Victim [REDACTED]	Offense <i>AGGRAVATED ASSAULT - SHOTS FIRED</i>	OCA 2021-011380 Date / Time Reported Sun 11/14/2021 03:02
THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY		

On November 14, 2021 at 305 hours, I was sitting in my patrol vehicle observing the crowd in front of VibeZ, which located at 19 North Fifth Street. My patrol vehicle was parked in the alley way between the 5/6th Street parking garage and First Mid Bank and Trust, facing westbound. I had my drivers side and passenger side windows down. Sergeant Turner Schuster was talking as he stood next to the drivers side door of my patrol vehicle.

I was telling Schuster that prior to him walking up to my patrol vehicle I could hear people yelling at each other from the direction of the front entrance of VibeZ. I told Schuster that when I looked at the front entrance of VibeZ, I observed 2 to 3 black females trying to persuade a male subject, who appeared to be known to them, to get in their vehicle and leave. I told Schuster that it appeared that VibeZ was closing because I could see people leaving and the bouncers was putting people out.

I then heard several gun shots in succession. Schuster ducked down and took cover, and I was able to get out of my patrol vehicle and take cover. It was at this time I advised Joint Communications of the shots fired. When I looked toward VibeZ, I could still hear gun shots, and I observed a black male suspect running south from VibeZ shooting what appeared to be a handgun, while pointing it behind him. As the black male subject turned the corner, and began running down the alley way between Plaza Tire and the Robert Fay Law Office, he was still shooting/firing the gun. Schuster ran toward him and I could hear what appeared to be an exchange of gunshots between the two. When I ran toward the Alley, I could see Schuster and Officer Pottorff standing over the male suspect, who was on the ground, with their guns pointed at him. I then overheard Schuster say he needed a shield and medic and that the suspect still had the gun in his hand.

As I looked to my right, toward VibeZ I could see what appeared to be 2 females laying on the ground. I also observed several people crying and standing around the females. I made contact with the females and asked if they were injured. It was at this time I observed a large pool of blood on the ground. One of the females said she was shot in the buttock. The other female said she wasn't injured, she was applying pressure the gunshot wound of her friend. As I attempted to move the crowd back, I was met with some resistance. A male subject, who was later identified as Devon Battle, positioned himself next to the female victim that was bleeding. I asked Battle to move back several times, and at one point, I attempted to push him back, and he pushed my hands away, saying he wasn't going anywhere because the female who had been shot was his relative. I then removed my department Oleoresin Capsicum spray and sprayed the Battle in his facial area. This seemed to have the desired effect, and Battle took several steps back. At this point, I could hear someone say "The ambulance is taking to long, let's pick her up". I then observed the female who was applying the pressure to her friends wound had pick her up off the ground. I then told the female subject to put her down and that the medics were enroute. Because of the people who were standing around, and all that was going on, I could no longer see Battle.

At this time Officer Jordan Payne arrived at my location and began applying pressure to the wound of the female who was bleeding. Paramedics arrived shortly afterwards and transported the female subject to the hospital.

After we were able to secure the scene, Battle approached me and asked me for a business card. I told Battle he was under arrest for Interfering/Obstructing a Government Operation. Battle was handcuffed then searched incident to arrest with nothing of evidentiary found on him.

I completed a summons for Battle for being in violation fo Municipal Ordinance 16-221. Issued Battle a court date of December 20, 2021 at 2PM. After explaining the information on the summons to Battle, he was released on his signature with a promise to appear in court.

Please see Case #2021-011379 regarding the arrest of Devon Battle.

On 11/14/2021 at approximately 0302 hours I was patrolling on North Providence Road, I heard a voice on the radio that I recognized as Sergeant Schuster call out that shots had been fired at VibeZ. I responded to VibeZ Lounge located at 19 North Fifth Street.

When I arrived on scene there was a group standing in the crosswalk yelling for help. Officer Wulff and I went to check on the group and identified a victim needing medical treatment with the group.

There was another group near a red vehicle located on fifth street. The vehicle was a red SUV with the front end pointed North. The group was yelling towards Officer Wulff and I that there was another victim in the car needing assistance. Officer Wulff stayed with that victim, later identified as [REDACTED]. I went to check on the victim in the car. Officer Scott responded with me to the victim.

While I was with the victim in the car I was informed of another victim inside of VibeZ. I left the victim in the car with Officer Scott and went inside VibeZ to help the victim. The victim was located approximately six feet directly inside the front door of VibeZ. The male victim had a gunshot wound to the upper right arm and the inside of his right thigh. At 0308 hours I applied my tourniquet to the victim's right arm.

The male victim refused to give me his name or any identifying information. I asked the victim what happened or if he saw what happened. There were about ten witnesses still inside of VibeZ. Witnesses inside Vibes stated the victim was outside when he got hit but was carried into the building by the crowd running from the gunshots. The victim did not answer any questions and only stated that he was in pain. Officer Hill identified this victim as [REDACTED] based on a Department of Corrections identification card in his pocket. Officer Hill ran [REDACTED] name through Columbia Police Department's records and later confirmed [REDACTED] identity based on matching tattoos in records.

One of the witnesses inside of VibeZ stated she was the victim's godmother. She told me the victim's name was [REDACTED] with a birthday of [REDACTED] 2004. I asked her to spell the name for me and she was unable to. When medics asked the witness the victim's age she told them the victim was 25 years old.

A total of five victims were transported to the University of Missouri Hospital. Officer Hill and myself responded to the University of Missouri Hospital. I arrived at the hospital at approximately 0320 hours. When we arrived there were already numerous people outside the door to the emergency room.

At the hospital I identified the first victim as [REDACTED] based on my conversation with her. [REDACTED] is a black female who sustained a gunshot wound to the left thigh. [REDACTED] stated she did not see anything that happened. [REDACTED] stated she heard the gunshots so she ran away and was hit with gunfire. I took a picture of [REDACTED] wound and uploaded it to evidence.com.

The second victim was a black female with gunshot wounds to the left shoulder, right ankle, and a graze wound to the right wrist named [REDACTED]. The nurses at the hospital provided me with [REDACTED] identity. I asked [REDACTED] if she saw anything about what happened. [REDACTED] stated she was leaving Vibes when there was a large group arguing outside the front door. She heard the shooting start so she started running and got hit from behind.

The fourth victim was a black female named [REDACTED]. I was advised [REDACTED] had a gunshot wound to the abdomen. This victim was taken to the operating room before I spoke with her. Nurses confirmed her identity for me.

The fifth victim was a black female named [REDACTED]. She had a gunshot wound to the left thigh. [REDACTED] stated she was getting ready to leave when she saw a large group arguing at the front door. She saw a black man in a white coat pull out a gun and start shooting. She stated the man with a white coat was shooting south so she ran north and got hit from behind.

At the hospital [REDACTED] continued to be uncooperative and would not provide me any information.

As I was leaving the hospital at approximately 0700 hours [REDACTED] and [REDACTED] were being discharged from the hospital.

I collected all the clothes the female victims had been wearing off of the floor of the hospital for evidence. All the clothing from the victims was packaged in separate containers. Nurse Ben Coe placed all of [REDACTED] clothes into bags and gave them to me. At approximately 0407 hours Officer Hill gave me a bullet that had fallen out of [REDACTED] clothes. Officer Hill advised me Coe had given him the bullet at approximately 0401 hours. All clothes are currently drying in evidence lockers at The Columbia Police Department before they can be packaged.

My body camera footage has been tagged and uploaded to evidence.com.

On 11/14/2021 at 0302 hours I was dispatched to VibeZ, located at 19 North Fifth Street, for a shots fired.

I was in the Columbia Police Department's garage, located at 600 East Walnut Street, and heard multiple shots fired coming from the VibeZ area. I then heard Sergeant Keisha Edwards over the radio advising shots were fired at VibeZ and needed units immediately.

I arrived at the scene and observed multiple officers on the south side of VibeZ in the alleyway behind a dumpster with their firearms pointing at an armed subject laying on the ground. I grabbed my long rifle and met with the other officers. I observed the subject laying on the ground had agonal breathing and was not responding back to commands.

Once we received a shield, we walked up and secured the subject laying on the ground and his firearm. At that time I observed that I did not have my Axon body worn camera. I was heading to my patrol vehicle to retrieve my camera and put my rifle up until I was made aware of another victim who had been shot.

I grabbed Officer Hoehne's trauma bag out of his patrol vehicle, vehicle 1195, and went to the other victim who had been shot.

