

Recruiting of the 2024 College Football Playoff Teams in 2024 (Including Georgia and Missouri)

There was turmoil at the end of the 2023-2024 that changed up the College Football recruiting landscape. Michigan and Alabamas head coaching departures have led to decreases in the number of blue chip recruits on their respective rosters. This opens the door for other programs. Recruiting data is updated as of Feb. 5.
