides food to more than 600 households each month. Those we serve include children, seniors, unhoused individuals, and hard-working families who need a little extra help to make ends meet.

As a proud Partner Agency of the Oregon Food Bank and Columbia Gorge Food Bank, FISH receives USDA commodities and donated food through state and federal programs. Yet, it is our local community that makes the greatest impact. Thanks to food drives, and donations from individuals, farms, organizations and businesses, we're able to keep our shelves stocked with a variety of foods that meet our clients' needs.

Generous financial contributions also allow us to purchase essential items such as meat, cheese, eggs, milk, butter, fresh produce, tortillas, and other culturally familiar foods that reflect the diversity of our community.

MISSION

The mission of the Hood River County Education Foundation is to enhance the education of students in the Hood River County School District through scholarships, grants, and supporting equitable access to co-curricular and extracurricular activities.

VISION

We envision a community that values educational excellence and equity, where students are prepared to succeed, and where teachers are supported and valued in their work.

Since 1991 the Education Foundation has provided over \$2.5 million in scholarships, \$500,000 in Teaching Grants, and supported a range of educational initiatives and opportunities for students, including music, arts, STEM, water safety, after school care, and athletics.

CARDINAL IG 
HOOD RIVER

Hood River County Education Foundation

- PROGRAM OVERVIEW -

HRCEF believes that education is the foundation to lifelong success. Through our programs, we aim to support students from their first day in Kindergarten through the completion of their post-secondary education.

Scholarships

The foundation manages over 55 grantor-based scholarship funds for Hood River Valley High School seniors and graduates pursuing two-year, four-year or vocational degrees. The Board of Directors Scholarship, funded entirely through community donations and fundraising events, awards scholarships to over 20 HRV seniors and alumni each year.

Impact Teaching Grants

HRCEF offers teaching grants to staff and educators in all district schools. These grants fund innovative classroom projects and materials not covered by the district budget, helping teachers bring creative, hands-on learning experiences to their students.

Opportunity Fund

The Opportunity Fund expands access to co-curricular and extra-curricular programs for students and families facing financial and other barriers. The fund currently supports a range of programs, including need-based after school care, athletic and music program fee waivers for middle school students, science and arts programming, and a 529 college savings plan for kindergartners.

- GIVING OPPORTUNITIES -

Your support helps HRCEF fund scholarships, teaching grants, and educational opportunities that help every student thrive.

Individual & Business Donations

Every contribution makes a difference for our schools. You can make one-time or recurring donations online at www.hrcef.org, mail a check, gift stocks, or contribute through a donor-advised fund. Donations are tax-deductible, and donors may choose to support a specific initiative:

Where it's Needed Most
Scholarships
Teaching Grants
Opportunity Fund
Music in the Schools

Corporate Giving

Businesses play a vital role in our success. HRCEF is happy to provide information for payroll deductions, or to help your company set up a matching donation program or employee giving campaign.

Fundraising Events

Join our annual events, including the 2026 Gorge Wine Festival, E-Bike raffle, or concert. All event proceeds support HRCEF programs. Contact us to learn more about volunteering, attending, or sponsoring an event.

Start a Scholarship

Scholarships provide individuals, families, or organizations the opportunity to directly support students. Scholarship funds are an excellent way to honor a loved one, and HRCEF can work with you to design a scholarship that reflects your values and helps students achieve their educational goals.

Estate & Planned Giving

Planned gifts, such as bequests, trusts, or beneficiary designations can help ensure educational opportunities for students for years to come. Legacy gifts can be designated for existing programs or funds, or be used to create new opportunities. Please contact us for more information on implementing your legacy vision.

MISSION

The mission of the White Salmon Valley Education Foundation is to enrich the education of PK – 12 students in the White Salmon Valley public schools. The Foundation is dedicated to enhancing the quality of public education within our community by creating a stable source of supplemental funding for curriculum enhancement, modernization and innovation in our schools, and investment in our teachers. At least 25% of every donation goes to the WSVEF's endowment fund, which will allow for continued grant funding and support of our schools into the future.