The second victim that was shot was a black female, with long black hair wearing a white crop top and black leggings that had rips on the side. I observed she was originally standing on the wall with covered in blood. I observed she then fell to the ground.

I checked over her body to see where her injuries were at. I located she had a bullet wound to her left buttocks. I observed she did not have an exit wound. I used gauze to stuff the bullet wound and put pressure on it. I stayed with the victim until I was relieved by paramedics.

I then retrieved my Watch Guard body worn camera out of my patrol vehicle.

I stayed at the scene to assist with scene security until released. I was unable to receive the name of the female victim before paramedics transported her.

There was nothing further for me to report at this time.

On 11/13/2021 at approximately 0300 hours, I was in the parking lot behind Tony's Pizza, 17 N 5th Street and heard multiple gunshots, East of my location, in the area of 5th Street and Walnut Street.

I began to search the area at 5th Street and Walnut and observed multiple victims with gunshot wounds. While in front of VibeZ, 19 N 5th Street, I heard a second volley of gunshots, unknown direction of fire.

I observed a dark grey/silver, Jeep SUV, leaving the scene quickly. The Jeep SUV was traveling North on 5th Street and turned East on Walnut Street, from 5th Street. The Jeep appeared to be a newer model Grand Cherokee.

I attended to a victim, [REDACTED] providing aid, until medics and fire were on scene [REDACTED] appeared to have a gunshot wound to her upper left shoulder and lower right ankle.

[REDACTED] was found sitting inside the rear drivers side seat of Nakyla Johnson's vehicle, red Ford SUV, Missouri Registration LH4Y4W. The vehicle was stopped on 5th Street at the Walnut Street intersection, facing North.

I made contact with Johnson. Johnson stated they were parked on the East side of 5th Street facing North, in front of VibeZ night club, 19 N 5th street. Johnson stated she was in the drivers seat of her vehicle, heard gunshots and people running and began to drive off. Johnson stated she observed [REDACTED] was injured and ushered [REDACTED] to Johnson's vehicle.

I made contact with the passenger in Johnson's vehicle Cedricona Stewart. Stewart stated she only heard gunshots and saw people running away from the area.

Johnson's vehicle was left on scene for Evidence.

I remained on scene for scene security until I was relieved at approximately 0830 hours.

SCENE OBSERVATIONS:

On 11/14/2021, at approximately 0300 hours, I was stationed in the parking lot behind VibeZ (adjacent to Walnut street) for crowd control and safety measures. At approximately 0303 hours, I heard the sounds of a group of people screaming and then gunfire. Officer Scott "stacked up" behind me and, with firearms drawn, we advanced east on walnut. As we were approaching the corner of Fifth and Walnut several bystanders were fleeing the scene. I also observed a silver Jeep Compass, or Grand Cherokee, fleeing east on Walnut from the scene. One female was hit and went down as we approached. We continued south on Fifth street and I noticed several injured parties. As we approached the alleyway south of VibeZ, I observed several officers "stacked up" in the alleyway requesting a shield and a down suspect in the alleyway. I heard Officer Schuster yell that the suspect was still in possession of the firearm.

RENDERING AID:

I was instructed by Sgt. Edwards to begin putting up the tape. I grabbed the tape and a trauma kit from a nearby patrol vehicle and began administering aid. I administered aid to a female victim (later identified as [redacted]), with Officer Scott, that had been shot in the left shoulder and the right ankle.

INTERVIEWED WITNESSES:

While approaching the scene I lost my notepad and therefore will rely on my body camera to fill in witness information at a later date. However, all witnesses remarked that they did not know any parties involved and did not see anything besides hearing gunshots. I will submit an additional supplement document witness names, information, and statements when I return to work on 11/14/2021.

PERIMETER SECURITY/EVIDENCE:

I noticed several shell casings and other evidence that I placed evidence placards near for later scene documentation. From then on I was instructed to secure the perimeter of the scene, to ensure crime scene integrity, until I was relieved at approximately 0845 hours.

On 11/14/2021, at approximately 0305 hours, I responded to 19 N 5th St, VibeZ, in reference to shots fired.

Upon arrival, I provided scene security and placed evidence tape around the scene.

While on scene, I was contacted by Cory Schmidt. Schmidt stated he is the security guard at VibeZ and witnessed the incident. Schmidt stated he witnessed a black male, approximately 5'02", 170 lbs, with a gold bottom tooth grill, wearing a black Mizou hoodie, black sweats, and a black hat and a light skinned black male, approximately 6'04", 260 lbs (heavy set), wearing a pink hoodie, shooting at each other in front of VibeZ. Schmidt advised he was in the doorway when the incident occurred.

Schmidt further advised both of the males were in VibeZ earlier in the night. Schmidt stated both the males had been outside of VibeZ for approximately 20 minutes. Schmidt advised the males began to argue on the sidewalk in front of VibeZ. Schmidt stated during the argument, both males "instantaneously" brandished firearms and began to shoot at each other. Schmidt advised there was another black male wearing a red hoodie who tried to calm down the male in the pink hoodie during the incident and was shot. Schmidt stated the male with the black hoodie had a black semi automatic handgun. Schmidt didn't see the male wearing the pink hoodie's gun but saw smoke. Schmidt advised there were at least 10 shots fired. Schmidt advised after the males shot at each other, the male with the black hoodie ran south, the male with the pink hoodie ran north, and the male with the red hoodie ran inside. Schmidt also advised a 4 door silver car was damaged by the windows being shot out during the incident. Schmidt advised the vehicle left the scene. Schmidt was unable to provide further information about the vehicle or involved parties.

I helped Columbia Evidence Tech Erin Hull collect evidence, which Hull secured.

During the incident I was wearing my Axon body worn camera, which was later uploaded and tagged as evidence.

Nothing further to report.

I responded and arrived on scene at approximately 0304 hours. Upon arrival I put up crime scene tape at the Southeast intersection of Fifth Street and Walnut. I then made contact with Officer Brad Wulff to see where I was needed. Officer Wulff advised me Officer Elizabeth Hammond was inside VibeZ with a victim.

On 11/14/2021 at approximately 0300 hours, I overheard radio traffic of a shooting at VibeZ, 19 North Fifth Street. Officer Hammond and I were operating a two man marked patrol vehicle and responded emergency to the scene.

We arrived on scene shortly after hearing the dispatch of shots fired. Officer Hammond parked our patrol vehicle near the intersection of Walnut Street and Fifth Street. I observed several individuals standing near the southwest corner of the intersection with what appeared to be an individual on the ground.

I approached the group and saw a female laying on the ground with a gunshot wound to her left upper thigh. I applied a tourniquet to the females left thigh. During this, I overheard other individuals saying there were other people who were shot. I went to another female who was standing next to the building at 19 North Fifth Street. The female said she was shot in the abdomen, Officer Huffman took over care for this female.

I went back to the female who I applied a tourniquet on and she said she was going to the hospital by personal vehicle. Before I allowed the female to do so, I identified her as [REDACTED]. Officer Anderson arrived on scene and I instructed him to follow [REDACTED] to the hospital and get a statement from her.

Officer Ritter arrived on scene and I instructed him to start putting up crime scene tape. I was advised there was another gunshot victim in the business of VibeZ. I went inside VibeZ and observed that individual had already received care by other Officers.

I went to the south side of 19 North Fifth Street to speak with Sergeant Edwards and Schuster. At this time, I was advised there was an officer involved shooting. I transported Officer Pottorff and Sergeant Schuster to the Columbia Police Department.

On 11/14/21 at approximately 16:04 I took part in the apprehension of [REDACTED] at [REDACTED]. See related case # [REDACTED]. Surveillance was able to positively identify [REDACTED] outside the apartment with a dog, then going back into the apartment building. SCU, VNOC and CID were involved in this apprehension. [REDACTED] was considered armed and dangerous. SCU was assigned to respond to the front door of 3N and knock requesting [REDACTED] surrender based on Det. Papineau's probable cause, at this moment for murder 2nd. SCU went to the front door and announcements and knocks made. Nothing was heard inside then surveillance reported a bedroom window had opened, followed by [REDACTED] jumping out to escape.

I ran outside, still leaving other SCU Detectives at the front door. [REDACTED] was taken into custody. I went back to the front door and continued announcements and to the other occupant to open the door. A female emerged and was taken out to patrol cars. I assisted with securing the apartment for a search warrant. Scene security was maintained by Detective Kile and Overton.

