SEASON OF GIVING 2024

We invite you to support these businesses who are asking for your contribution.

The following nonprofit organizations are relying on our end of the year giving. Please understand the importance of the organizations and everything they do to make our communities in The Gorge a better place for us to live. It is their tireless work that lifts up our most vulnerable citizens.

We thank them and hope our readers will give generously where they can. These pages can also be found online at ColumbiaGorgeNews.com for an easy link to the websites to donate.