White Salmon Valley Education Foundation

- PROGRAM OVERVIEW -

DIRECT GIVING:

Each year, the WSVEF has invested \$40,000 of community-raised funds directly into grants for White Salmon's schools and teachers. These grants have provided vital tools, training, and enhancements across every grade level and subject area.

In 2025, the White Salmon School District approached the Foundation with a specific request: to prioritize funding for a single program they believe will have the greatest impact on student success. In response, beginning in 2026, our annual grant funds will be dedicated to supporting AVID (Advancement Via Individual Determination), beginning at Columbia High School, and gradually expanding to every grade level throughout the district. The AVID program focuses on college readiness, helping students with writing, organization, and collaboration skills.

GRANT WRITING:

We've accessed more than \$6.4 million in grant funds, generating a 50-to-1 return on investment for our external grant writing efforts on behalf of the District. Grants we have written for our schools have provided after school programs, technological equipment, professional development, field trips, outdoor schools, robotics, musical instruments, and much more.

- GIVING OPPORTUNITIES -

Individual Donations

You may contribute to the WSVEF online at wsvef.org with a credit card, or send a check to PO Box 2231, White Salmon, WA 98672. All donations are tax-deductible to the fullest extent of the law.

Fundraising Events

Join us at our fall fundraising gala, the Gorge Grape Escape! It's an evening of fun and inspiration—all to benefit schools. We welcome your participation as an attendee, event underwriter, or table sponsor. For updates on our 2026 event, subscribe to our newsletter at: <https://wsvef.org/ways-to-give>

Corporate Giving Opportunities

We are happy to facilitate matched donations, employee giving or payroll deductions through your company. Please contact us so we can help you benefit our schools.

Planned Giving

A planned gift is a major gift made during your lifetime, or as part of your overall estate plan. Donations of stock or securities as advised by your tax professional are also welcomed.

Volunteer

The Foundation offers many volunteer opportunities for those interested in supporting educational enrichment for our students. Whether it's serving on the board, or helping with one of our fundraisers, committees or events, we will help find the opportunity that's right for you.

The Next Door

- PROGRAM OVERVIEW -

The Next Door began serving young people in 1971 when concerned citizens in Hood River worked to open a group home for at-risk youth. We soon realized that the problems they struggled with could often be prevented. In response, TNDI began developing prevention initiatives and soon became the largest non-profit social service provider in the mid-Columbia Gorge region. Today, The Next Door has 35+ programs that serve over 13,000 people in a seven-county region throughout the Gorge.

- GIVING OPPORTUNITIES -

When the world around us feels heavy, the biggest difference we can make is right here at home. By giving locally to The Next Door, you're supporting:

- The kids who walk into our schools each morning with big dreams,
- The tribal families along the river who carry generations of strength and tradition,
- The farmworkers in our orchards who rise before the sun to grow and harvest our food,
- The Latino entrepreneurs who work long hours to build a lasting legacy that will support our local economy,
- Families with young children who are eager to find their village in our community,
- Youth who need a safe, caring environment to become the best version of themselves,
- Foster parents who open their hearts and their homes to provide one for them,
- The LGBTQ+ community yearning for a safe, welcoming space to belong in the Gorge, and
- The people who show up and give their heart, time, and their all every day to serve others and help fulfill our mission

Your gift doesn't have to be big to matter. When we all give what we can, it adds up to real, lasting change right where we are.

Ways to give include:

Hood River County Heritage Council
is the 501c3 nonprofit that manages
The History Museum.

MISSION

To celebrate Hood River County and the mid-Columbia River Gorge area's diverse cultural heritage and preserve its unique story.

To hold in trust a collection of artifacts and documents relevant to the region's heritage.

To bring to life the stories of this heritage through education, discussion and exhibition.