My Axon video was secured as evidence. See other reports and those reports under: [REDACTED]

On 11/14/21, Narcotics Detective Mitch Jones observed [redacted] walking outside his known residence at [redacted] while conducting surveillance in the area. [redacted] went back into his residence prior to Officers arrival. At approximately 1604 hours, members of the Columbia Police Department Street Crimes Unit and Vice Narcotics Unit responded to the address in an attempt to locate [redacted]. [redacted] was identified as a suspect under this case and we were tasked with taking him into custody for it (felony offenses). We were also aware that [redacted] had a felony warrant for his arrest for felony Domestic Assault.

Upon arrival of Officers, the apartment building was surrounded. [redacted] apartment was located on the third floor, north side of the building. Utilitizing a ballistic shield, Detective Dan Lemoins knocked on [redacted] apartment. Detective Lemoins told [redacted] to exit the apartment and show us his hands. Detective Lemoins further announced we were the Columbia Police Department. Multiple announcements were made in order to gain [redacted] compliance to surrender. We could hear movement inside the residence but we received no answer at the front door.

Approximately three and a half minutes later, Detective Scott Decker advised [redacted] had opened the east apartment window. [redacted] jumped out of the third story window in an attempt to escape. Other Officers and I ran outside and we responded to the east side the building. Upon our arrival, [redacted] was proned out on the ground at gun point by Detectives. Detective Brad Overton and I placed [redacted] into handcuffs without incident. We searched [redacted] and nothing of evidentiary value was located on his person. [redacted] asked what he did. Detective Overton and I picked up [redacted] from the ground and he was escorted to a patrol vehicle. [redacted] was placed in the rear of patrol vehicle 1102. I searched [redacted] boots and nothing of evidentiary value was located inside them. Officer Chris Horn arrived on scene and [redacted] was then placed in the rear of his patrol vehicle (1106). Officer Horn transported [redacted] to the Columbia Police Department.

Joneiqua Sanders was detained by other Officers inside the residence and brought outside by Detective Scott Decker. It was apparent that Sanders was intoxicated. Sanders was escorted to our patrol vehicle. Sanders said she had anxiety and she was going to throw up or have a seizure. Sanders stated she was asleep and she didn't know why we were at the address. Officer Spirit Stevens arrived on scene and she searched Sanders. Nothing of evidentiary value was located on Sanders. Sanders indicated [redacted] was in the house but he "jumped out". I left to speak with other Officers about what was going on, while Officer Stevens remained with Sanders.

I tried to read Sanders her rights using my Department issued Miranda card. I was not able to completely get through the Miranda warning due to Sanders demeanor and interruptions. I was not able to confirm that Sanders understood her rights, therefore I did not interview her while she was in custody. Sanders said she told [redacted] not to jump out of the window. Sanders indicated she drives knowingly without a drivers license. Sanders stated she has a medical marijuana card but that was not substantiated.

I spoke with Sanders further. I was advised I could release Sanders from custody and give her purse back to her.

Sanders advised she was at VibeZ when the shooting happened. Sanders stated [REDACTED] didn't kill "him". I told Sanders that Detectives needed to speak with her. I was then advised that we needed to keep Sander's purse. Sanders was frustrated with the fact that her purse was taken. I placed Sanders purse in my patrol vehicle until I was given further instruction. Once I was given word, I gave Sanders her purse back without her phone. Utilizing her phone, I assisted Sanders with using her phone to arrange a ride away from the apartment complex. Sanders was able to make phone calls to arrange a ride.

I talked to Sanders about VibeZ and she stated she seen "them". Sanders advised when "they" stopped shooting, she opened the window and saw "all bitches limping and holding their arms and shit". Sanders stated she didn't know who was shooting but there were a lot of people outside at the time. Sanders is referring to this case. Sanders advised she "hit the floor" when the shooting started. Sanders said she works at the bar in VibeZ and she didn't see any altercation in the club prior to the shooting. Sanders said the owner of VibeZ was there as well. Sanders advised "Tiana" and "Z" were shot during the incident. When talking to Sanders about keeping her phone, she said there wasn't anything in her phone. Sanders clarified that [REDACTED] told her to "pull up". Then Sanders stated she was referring to her coming to the apartment.

Sanders advised when she was sleeping in the apartment, [REDACTED] woke her up and told her that the police were outside. Sanders said [REDACTED] stated he was going to jump out of the window. Sanders stated she told [REDACTED] not to jump because the police would be there. Sanders stated [REDACTED] told her that he had a warrant for his arrest. Sanders ended up walking from the apartment complex to meet a ride at Boone Hospital (Chad).

Detective Lemoins and I responded to CPD to assist with [REDACTED]. While in the holding cell area, Detective Decker was present with EMS. It was decided that [REDACTED] was going to be transported to the University of Missouri Hospital for treatment for the leg injury he sustained while fleeing/ jumping from his apartment window. CSI Erin Hull took photos of [REDACTED] prior to transport. I rode with EMS to the hospital while Detective Lemoins escorted in a patrol vehicle. Detective Lemoins and I remained at the hospital while until we were replaced by Officers Nate Scott and Parker Euer. [REDACTED] was eventually processed and released into the custody of the Boone County Jail for his offenses.

On 11/16/21 at approximately 1413 hours, I completed an arrest sheet for [REDACTED] for felony resisting arrest in violation of RSMo 575.150F. This arrest sheet was emailed to the Boone County Jail, so he could be arrested on this offense. For further information, please see case number [REDACTED].

After this shooting, I received information from concerned citizens in reference to this case. These citizens have provided reliable information in the past but wished to remain anonymous. I was advised that Quillan Jacobs was at VibeZ with Garrett Murray (aka G). Garrett reportedly lives in the Kansas City area. I was further advised that Melvin Richmond (aka Su Woo) was also involved in the shooting at VibeZ. Richmond claims to be from Chicago and would likely be on the side of [REDACTED] (also from Chicago).

On 11/14/2021 at approximately 0305 hours, I was in the Columbia Police Department garage. I heard a volley of shots, a pause and then another volley of shots.

I heard on the radio, Officers calling out shots fired at 19 North Fifth Street. I arrived in the parking lot of the Plaza Tire on Fifth Street. I went up to where I observed Sgt Schuster, and Officers Euer, Brown and Pottorff. I observed them to have their firearms pointed at a black male subject. I observed the subject to be laying on his back with his right arm on his chest. I observed in his right hand a black semi-automatic handgun.

Sgt. Schuster was asking for someone to bring a shield from the Sgt's vehicle. Sgt. German arrived on scene and I ran to her vehicle. I obtained a soft shield from the back of her vehicle, vehicle 1188. I went back to Sgt. Schusters position and went in front of him and Brown. We approached the male subject and an officer grabbed the gun and threw it. Another officer grabbed the gun and secured it. The male was handcuffed.

Myself and Pottorff turned the male subject over onto his back. I observed the male to have fixed pupils and agonal breathing. I felt for a pulse and did not feel a pulse. Officer Pottorff cut the males hoodie and shirt, and I started CPR.

We attempted to put a chest seal, but the chest seal was not able to work do to the amount of blood. I observed on bullet hole in the left upper chest right about the upper heart to the aorta area. I observed in the right lower abdomen another bullet hole that was also bleeding.

I did CPR for awhile, and observed that the subject was no longer having agonal breathing. I also noted his pupils were still fixed and that there was no pulse.

I had Sgt. German activate my body camera as I was doing CPR as it had failed to activate as I exited the vehicle.

Officer Pottorff has blood on his hands. Assistant Chief Richenberger said Officer Pottorff could wash his hands. I took photographs of Officer Pottorff s hands prior to him washing them.

I uploaded those images to Evidence.com via the Axon Capture Application.

On 11/13/2021 at approximately 0259hrs I was on foot patrol in the Plaza Tire parking lot located South of VibeZ.

I heard approximately 8 shots fired from the direction of the VibeZ entrance.

I observed a black male running around the Southern corner of VibeZ and then observed/heard approximately 4-6 gunshots fired in what I perceived to be my direction. I heard approximately 3-4 bullets pass near my head and patrol car.

I actively believed I was being shot at and Officer Brown was with me during this event. I observed Officer Brown drop to the ground for cover. I told Officer Brown to get into my patrol vehicle.

I drove approximately 25ft and observed Officer Pottorff and Sgt Schuster chasing the suspect. I exited my patrol vehicle to join the foot pursuit. I observed a short exchange of gunfire from Officer Pottorff and Sgt Schuster as I rounded the corner.

I observed a black male supine on the ground holding a pistol in his hand. Officers ordered the male to drop the firearm and he did not comply. A shield was brought to Officers and we moved towards the suspect. The suspect had a firearm which was removed from him by an Officer. I observed the suspect being handcuffed and being rendered medical aid.

