

Not wanting to stay in a class?

Here are the different ways that you can leave — and what they mean for you.

Dropping a course

Dropping a class is done through MyZou. There are deadlines to do so, and they may affect financial aid. Dropping a class does not affect your grade.

FINAL DATE TO DROP: Sept. 26, 2022

Withdrawing from a course

If you miss the deadline to drop, you can withdraw from a course. You must go through advising and fill out a form. This may affect financial aid, and you will receive a grade of a “W.”

FINAL DATE TO WITHDRAW: Dec. 5, 2022

Taking an incomplete

If you are unable to complete work for a class, your professor can give you an incomplete. The coursework can be finished in a later semester. You will receive an “I” until the course is finished, which will not affect your GPA.