To encourage the value of understanding how history shaped the past, impacts the present, and influences the future.

VISION

The History Museum is a vibrant center for engaging all people in a better understanding of the community's heritage that preserves the past, relates it to the present and shapes our future.

sponsored by

History Museum of Hood River County

- PROGRAM OVERVIEW -

In 2025, the museum presented a special exhibit and speaker series about water sports in Hood River and the Gorge which attracted a lot of interest in this unique recent history. We also opened a new Latino History exhibit, *Nuestras Raices*, all in Spanish with English interpretation. We hope this will be a model for other museums in the Gorge. In September, our *Timewinder Tales Poderosas!* production shared the stories of four powerful and influential Latina women from our community. The production was in Spanish with simultaneous English interpretation, a new experience for many English speakers and a good opportunity to understand what Spanish speakers in our community experience.

In 2026 we will continue bilingual presentations, with plans for a special quinceanera exhibit. We are also planning a youth speaker series to give local young people a chance to express their hopes for our community and country in the future. This series will complement the temporary exhibit, *The Pursuit of Happiness* that captures the heart of festivals, events, and celebrations that bring communities together across the state, with photos by Peter Marbach. The museum will continue to host groups of students for tours of the museum, as well as outreach to local classrooms.

The History Museum needs your support! The cost of storing and caring for the museum's collection, owned by Hood River County, has become a large financial burden for the Hood River County Heritage Council. Please consider a membership, donation or sponsorship to help keep our local history alive for future generations.

- GIVING OPPORTUNITIES -

The History Museum of Hood River County preserves our region's rich heritage, safeguarding stories, and securing a powerful legacy for future generations. We ask you to contribute to this mission.

Ways to Get Involved

Volunteer Your Time: We welcome your skills monthly or weekly. Opportunities include greeting guests, assisting in the gift shop, leading tours as a docent, or joining a committee. We especially seek individuals with financial, development, or marketing skills for our Board of Directors.

Become a Member: Membership is an easy way to support the Museum. All members receive free entry, reduced rates in our gift shop and for ticketed events, and access to exclusive, member-only events.

Financial Contributions

We are raising funds to ensure a sustainable future for the Museum.

Direct Donations: Donate any amount by cash or credit card, or set up a monthly sustainer donation.

IRA Rollover Gift: If you're 70½ or older, you can directly transfer up to \$100,000 per year from your IRA. This tax-advantaged gift qualifies as your Required Minimum Distribution (RMD), helping you lower your taxable income.

Planned Giving: Leave an invaluable legacy through bequests, trusts, or retirement funds. Contact us to discuss your intentions.

Corporate Matching Funds: Check if your employer offers a matching program to double the impact of your annual donation.

Donate Stock: Donating appreciated stock offers a dual tax benefit: a deduction for the stock's market value and exemption from capital gains taxes.

Oregon Cultural Trust Tax Credit (Oregon Residents): Double your contribution at no extra cost. Donate to the History Museum, then make a matching donation to the Cultural Trust. You receive a 100% tax credit on your Oregon State taxes for the matching gift, doubling your support for the price of your initial donation.

We appreciate your commitment to preserving Hood River County's history.

Columbia Gorge Fruit Growers

- PROGRAM OVERVIEW -

Columbia Gorge Fruit Growers is a non-profit organization that represents the pear, apple, and cherry growers in five counties of the Mid-Columbia region of Oregon and Washington. Since its inception, Columbia Gorge Fruit Growers has invested in scientific studies to identify practices that benefit people and the environment, funded local migrant farmworker support programs and student scholarships, and provided educational opportunities for growers and farm employees to ensure safe workplaces.

We serve as a unified voice for the fruit growers, advocating for research-based agricultural policies and practices. CGFG provides industry insights and collective resources to its members, supports growers through the exchange of information, and gathers statistical data to inform industry-wide analysis.

By collaborating with our partners, we encourage and promote research, educational and legislative practices that protect our farm employees, the environment, and the future of the tree fruit industry in the Pacific Northwest.