I secured the firearm on my person and began to clear the rest of the parking lot to search for suspects, and victims. While searching the parking lot I encountered approximately six citizens who were detained by other responding officers. I set up scene security by hanging yellow evidence tape around the suspect and the scene. Once the scene was secured I placed the suspects firearm in my patrol vehicle which is 1158.

I stayed on scene for approximately an hour and a half before being asked to come to CPD for peer support.

Nothing further.

On 11/14/2021, I assisted in the investigation related to a shooting in the area of 19 N Fifth St. I was aware Quillan Jacobs was involved in a shooting with another subject. Detectives later identified the other subject as [REDACTED]. I conducted surveillance in the area of [REDACTED]. [REDACTED] had utilities in his name at this address for apartment 3N.

At approximately 1550 hours, I observed [REDACTED] leaving the building through the main entrance. I relayed this to uniformed officers. A few minutes prior to seeing [REDACTED] I observed a black Jeep pull on to the lot and park across from [REDACTED] building. A black female exited the vehicle and entered [REDACTED] building. [REDACTED] was walking a dog and returned to the building. Uniformed officers arrived on scene and attempted to make contact with [REDACTED]. I put on my vest with patches that clearly displays Police. I heard officers around the back shouting. I ran to the back and observed [REDACTED] was on the ground. The window for apartment 3N was open and it was apparent [REDACTED] had jumped from the third story window on the north east side of his apartment. A female was in the apartment looking out the window. This was the same female I observed exit the black Jeep.

[REDACTED] was taken into custody and officers made entry into the apartment. Officer's on scene maintained control of the apartment. I was granted a search warrant for [REDACTED] apartment. A search of the apartment resulted in seizing multiple items for evidence.

The following items were discovered in the kitchen:

1. 2 boxes of 10mm ammo
2. 1 loose .40 caliber bullet and 1 loose 300 blackout bullet
3. 1 empty glock pistol magazine and 1 empty rifle magazine

1. 1 Glock G27 box with serial number BCYK136 on the box.
 2. 1 Rifle magazine with 15 300 blackout rounds in it
 3. 1 box of .45 caliber ammo

Two vehicles in the parking lot were identified as [REDACTED] vehicles. A red older model T-top Chevy Camaro and a purple Chevy Caprice. Both of these vehicles were search and nothing was located. The black Jeep was searched and an Alcatel flip phone was located in the Jeep. A set of keys were used to secure the residence after officers were done searching.

The phones collected have been secured for search warrants at a later time. The other items collected were entered into evidence at the Columbia Police Department. The keys were entered as safekeeping to be returned to the owner. A lab request has been submitted for testing the substance inside the press. The substance field tested positive for cocaine. I know [REDACTED] has been named as a source of fentanyl in Columbia by multiple concerned citizens. I also know from my experience in the narcotics unit that fentanyl often shows a false positive on the cocaine field tests.

On 11-14-2021, at approximately 1100 hours, I was called in to assist with a shooting investigation resulting in an Officer involved shooting.

Prior to being called out I had received a call from a Cooperating Citizen with a history of truthfulness and reliability who told me about the shooting outside of VibeZ. The CS told me that [redacted] and SuWu were involved in the shooting. I knew [redacted] to be [redacted] and SuWu to be Melvin Richmond.

When I arrived I met with Detective Sergeant Andrew Muscato and Detectives Wright, Decker, and Ward. I was briefed on the incident and informed Quillen Jacobs was observed firing a gun by Officers on the scene and he was shot and killed by Officers. I was informed there was a second shooter and it was believed Jacobs and the unidentified shooter exchanged gunfire outside of VibeZ and as a result four subjects were struck by gunfire not including Jacobs.

Detective Ward informed there was a witness, Corey Schmidt, who was working security for VibeZ who witnessed the original shooting and gave a description of the unknown shooter. According to Detective Ward, Schmidt identified the unknown shooter as a light complexion black male, approximately 6'04", approximately 270 pounds, wearing a pink colored hooded sweatshirt.

Based on the CS information I received that description would fit [redacted] Detective Decker and I completed a photo line-up that included [redacted] The line-up in order contained the following names;

[redacted]

I called and spoke with Schmidt who agreed to look at the line-up in effort to identify the suspect.

Detective Decker and I met Schmidt at his residence. The interaction was captured on Detective Deckers Body Worn Camera and will be uploaded to evidence.com.

I explained to Schmidt that the I had 6 individual photographs and that the suspect may or may not be included. I further explained I only wanted him to make an identification if he was absolutely positive the suspect he witnessed was one of the photographs.

A layed the first 4 photographs on the kitchen counter and before I could place the 5th picture down Schmidt

pointed to number 3 (██████████). He stated he was positive. I asked if he was sure and said I had two photographs left and Schmidt stated that was him. I asked if he was the guy he observed with a gun and firing a gun. Schmidt replied yes.

I saved the photo line-up that will be submitted into evidence at the Columbia Police Department. I had Schmidt initial and date photograph #3.

I contacted Lieutenant Lance Bolinger advising him there was probable cause to arrest ██████████ on charges related to the shooting at VibeZ. Lt. Bolinger called in the Street Crimes Unit. At approximately 1300 hours, I briefed SCU that there was probable cause to arrest ██████████. Surveillance was put on two known addresses for ██████████, ██████████.

At approximately 1549 hours, Detective Mitch Jones advised surveillance units he observed ██████████ exit ██████████ and was walking a dog. Units responded and ██████████ was taken into custody after attempting to jump out of the 3rd story window.

I observed the screen being shoved out of the window, but did not see ██████████ exit due to obstructions from where I was located. I responded to the where ██████████ was lying on the ground and observed a female looking out the window to ██████████ apartment. I assisted other units in securing the apartment for the application of a search warrant. The female was identified as Joneiqua Sanders.

While conducting a protective sweep I observed various ammunition in plain view within the apartment. I specifically observed .40 caliber ammunition on an end table in the livingroom. I knew .40 caliber ammunition was used by who we suspected was ██████████.

Detective Mitch Jones applied for and was granted a search warrant for the residence. See his supplement report.

Detective Decker and I responded to the Columbia Police Department to conduct and interview with ██████████. We spoke with ██████████ who was in a holding cell. ██████████ complained of his right knee hurting and stated he wished for paramedics to be called to check on his knee. ██████████ was wearing a pink colored sweatshirt and jeans matching the clothing description from the witness. I collected the clothing which was later seized by Crime Scene Investigator Erin Hull.

We contacted EMS who would arrive and examine ██████████. Detective Decker attempted to question ██████████ while I was speaking paramedics. ██████████ invoked his rights and did not wish to make a statement without an attorney.

██████████ was later transported to the University Hospital and escorted by Detective Thomas Quintana and Dan Lemoins.

SUMMARY - Took photographs & collected evidence outside 19 N. 5th St.

On 11/14/2021 at approximately 0326 hours I was called by Sergeant Andy Muscato. Sgt. Muscato informed me an officer involved shooting occurred outside of VibeZ Lounge. Sgt. Muscato informed me multiple shooters were involved in an initial disturbance outside the business, and multiple victims were injured. Sgt. Muscato informed me two Columbia Police officers engaged one of the suspects, later identified as Quillan Jacobs (04/26/1991), and Jacobs was deceased. Sgt. Muscato requested I respond to assist with the investigation. I informed Sgt. Muscato I would respond.

Upon my arrival at the scene in the area of 19 N. Fifth St. the weather was a cold rain with significant wind gusts. I observed Columbia Police officers secured an outer and inner perimeter extending approximately two city blocks. Officers secured the area on Fifth St. from Walnut to Broadway, to the west side of the building at 419 E. Broadway, to the east side of the building at 400 E. Walnut, and the east half of the 400 block of Walnut St. I observed officers already placed multiple evidence tent markers and business cards on the ground, marking potential evidentiary items.

