BLAINE FRANGER

"We have bought and sold several homes, and Candice was the best realtor we've worked with! Her Hood River roots proved indispensable in a highly competitive market. She was not afraid of being aggressive with negotiations to get our deal done. Candice's overall understanding of real estate market conditions, communication, and timely responses were instrumental in taking this deal to the finish line. She is connected to all the right people and has great contractor references too. She went above and beyond to close our deal! Without question we would recommend and work with Candice again." — Colin N.