- GIVING OPPORTUNITIES -

• **Donations:** Direct payments can be made via cash or check payable to Columbia Gorge Fruit Growers in support of our programs and services:

• **Educational Training and Workshops:** Workforce development courses in Spanish and English to increase knowledge of on-farm health and safety practices and horticultural knowledge, including First Aid/CPR, pesticide safety, supervisory skills and leadership, soil and water management, etc.

• **Living Among Orchards:** We publish and distribute a written guide for those living in, moving to, or visiting the Gorge to help them understand what goes on throughout the year in a commercial tree fruit orchard, including the yearly schedule of orchard activities, what you can expect to see and hear, and what people need to know when living among commercial agricultural operations.

• **Migrant Farmworker Programs:** Support for migrant farmworkers, including summer school programs for children during the summer harvest season.

• **College Scholarships:** We provide scholarship funding for the children of our members and orchard employees as they work toward higher education.

• **Agricultural Research:** We support our local scientists and researchers as they investigate innovative methods for horticultural practices, including new fruit varieties, irrigation practices, pest control, use of technology in the field, and post-harvest storage of fruit.

MISSION

Mt. Adams Resource Stewards (MARS) works to enhance the resilience of forests and communities through stewardship, collaboration, and innovation.

VISION

Mt. Adams Resource Stewards envisions a future where resilient forests and thriving communities go hand in hand.

Through collaborative stewardship, strategic land acquisition & management, and innovative solutions, we care for vital landscapes, reduce wild-fire risk, and promote economic and ecological sustainability. We ground our work in local values and local workforce development to foster deep community connections with the land.

Our commitment ensures that forests remain forests, native species thrive, communities remain engaged, and the land continues to sustain both people and nature for generations to come.

Mt. Adams Resource Stewards

- PROGRAM OVERVIEW -

Driven by the belief that healthy forests, lands and communities are inseparable and are better off when local people are empowered as stewards, our programs include:

The Mt. Adams Community Forest, owned and managed by MARS, conserves important working forestlands in western Klickitat County to ensure that local forests are forever forests, managed for multiple community benefits: economic, environmental, educational, cultural, and recreational. Over 1,800 acres have been purchased that are actively managed for long-term forest productivity, habitat, fire resiliency and public access. And we continue to grow.

Our Fire and Fuels Program is advancing multiple initiatives to increase the safety of local communities and restore the health of area forests. We employ a highly skilled stewardship crew, a prescribed fire program that strategically uses "good" fire to reduce the threat of catastrophic wildfire, and are constructing miles of fuel breaks in West Klickitat County. Our Fire Adapted Communities Program provides support for wildfire risk reduction at the home and neighborhood levels.

Our Cooperative Land Stewardship Program takes an "all lands" approach, working with partners to provide capacity to increase the pace and scale of forest stewardship on public and private lands. We currently provide staffing to the Gifford Pinchot National Forest and US Fish and Wildlife Service.

Our Native Species Recovery Program works closely with partners to support the recovery of native species. Recently, MARS crews have played an integral role in the rebound of the Oregon spotted frog population in the Glenwood Valley.

MISSION & VISION

Created in the late '40s as a Development Association, the Mt. Adams Chamber of Commerce is organized to promote business involvement to enhance a vibrant community. Our goal is to see our local communities thrive by creating positive connections that spark synergy and momentum.

Established in 2016 and operated by the Mt. Adams Chamber of Commerce, the Northshore Community Foundation was created to foster awareness and innovation in Art, Agriculture, Education, Health and a Sustainable Economy among our Columbia Gorge Northshore Community residents by providing grants, scholarships, educational programs and events which feature and focus on these aspects.

Mt. Adams Chamber of Commerce

- PROGRAM OVERVIEW -

Mt. Adams Chamber makes a difference in our community. We cannot do this without you.