I observed multiple vehicles parked within the secured crime scene. Vehicle descriptions and locations listed below:

- 2020 black Kia Optima MO registration GC2E2Y - parked on southbound Fifth St., east of Plaza Tire;
- 2006 silver Toyota Rav4 MO registration NF9L4N - parked on southbound Fifth St., east of Plaza Tire, directly north of the black Kia Optima;
- 2019 black Nissan Altima MO registration VB9F0W - parked illegally on southbound Fifth St., north of the silver Toyota Rav4 with the rear half of the vehicle blocking the alley south of 11 N. Fifth St. The passenger side of the rear windshield sustained damage from a projectile. Vehicle owner, Kayla Smith (██████████2000), later arrived on scene and provided consent to search her vehicle for evidence. No evidentiary items were located inside the vehicle;
- 2008 silver Chevrolet Impala MO registration ZF0SSR - parked in handicapped spot on southbound Fifth St., east of 11 N. Fifth St.;
- 2017 red Ford Escape MO registration XG4U9J - parked on southbound Fifth St., east of 11 N. Fifth St. just north of the silver Chevrolet Impala. This vehicle received a projectile impact on its rear hatch just to the upper left of the passenger side brake light. The projectile did not penetrate into the passenger cabin of the vehicle;
- 2018 silver Dodge Grand Caravan MO registration RH2Y2V - parked on southbound Fifth St., east of 19 N. Fifth St. at bagged meter spot. Vehicle owner, Mark Whitelaw (██████████/1991), later arrived on scene and provided consent to search his vehicle. A silver/black Ruger SR9 9MMx19 pistol s/n 330-74308 was located inside a black backpack inside the vehicle. The pistol's magazine was loaded with seventeen rounds of ammunition and none in the chamber. The pistol was determined to be unrelated and was not collected as evidence;

I collected for evidence from Fifth St.:

While walking the overall crime scene, I observed a significant amount of broken glass on the northeastern area of Plaza Tire's parking lot located at 419 E. Broadway. The broken glass appeared to be similar in appearance to the glass I previously collected for evidence outside of 17 N. Fifth St. (D). I collected a jar of the broken glass from Plaza Tire's parking lot to be sent for comparison against the broken glass collected outside 17 N. Fifth St.

I continued walking the overall crime scene, and I observed multiple cartridge casings on the parking lot on the west side of 11 N. Fourth St. I observed a black Sig Sauer P365 9mm pistol with blood on it. The first two characters of the serial number were partially obscured and I did not attempt to read the serial number at time of collection. The pistol was loaded with one round CCI NR 9mm Luger ammunition in the chamber, and the magazine was empty at time of collection. I collected the pistol for evidence.

Sgt. Scott Alpers informed me he located damage to the glass window in the back door of the Blind Boone Home. Sgt. Alpers informed me he believed the damage was from a projectile related to the officer involved shooting. I

placed evidence tent marker Y on the ground next to the back door and notified MSHP Ofc. West.

MSHP Ofc. West requested I page the on-call Medical Examiner Investigator on his behalf. I contacted Boone County Joint Communications via radio and requested the ME call me. I was called by Inv. Stacey Huck at approximately 0717 hours. I provided Huck with the case information and she informed me she would be en route to the scene.

Officers collapsed the perimeter down to the north half of the 10th block of both Fourth St. and Fifth St. for search warrant service inside 19 N. Fifth St. Please see my additional supplement for further on the search warrant service inside Vibe Lounge.

Items collected were transported by myself to the CPD to be packaged and placed into Evidence. Photographs taken were burned to a DVD and submitted into Evidence.

Once at the CPD, I was able to read the pistol's serial number under better lighting. The serial number was 66A438185. I observed the original shooting call was already closed in the CAD system. I called Boone County Joint Communications and made phone contact with Supervisor Maddy Luebbert. I requested Luebbert run the pistol's serial number through NCIC, and add its information into the closed ticket. Luebbert informed me the pistol was originally reported stolen under case #2020-012331. I informed Luebbert the pistol was in my custody, and requested she confirm the stolen firearm entry. Please see my additional supplement under related case #2020-012331 for further.

On 11/14/2021 at approximately 0305 hours, I was standing in the parking lot of Plaza Tire Service at 419 E Broadway Street on foot patrol and heard multiple gunshots coming from the area in front of VibeZ club at 19 S Fifth St.

Moments before the gunshots occurred, I was standing next to Officer Parker Euer's patrol car, which was parked in the Plaza Tire Service parking lot. As soon as I heard the gunshots, I turned my attention in the direction of VibeZ and began hearing what I believe to be the sound of bullets travelling in the direction of Officer Euer and I.

I then turned around to get cover and fell on the ground. I then stood up and got into Officer Euer's car. I then witnessed two Columbia Police Officers running after someone with their duty weapons drawn while yelling at the subject to drop the weapon. I then witnessed the officers discharge their duty weapons. Officer Euer drove his patrol car across the parking lot and we got out. I then ran around the corner of Plaza Tire Service and saw a male subject laying on the ground on his back with a firearm in his right hand. I drew my duty weapon and pointed it at the male subject. Multiple officers were ordering the male subject to drop the gun. After approximately three minutes, an officer with a shield arrived and officers approached the male. I then witnessed Officer Gardner Pottorff remove the firearm from the male subject's hand and Officer Euer secured it. I then witnessed officers place the male subject in handcuffs and immediately begin life-saving treatment.

I then witnessed officers halt life-saving treatment and place an emergency blanket over the body of the male victim.

I then secured the scene with Officer Euer by putting crime scene tape up around the parking lot and restricting access to the scene to law enforcement and EMS personnel only. I placed evidence markers next to shell casings and performed scene security until I was relieved at approximately 0600 hours.

My Axon Body Worn Camera was active for this incident and the video has been tagged and saved to evidence.com.

Nothing further.

SUMMARY - Photographed [REDACTED] /collected property at CPD

On 11/14/2021, while at the Columbia Police Department, Detective Scott Decker informed me detectives arrested a suspect in this case, later identified as [REDACTED]. Det. Decker requested I photograph [REDACTED] person. Det. Decker informed me [REDACTED] was downstairs in the holding area. I responded with Det. Decker to the holding area.

While en route Det. Decker informed me [REDACTED] clothing was secured inside a property locker in the booking room. Det. Decker informed me [REDACTED] was wearing a pink hoodie sweatshirt at the time of his arrest. I was previously informed multiple witnesses described the second shooting suspect as a large, light-skinned, black male wearing a pink hoodie sweatshirt. I informed Det. I created a photo lineup using a mugshot photo of [REDACTED] in the lineup. Around 1249 hours on 11/14/21, I went with Det. Papineau when he contacted Corey Schmidt, a witness. See Det. Papinaeau's supplement for further on this contact. My BWC was activated during this contact and later tagged as evidence.

--- contact/arrest of [REDACTED]

On 11/14/21 I assisted in trying to locate [REDACTED]. Around 1545 hours we learned that [REDACTED] was at his residence at [REDACTED]. Around 1604 hours I was maintaining a visual on the rear of this apartment building. I had previously contacted JCIC and asked where in the building apartment 3N would be located. I was told it was the northeast unit.

While observing the rear of the apartment, I saw a male subject begin to crawl out of a third story apartment. The location of the window the subject was crawling out of, was the northeast corner of the building. As I watched this suspect continue to make his way out of the window, I recognized his face as the face from the photo lineup I had done earlier of [REDACTED]. I advised other units via the radio of what I was seeing. After the suspect landed on the ground, I began yelling for him to show his hands. Other officers came from the front of the building to assist in the arrest of [REDACTED]. My BWC was activated during this incident and later tagged as evidence.

Around 1706 hours I contacted [REDACTED] in Holding cell 6. I read [REDACTED] his Miranda Warning. [REDACTED] told me he understood his rights and would talk with me. I asked [REDACTED] to tell me about his whereabouts the night before. [REDACTED] told me he had been out with his girlfriend. I asked where? [REDACTED] told me the Black and Gold club. I asked about where else they had gone? [REDACTED] commented he thought he'd like to have his attorney present. I asked [REDACTED] if he was requesting an attorney and he told me "yes". I ended the conversation with [REDACTED]. My BWC was activated during this contact and later tagged as evidence. [REDACTED] had complained his knee was hurting. [REDACTED] was transported to the hospital to have his knee looked at.

While back at the Police Department, Sgt Dollens delivered [REDACTED] phone to me.

- assist with initial call out
- death notification
- interview of [REDACTED]

On 11/14/21 around 0800 hours called me and asked me to come in to assist with a shooting at Vibes. I was told this incident also had an officer involved shooting. I was told one person was deceased.

Upon my arrival downtown I made contact with Sgt. Muscato. I was told we (Columbia Police Department) would be investigating the shooting that happened in front of Vibez and the Missouri State Highway Patrol (MSHP) would be investigating the officer involved shooting. I met with MSHP Sgt Marcus Reynolds. While speaking with Sgt Reynolds I noticed there was a deceased male in the rear of a white vehicle. I saw a MSHP Trooper using a fingerprint scanner on the deceased male. I was told it came back with a positive identification as Quillan Jacobs.

Next I met with family members at the Police Department. I informed Angie Gay (Quillan Jacobs mother) that he was deceased. Most of the family walked out at this point. One female stated she was Jacobs girlfriend.

I went back to the crime scene. I made phone contact with Kayla Smith, owner of a black Nissan Ultima that had apparently been shot during this shooting. Smith agreed to come to this location and allow access to her car to determine if a spent slug could be found in her car. The car was released to Smith at the scene.

Next, Det. Matt Wright and I went to the University of Missouri Hospital to speak with shooting victim, [REDACTED]. We were able to meet with [REDACTED]. [REDACTED] told us she was in the process of leaving and she walked by two guys that were arguing. [REDACTED] told us she doesn't really know them. [REDACTED] told us as she walked passed them, she heard the shots. [REDACTED] told us she started running, then was hit. [REDACTED] told us she had heard the short subject was the one the police shot. [REDACTED] said the shorter guy was doing most of the talking and stuff. [REDACTED] told us the two guys arguing were right out in front of the business. My BWC video was tagged for this contact.

JONEIQUA SANDERS INTERVIEW AND PHONE RETURN 12/3/21:

On 12/3/21 at approximately 1045 hours Sgt. Matt Gremore informed me that Joneiqua Sanders was at the police station to take custody of her cell phone that had been seized in this investigation. Sgt. Gremore asked me to interview Sanders while he located her phone so it could be returned to her. Sgt. Gremore informed me evidence found during a search of Sanders' phone contradicted her initial statement to police. Detective Kyle Joseph gave me a synopsis of the contradictions by text message prior to the interview.

At approximately 1055 hours I met with Sanders in the lobby and asked her if she would be willing to speak to me while her phone was being located. Sanders agreed, and followed me to the interview room. Sanders mentioned wanting to call her attorney, so I allowed her to go into the interview room alone with the recorder turned off to make her call. Sanders did so, and opened the door soon after and told me her attorney did not answer the phone. The interview began at approximately 1057 hours, and was recorded. I later submitted a copy of the interview to Evidence. What follows is a summary, for complete details see the recording.

I informed Sanders she was free to leave before questioning. Sanders said she did not have an address, and gave [REDACTED] as her phone number. Sanders had a phone with her, and she said the number she gave me was for that phone.

I asked Sanders to go over her whereabouts on the night of the shooting at VibeZ (approximately 0302 hours on 11/14/2021). Sanders said she had to be at work at 10:30 (PM), at VibeZ (19 N 5th Street), but she was late because she was doing hair at her home on [REDACTED]. Sanders estimated she left to go to VibeZ after 11 PM. Sanders told me a friend gave her a ride to VibeZ. Sanders would not name her friend, but said the friend drove a Chevrolet Malibu (she refused to give the color). Sanders said she served drinks at VibeZ until 1:30 AM, and then began to serve chicken. Sanders told me she saw an argument in the front of the club, and the participants in the argument were pushed outside. Sanders said she tried to go outside but was pushed further back into the club because, she assumed, there was about to be a shooting. Sanders said she heard gunshots, and once she got up she opened the curtains and saw female victims. Sanders told me she did not see any males outside. Sanders said she waited inside the club to get paid, which typically was not until all patrons had left. Continuing, Sanders said she grew tired of waiting and left with her friend Mason in his red Chevrolet Impala. Sanders said Mason took her back to her residence on [REDACTED]. Sanders told me she had called Mason for the ride, and he was not the same friend who took her to VibeZ earlier that night.

Sanders went on to say that the next day, she took her black 2011 Jeep Grand Cherokee to brunch at Room 38 (38 N. 8th Street) around 11 AM or noon. After Room 38, Sanders said she went to Level Up at the Columbia Mall (2300 Bernadette Drive, #228). After leaving Level Up, Sanders went to the home of [REDACTED]. Sanders said she was asleep (and drunk) at [REDACTED] house for about 30 minutes to an hour before the police came and arrested [REDACTED]. Sanders said [REDACTED] woke her up and said the police were there and he was going to jump out of the

window, which he did soon after.

I asked Sanders where her Jeep was the night of the shooting. Sanders said it was in her garage at [REDACTED]. Sanders told me her mother and her mother's boyfriend were at the house that night. Sanders said no one drive her Jeep that night, and she did not know how there could be an ALPR hit showing it out and about.

Sanders told me the only time she saw [REDACTED] the night of the shooting was at VibeZ. I asked Sanders what [REDACTED] was wearing the night of the shooting, and she said he wore a pink hoodie.

I asked Sanders about going to The Gold Bar the night of the shooting. Sanders said she thought she went to The Gold Bar, but she was not sure because she was drunk that night. Sanders then said she did not go to The Gold Bar, because she was doing hair that night. I asked Sanders about [REDACTED] sending her money to buy liquor, and Sanders said he did not send her money. Additionally, Sanders said she did not text [REDACTED] right after the shooting and ask if he was okay.

At approximately 1116 hours Sgt. Gremore handed me a cell phone that he said belonged to Sanders. The phone was not in an evidence package, and did not appear to have been submitted to Evidence. The phone was an Apple iPhone with a mirrored case. I noted that the screen was cracked. I took photographs of the phone and prepared a property receipt for Sanders to sign. I went back into the interview and had Sanders identify the phone as hers, and sign the receipt. I gave the phone to Sanders. I later submitted the photos of the phone and the receipt to Evidence in the same package as the interview recording.

On 11/14/2021 I was contacted to assist with a shots fired call at 19 N Fifth Street, VibeZ.

While I was on scene Ashley Friel (██████████) approached the scene and advised she was looking for her fiance Dominic Hunter (██████████ 984, ██████████) as she had not heard from him since 11PM. Friel told me she last knew Hunter was at the gold Bar. Friel advised Hunter had driven a motorcycle that was black with pink rims. Friel stated Hunter was wearing a red hoodie, jeans, 505-506 tall.

A female subject later identified as Mahajanea Prince walked up to the crime scene and said she was trying to see if it was her boyfriend who had died. Prince said "they said my boyfriend was killed". Prince was asked who her boyfriend was and she said Quillan Jacobs. Prince stated someone said he was dead and they said he was shot. I asked Prince for more information about Jacobs and she said his sister is on her way down here and I could get it from her. Prince then walked away from me and went to the other side of the crime scene.

I spoke with Mark Whitelaw who was the DJ working at VibeZ. Whitelaw was inquiring how long it would be before he could get to his vehicle as he lived in Kansas City. Whitelaw's vehicle was parked on 5th Street in front of VibeZ, inside the taped off area of the crime scene. Whitelaw said he was in the back DJing and to his knowledge everything happened outside. I asked Whitelaw if he knew anybody here in Columbia. Whitelaw told me he was an independent contractor and he travels regionally. I asked Whitelaw again if he knew anybody in Columbia and he told me no.

While I was talking with Whitelaw I was approached by R'vell Fair. Fair asked if we were still in the building. I told Fair we weren't but it's still part of the crime scene. Fair asked how it was part of the crime scene and said he got shot outside. Fair said "we was trying to aid them inside, we've been through this before". Fair said "it's petty". I asked Fair what's petty and he told me we trying to help aid them. I told Fair that was a good thing. Fair said I know that's a good thing so why is my building being a crime scene if that's a good thing. I told Fair there was evidence inside the building. Fair asked what evidence and said "there's not no shell casings no nothing". I told Fair there was blood inside and Fair said "that's from him, from us aiding him". Fair then walked away from me.

I was again approached by Prince and Candice Gay (██████████). Gay said if it's her brother he has a set of keys in his pocket with a rainbow and pride on the keychain. I asked Gay who her brother was and she told me Quillan Jacobs. Gay and Prince said he had a grill in his mouth.

After Quillan Jacobs was identified with a fingerprint scanner from the Highway Patrol Officer who responded to the scene the notification was done at the Columbia Police Department as Jacobs Mother was at the Columbia Police Department. I was present when the notification was done.

While I was on scene I observed broken glass in the northern most parking spot on the West side of 5th Street, directly in front of VibeZ, Tony's. I was also told there was a silver sedan and Ford Flex which had driven away

from the scene at a high rate of speed. Officer Wulff told me he was in patrol vehicle 1152 and had driven past VibeZ several times. I reviewed footage from vehicle 1152 as Officer Wulff advised he had driven past VibeZ a few times. When I reviewed the footage from vehicle 1152 I observed a white Ford Escape possibly a 2012 model parked in front of Tony's and VibeZ in the spot where I had observed broken glass on 5th Street. From watching other patrol vehicles in car cameras the Ford Escape drives south on 5th Street and then cuts through the parking lot of Plaza Tire after shots are fired.