3 ways this chamber is working for you:

Even in a tight economy, the Mt. Adams Chamber continues to drive meaningful benefits and positive impact in our community. Here are just a few 2024-2025 highlights:

Grant Funding: \$619,000 in grant money gained to support local businesses and tourism projects

Connections: More than 50 business networking events

Quality of Life: \$60,000+ reinvested in Big Art and town beautification projects

The annual White Salmon Wildflower Festival, Wine Walk and Nights in White Salmon are examples of how we work toward a sustainable economy by showcasing our local talents and bringing visitors from across the region to partake in all the Columbia River Gorge has to offer. A diverse array of artists call this place home, and we are proud to provide this opportunity for their work to be viewed and purchased.

- GIVING OPPORTUNITIES -

The Northshore Community Foundation's Art For Schools program is in place to help develop local talent so they may one day find their career path aligned with their passion and skills. The money is split between four under-served local schools to supplement their student Art Program. These are Klickitat, Lyle, Wishram and Centerville. One school has a \$300 annual budget for the entire student body. Every dollar really does make a difference. Your charitable donations to these students supports talent and promotes creativity.

Sponsorships & Donations are always needed and appreciated. Sponsors are needed for the Northshore BIG Art installations, our MAC Member Mixer, White Salmon July 4th Parade & Music in the Park, Mountain Town Throwdown, and White Salmon Village Lights. We accept in-kind donations for auction/raffle items all year around. We need monthly hosts for our Morning Connections 8-9 am on the third Thursday of each month and Business After Hours 5:30 - 7 pm on the second Thursday of each month.

We are pleased to participate as a stakeholder in the annual Community Cleanup of Bingen - White Salmon. If you would like to sign up as a volunteer or sponsor, please contact us. Community Cleanup brings residents together to host a two day event where loads are sorted and deposited at stations accordingly. This allows us to Recycle, Repurpose and Reuse many things that would have likely ended up in the landfill instead. April 24-25, 2026

We are seeking engaged board members for a three year term. This is an easy board to serve on with an established Executive Director to work with. Our board members are mirrored for both Mt Adams Chamber and Northshore Community Foundation. We meet monthly on the second Thursday from 4 - 5:15 pm.

When you join the Chamber of Commerce as a member, you are supporting the work that we do to promote new and thriving businesses and to host vibrant community events. Our Executive Director would love to speak with you to share details on the benefits of being a member. Please reach out to us and learn how you can be connected.

**COLUMBIA GORGE
COMMUNITY COLLEGE**

Columbia Gorge Community College Foundation

- PROGRAM OVERVIEW -

The CGCC Foundation exists to make higher education and workforce training attainable for more students in the Columbia Gorge, especially those who might not otherwise imagine a college experience. Each year, the Foundation stewards and awards nearly \$200,000 in scholarships that help cover tuition, books, and fees so students can focus on learning rather than on how to pay their next bill. These scholarships are designed to recognize financial need and student promise, supporting people returning to school, first-generation students, and those preparing for in-demand careers.

Beyond scholarships, the Foundation invests in college programs and facilities that expand opportunity for the entire region. Recent projects include support for CGCC's new regional workforce skills center and student residence hall in The Dalles, which together provide hands-on training space and affordable housing that make college more accessible, especially for our rural and commuting students. The Foundation also collaborates with partners to strengthen career-technical education, including initiatives like the brand new Healthcare Simulation Lab, now up and running to help our nursing students get the best education possible.

By aligning donor investments with strategic college priorities, the Foundation helps build a stronger local workforce, supports business and industry needs, and ensures that education, training, and community prosperity remain closely linked throughout the Columbia Gorge.

- GIVING OPPORTUNITIES -

The CGCC Foundation is an Oregon nonprofit corporation, recognized by the IRS under Section 501(c)(3), Federal Tax I.D. #93-0740519 and gifts to the Foundation directly support students and strengthen the college's ability to serve the Columbia Gorge.