I recorded footage after the fact on patrol vehicles 1152, 1108, and 1158.

I reviewed in car camera footage from patrol vehicle 1108 at approximately 0302 hours people start to run from the intersection of 5th and Walnut. There is one suspect who starts to run across the street towards the post office then walks across the street. This suspect goes to the northeast corner of the intersection and then gets into a dark colored SUV. This suspect is wearing a light colored top, jeans, and white shoes. The SUV then drives West on Walnut past patrol vehicle 1108. From this camera I observed the SUV that picked up the suspect to have initially been driving north on 5th Street then drive east on Walnut makes a U-turn in the intersection of 6th Street and Walnut, travels west on Walnut and then picks up the suspect.

I saved security footage from the Columbia Police Department security cameras Walnut and 6th Ext Stairs and Walnut Street West of the SUV making the U-turn in the middle of the intersection. I placed the footage into evidence at the Columbia Police Department.

I canvassed the surrounding area for security cameras and found the following information from the canvass:

First Mid Bank and Trust, 8N Fifth Street- On 11/17/2021 I obtained a subpoena for First Mid Bank and Trust located at 8 N Fifth Street for security footage from exterior cameras on 11/14/2021 from 0200-0400 hours. I served the subpoena in person on 11/17/2021 to Eva Anspach (1989) the assistant branch manager at approximately 1506 hours.

Commerce Bank, 501 E Broadway- On 11/17/2021 I obtained a subpoena for Commerce Bank located at 501 E Broadway for security footage from exterior cameras on 11/14/2021 from 0200-0400 hours. I served the subpoena in person to Dynee Shocks the assistant branch manager.

Post Office, 511 E Walnut- I spoke with James Atkins a supervisor at the post office. Atkins advised there were no exterior cameras on the post office building.

Tribune Publishing, 100 N 4th Street- I spoke with James Beesley who told me the cameras on the building were not working and the exterior cameras were only on the front of the building. When Beesley was referring to the front of the building he was talking about the north side of the building.

Goodwill, 101 N 4th Street - On 11/17/2021 I spoke with Greg Wingert at the MERS Goodwill Career Center located at 101 N 4th Street. I told Wingert I was seeking security footage from 11/14/2021 from 0200-0400 for the cameras which pointed towards the vacant building on Walnut. Wingert also showed me a camera which covered Walnut East of 4th Street. Wingert sent an email to Ron Scanlon to request the footage from both camera angles. I spoke with Ron via phone [REDACTED] and he advised he had already retained some footage when he saw the news article. Ron advised he would send the footage to me when he could.

Vacant building, 400 E Walnut- Contacted Plaza Commercial real estate [REDACTED] and spoke with an employee about the cameras on the building. The employee I spoke with advised she would ask "Paul Land" and have him contact me about the cameras. Lisa called me back and advised Andy Waters([REDACTED]) was the owner of the building. I contacted Waters and spoke with him. Waters told me the security cameras on the vacant building located at 400 E Walnut were not recording.

On 11/19/2021 Ronald Scanlon dropped off a USB Drive with security footage from Goodwill located at 101 N 4th Street to the Columbia Police Department.

The USB drive was provided to Administrative assistant Jade Mills who later provided me with the USB. The USB contained footage from two different camera angles. One was a camera angle from the east side of the Goodwill building and pointed to the southeast. From this camera angel it is possible to the intersection of Walnut and 4th Street and a small portion of the parking lot behind VibeZ. From this camera angel I observed a dark colored SUV driving west on Walnut and turn south on 4th Street. The other camera angel is of Walnut west of 4th Street pointing east. I have placed the USB into evidence at the Columbia Police Department.

On 11/22/2021 I went to Commerce bank and picked up security footage from Haylea Stoker. Stoker provided me with a disc and a business record affidavit signed by Maria Navarro. The Disc provided contained security footage. The disc had video clips from seven different camera angles Ch2, Ch3, Ch6, Ch19, Ch21, Ch22, and Ch23. Ch22 is a camera angle of teh main entrance to the bank and is pointing east.

Ch2 appears to be from the ATM in the drive through. Ch3 appears to be from the main entrance of the building pointing south towards broadway. Ch6 is a view of the drive through window. Ch 19 is a view of the parking lot pointing southeast. Ch 21 is of the ATM on the southeast side of Commerce Bank's building. Ch23 is a camera angle of the southeast corner of the parking lot and is pointed to the southeast.

I then went to Mid State Bank and Trust and picked up security footage from Eva Anspach. The security footage from First Mid Bank and Trust had three camera angles one was of the drive through in between the bank and the parking garage. This angle only had a very small portion of Fifth street and mostly covered the drive through/alley between the bank and the parking garage. Employee parking lot camera angle covered the alley between the bank and the parking garage. ATM camera provided was from the ATM inside the bank.

I have placed to security footage from both Commerce bank and Mid State Bank Into evidence at the Columbia Police Department.

This investigations should be considered cleared by arrest.

Nothing further at this time.

** SYNOPSIS: Officer Gardner Pottorff public safety statement regarding officer-involved shooting **

On 11/14/2021 at approximately 0315 hours, I received a call from the station master at the Columbia Police Department about a shots fired/officer-involved shooting at 19 North Fifth Street (the Vibe club). I responded as a detective supervisor for the investigation.

While on scene, I consulted with Assistant Chief Brian Richenberger and Lieutenant Rick Horrell. They informed me that they believed no one had yet taken public safety statements from the officers involved in the shooting. (I later learned that the victim of that fatal shooting was Quillan Jacobs.) Assistant Chief Richenberger directed me to respond to the Columbia Police Department to gather public safety statements from Sergeant Turner Schuster and Officer Gardner Pottorff.

I interviewed Officer Pottorff at approximately 0520 hours in the shift meeting room at the Columbia Police Department. Present in the room was his attorney. I read to him the Columbia Police Department Public Safety Statement for officer-involved shootings/critical incidents. Reading directly from the form, I told Officer Pottorff it was a compelled statement regarding his involvement and that I would not deviate from the specific questions. I recorded the interview with my department-issued handheld audio recorder. I asked him to answer the following questions to the best of his knowledge.

Q: "Are you injured?"

A: "No, sir."

Q: "From where and in what direction did you fire rounds?"

A: "I was in the parking lot of Plaza Tire, and I fired my...the rounds approximately...westbound."

Q: "In what direction did the suspect fire rounds? Or suspects?"

A: "I'm unaware."

Q: "If you know of anyone injured, what is his or her location?"

A: "There was somebody who appeared to be injured in front of the, the Vibe...whatever you want to call that, like the shopping mall area right there...the strip...the, that row of businesses."

Q: "In front of, you said?"

A: "Mmhm. On the sidewalk, laying down, screaming."

Q: "You said near Vibe?"

A: "Mmhm. It would be to the...south of Vibe."

Q: "If any suspects are outstanding, what are their descriptions?"

A: "None outstanding that I know of."

**** SYNOPSIS: Officer Gardner Pottorff public safety statement regarding officer-involved shooting ****

On 11/14/2021 at approximately 0315 hours, I received a call from the station master at the Columbia Police Department about a shots fired/officer-involved shooting at 19 North Fifth Street (the Vibe club). I responded as a detective supervisor for the investigation.

While on scene, I consulted with Assistant Chief Brian Richenberger and Lieutenant Rick Horrell. They informed me that they believed no one had yet taken public safety statements from the officers involved in the shooting. (I later learned that the victim of that fatal shooting was Quillan Jacobs.) Assistant Chief Richenberger directed me to respond to the Columbia Police Department to gather public safety statements from Sergeant Turner Schuster and Officer Gardner Pottorff.

I interviewed Sergeant Schuster at approximately 0547 hours in the sergeants' office at the Columbia Police Department. Present in the room was his attorney. I read to him the Columbia Police Department Public Safety Statement for officer-involved shootings/critical incidents. Reading directly from the form, I told Sergeant Schuster it was a compelled statement regarding his involvement and that I would not deviate from the specific questions. I told Sergeant Schuster that because we were both sergeants (the same rank) that I could do the interview, or a lieutenant could do it. I asked him if he had a preference, and he said, "You're fine."

I recorded the interview with my department-issued handheld audio recorder. I asked him to answer the following questions to the best of his knowledge.

Q: "Are you injured?"

A: "No."

Q: "From where and in what direction did you fire rounds?"

A: "The alley on the south side of the Vibe club building in a western direction...so firing towards the west."