- Unrestricted gifts allow the Foundation to respond where needs are greatest, from scholarships and emergency assistance to program innovation and outreach.
- Designated gifts can support specific priorities such as workforce training, student housing, or scholarships for particular programs, career interests, or communities.
- Endowment funds allow donors to establish a lasting legacy that generates annual support for students and college programs into the future.
- Event-based giving is another high-impact opportunity. The annual Founders Cup Golf Tournament brings together sponsors, teams, and volunteers to raise scholarship funds while building community connections. In 2025, the tournament generated \$30,000 for student scholarships. Businesses and organizations can participate through sponsorships at various levels, in-kind donations, and employee teams.
- Planned gifts, such as bequests or beneficiary designations, offer donors a way to sustain the Foundation's mission over time while aligning with personal financial and estate plans. Many supporters also give through employer matching programs or workplace campaigns, multiplying the impact of their individual contributions.

However you choose to give, your support helps CGCC students live, work, and build their futures here in the Gorge, enriching the communities we share.

MISSION

Northern Wasco County PUD is a “not-for-profit” customer-owned utility serving 25,000 people and businesses in Wasco County. The Neighbor to Neighbor Program offers year-round assistance to help customers facing hardship pay their utility bills through community donations matched by the PUD.

sponsored by

Neighbor to Neighbor

- PROGRAM OVERVIEW -

The Neighbor to Neighbor Program has been in existence since 1990. Through donations from caring customers, employees, and our PUD match program, we aim to:

- Provide emergency assistance to customers facing temporary financial hardship with their electric bills
 - Ensure 100% of collected funds are distributed directly to those in need through Mid-Columbia Community Action Council (MCACC)
 - Keep assistance local – all funds collected stay right here in our community to help neighbors who “fall through the cracks”
 - Offer case-by-case support with one donation per eligible household up to \$125 in a 12-month period
- Neighbor to Neighbor is not a welfare program – it’s a hand up during emergency situations, funded by our community for our community.

- GIVING OPPORTUNITIES -

WAYS TO GIVE – YEAR-ROUND DONATIONS
All donations are matched dollar-for-dollar by Northern Wasco County PUD and are 100% tax-deductible.

One-Time Donations:

- Make a cash or check donation payable to “Neighbor to Neighbor”
- Mail to: 2345 River Road, The Dalles, OR 97058
- Drop in one of our payment boxes at our office or East 3rd Street location near City Hall

Monthly Giving:

- Sign up to have a small amount automatically added to your PUD bill each month using our Neighbor to Neighbor Donation Form
- Even \$5 or \$10 monthly makes a significant impact when combined with other donors

Round-Up Program:

- Round your bill up to the nearest dollar—spare change adds up!
- The difference goes directly to help neighbors in crisis

MISSION

We are committed to strengthening our community by funding a diverse group of critical programs that improve the lives of people living in the Columbia Gorge. United Way of the Columbia Gorge has no specific religious, ethnic, business or other affiliation but exists solely for the benefit of the community at large and all of its members.

BELIEF

When we think outside of ourselves, we have the power to facilitate change. By realizing others' lives are linked to our own, our compassion grows and we influence the condition of all. The United Way believes in the power of unity.

United Way of the Columbia Gorge

- PROGRAM OVERVIEW -

The United Way of the Columbia Gorge (UWCG) is a non-profit organization that is changing thousands of lives in our community by funding a diverse group of local programs that serve basic human needs and foster healthy independence. When you give to the UWCG, your contribution supports the entire community — serving many age groups and demographics.

Here's how it works: local non-profit agencies throughout the Gorge need financial support beyond their own annual fundraising efforts to keep their programs running and provide children and adults the services they desperately need. Each year, any non-profit human service program from Hood River, Wasco, Sherman, Klickitat and Skamania Counties with a two year operating history is welcome to apply for United Way funding.* Applicants undergo a rigorous UWCG screening and interview process to demonstrate how their program will directly help people living in the Gorge.

A team of volunteer Gorge residents representing the five counties selects funding recipients based on stringent standards in governance, ethics, financial management and efficient/effective program operations. Each funded program must also provide detailed reporting on how funding was used with outcome results. Since our inception in 2006, we have invested over \$3 million into our Gorge community. During the 2024-2025 funding cycle the United Way of the Columbia Gorge allocated \$354,500 to 30 local programs.

- GIVING OPPORTUNITIES -

With over 40 volunteers throughout the Gorge, the money we allocate to local agencies is all raised by local people — neighbors helping neighbors. We are proud to say that 100% of the money donated directly by individuals, and through employee payroll deductions, gets channeled to local non-profit programs, as our sponsorship/event income covers all overhead costs.

Fundraising Events

- UWCG Gala-Dinner/Auction (Hood River Council)
- Annual Summer Concert at the Bargeway Pub (Wasco/Sherman Council)
- Art ReLove event (Klickitat/Skamania Council)
- Aaron Meyer Rock the Holidays Concert Benefit
- Music in the Orchard with Aaron Meyer

Make a Donation

Donate a one-time gift, set up an employee matching funds program, or contribute through a monthly payroll deduction. You can donate to the general fund, or designate your donation to a specific non profit organization or county.

Conduct a Company Campaign

Invite our volunteers to inform your employees of United Way's work in the Gorge, and give them the opportunity to become involved as volunteers or financial supporters through a payroll deduction. Corporate gifts and employee matching funds bolster the giving power of your company.

Volunteer

Our work is powered by volunteers. We invite you to be a part of one of our three Gorge councils —Wasco/ Sherman, Hood River and Klickitat/Skamania — or serve on our volunteer allocations committee.

Sponsorship

Sponsor all or part of a fundraising event.

MISSION & VISION

To strengthen our local and global communities through service and fellowship fulfilling the Lions motto,
"WE SERVE"

GOALS

To identify and support projects with both financial and personal involvement, to continually strengthen our community.

sponsored by

White Salmon Lions Club

- PROGRAM OVERVIEW -

The White Salmon Lions club has been a mainstay of community giving since its inception in 1980. We currently are 20 strong but always looking for more members. The primary focus of Lions is vision care, youth support and community involvement.

Our meetings are held on the 1st and 3rd Mondays of each month at 6:00 pm.

COMMUNITY SUPPORT

The Lions are involved in supporting various worthy local causes and all funds raised go back to the local community:

- Scholarships to colleges, trade and vocational schools to graduating seniors from Columbia High School.
- Skyline Hospital
- Washington Gorge Action Programs (WAGAP)
- White Salmon Swimming pool
- Hood River 4th of July fireworks
- Annual White Salmon Easter Egg hunt
- White Salmon School Bus Shelters
- GorgeMakers technical/trade classes
- Highway clean-up
- Annual vision screening at elementary/junior and high schools in Klickitat County
- Eye glasses and eye exams for people needing financial assistance.

JOIN THE LIONS

Joining the Lions is a great way to get involved, meet new friends/neighbors and give back to our community.

- GIVING OPPORTUNITIES -

FUNDRAISING EVENTS

Lions two main fundraisers are:

- Christmas tree sales at Dickey Farms in Bingen. Sales start the Friday after Thanksgiving going through Christmas Eve (or as long as we have trees!)
- Golf Tournament and auction! A 4-person scramble format held at Hood River Country Club the 3rd Saturday in June. After the tournament an auction is held for items donated by various business throughout the gorge. Sponsorship opportunities available for Holes, Carts and auction items.

VOLUNTEERING OPPORTUNITIES

Volunteering for our golf tournament, easter egg hunt, bus shelters, taking care of our stretch of the highway, or general parks clean-up.

DONATIONS

- You can make donations by cash, check or Venmo
- Planned gift giving made during your lifetime as part of your overall estate plan
- Auction items for the annual WS Lions golf tournament in June