Q: "In what direction did the suspect or suspects fire rounds?"

A: "I'm not sure if he fired rounds."

Q: "If you know of anyone injured, what is his or her location?"

A: "I believe multiple citizens were injured in the precipitating events. L..to the best of my knowledge they received medical attention."

Q: "If any suspects are outstanding, what are their descriptions?"

A: "I do not believe any suspects are outstanding, as far as I know."

Q: "Does any evidence need protection? And then what and where?"

A: "Make sure to get Watchguard 'record after the fact' from Sergeant Edwards' vehicle, and I believe Officer Euer's patrol vehicle. In addition to the normal shell casings, canvassing for building surveillance and things like that. Body camera."

Q: "Any known witnesses?"

A: "There were a lot of people out there."

Q: "Where are they located?"

A: "I don't know. I've been here for some time."

I concluded the public safety interview with Sergeant Schuster at approximately 0552 hours.

--- interview of Joneiqua Sanders on 11/16/21

Prior to this interview Det. Matt Wright told me the following: that Sanders Jeep had been checked by one of the Police Departments Automatic License Plate Readers (ALPR). I also learned there was video showing what appears to be her Jeep stopped on 5th Street at Walnut Street, then turning right/eastbound onto Walnut Street. I learned there was video showing this same vehicle making a u-turn by the Post Office and then going westbound on Walnut Street toward 5th Street. This vehicle is seen on video stopping in front of the Post Office and picks up a person that appears to be hiding behind a vehicle that is parked on Walnut Street near 5th Street. This vehicle then leaves the area, westbound on Walnut Street.

On 11/16/21 around 1326 hours Det. Chris Papineau and I interviewed Joneiqua Sanders in regards to the shooting that happened in front of VibeZ, 19 N 5th Street.

Sanders told us she was working at VibeZ. Sanders told us she saw people arguing and she tried to see who it was but they got pushed outside. Sanders told us she then heard gunshots. Sanders told us once they stopped shooting, she looked out the window and saw girls shot. Det. Papineau asked Sanders what time she worked til? Sanders commented she wasn't sure because she was drunk. Sanders told us she worked til 1:30am, then told us she was serving chicken after that. Sanders told us she did not know who was arguing. Sanders told us after the shooting she looked outside and saw all these girls shot. Sanders told us she didn't see Quillan. Sanders told us she has known Quillan all her life.

I asked Sanders where did she park at that night? Sanders told us she didn't drive, she got a ride from someone else. Sanders told us she normally parks in front of the Taj Majal. Sanders told us she has a black 2011 Jeep. Sanders told us she got a ride from Mason in his red Impala after the shooting. Sanders told us his car has tinted windows. Sanders told us Mason's name is Xavier Womack. Sanders told us she saw him there and jumped in his car.

Det. Papineau asked Sanders how she got to work? Sanders told us another friend gave her a ride there. Sanders refused to give us this person's name. Sanders told us she went home to her [REDACTED] address after the shooting. Sanders told us she stays there by herself, then told us her mom stays there.

Det. Papineau asked Sanders if she was in a relationship with [REDACTED]? Sanders told us they just talk. Sanders told us she does not consider herself a girlfriend of [REDACTED]'s. I asked Sanders when did she arrive to [REDACTED]'s place? Sanders told us just before we got there. Sanders told us she had been at Level Up then went to his place. Sanders told us she fell asleep once she got there. Sanders told us he woke her up and told her the police was there and he was jumping out the window. Sanders told us he then jumped out the window.

I asked Sanders for consent to download her phone. Sanders declined consent to download her phone. Det. Papineau retained possession of Sanders phone.

I asked Sanders if anyone else had her Jeep over the weekend? Sanders told us no. I asked Sanders if anyone else has keys to her Jeep? Sanders told us no. Sanders told us she only had one key for the Jeep. Det. Papineau explained to Sanders about the ALPR's and that one of them captured her Jeep on 5th Street around 3am at the time of this shooting. Sanders told us somebody must have taken her Jeep. Sanders told us she saw [REDACTED] inside the club but didn't see him outside of it. Sanders told us no one was at her house to use her Jeep. Sanders told us the only ones at her house was her mom and her boyfriend.

I asked Sanders if [REDACTED] has ever gone to her place before and took her Jeep without her knowing it? Sanders told us no. Det. Papineau asked Sanders what time did she go to work? Sanders told us she was supposed to be there at 1030pm but she got there a little late because she was doing hair. Sanders told us she could call the friend that dropped her off at work. I allowed Sanders to use my phone to call this friend. The number Sanders called was [REDACTED]. A male voice answered, Sanders immediately asked this person if he dropped her off at work? This male subject said "yeah", then hung up before I could speak with him. Sanders still refused to tell us the name of this person.

Det. Papineau asked Sanders about a flip phone that had been found in her Jeep. Sanders told us it could be her mom's, or her mom's friend named Carvell (not sure on spelling). Det. Papineau asked if they use her Jeep and Sanders told us, no they ride in my Jeep. Det. Papineau asked Sanders about the call that was placed to this flip phone around 3am and a subsequent text message about "pick up". Sanders denied any knowledge of this activity.

Sanders told us any of the other employees could verify she was there after the shooting. Sanders told us Paula saw her there as she was trying to help [REDACTED]. Sanders told us [REDACTED] is [REDACTED].

I asked Sanders what Quillan was wearing? Sanders told us she didn't know. I asked Sanders what [REDACTED] was wearing? Sanders told us she didn't know and that she didn't go with him that night. Sanders told us she and [REDACTED] are sneaky so people don't know they are messing around. I asked Sanders how long she and [REDACTED] have been hooking up? Sanders told us a couple months, then said five months. I asked Sanders when was the last time [REDACTED] was at her place? Sanders told us she stopped letting him come over because he wouldn't let her come over to his place.

This is a synopsis and not a verbatim account of this interview. A copy of this interview was placed onto a CD and the CD placed into evidence under this supplement.

On 11/15/2021 I began searching through the license plate reader (LPR) database for license plates that showed up near VibeZ located at 19 North 5th Street during the time of this shooting.

It was later brought to my attention that when Street Crimes Detectives arrested [REDACTED] at [REDACTED] Apartment 3N that Joneiqua Sanders was also present. I was also informed that Sanders drove a black Jeep Cherokee.

I remembered from searching the database that a dark colored Jeep showed up in the LPR database. I went back into the database and found that the Jeep passed patrol vehicle 1139's rear LPR camera on 11/14/2021 at 0300 hours. The license plate on this Jeep was TF6Y7M. I ran TF6Y7M through the Missouri Department of Revenue's database and found that TF6Y7M came back to a 2011 Jeep which was registered to Joneiqua Sanders.

Additionally, the TF6Y7M was also read by vehicle 1139 in a parking lot near [REDACTED] at 1623 hours which is when Sanders and [REDACTED] were together when [REDACTED] was taken into custody.

I watched the dash camera footage from 1139. In the dash camera footage from 1139 the black Jeep can be seen driving north on North 5th Street at 3:00:11 before stopping in the street in front of VibeZ. The vehicle stays parked there until the shooting occurs. After the shooting occurs the Jeep can be seen driving north on North 5th Street and then turns east onto East Walnut Street at 03:02:23. A short time later the Jeep can be seen driving west on East Walnut Street across North 5th Street.

I then watched dash camera footage from patrol vehicle 1107 which was parked on East Walnut Street approximately 150 feet to the west of North 5th Street. 1107 was facing east. In this video at 3:02:13 hours multiple people can be seen running north away from VibeZ. One person falls to the ground and is no longer able to run. At 3:02:17 hours a subject in a light colored hoodie can be seen running north east on North 5th Street. This subject stops running and walks behind a truck which is parked on the north side East Walnut Street at the intersection of East Walnut Street and North 5th Street. While this is happening the black Jeep can be seen on the video driving east on East Walnut Street. The black Jeep then does a u-turn in the middle of East Walnut Street in between North 6th and North 5th Street. The Jeep then stops in front of the truck the subject is standing behind. The subject puts the hood on his hoodie up, runs up to the Jeep, and enters the Jeep from the passenger side. The Jeep then travels west on East Walnut Street past patrol vehicle 1107 and off video.

It can not be seen in any of the videos I watched who the driver of the black Jeep was.

I downloaded a PDF report from the license plate reads in the LPR database I previously mentioned in this report. I have uploaded these documents to Evidence.com and have tagged them with this case number.

NAKYIA JOHNSON CONTACT 11/14/2021

On 11/14/2021 I spoke with Nakyla Johnson via phone ([REDACTED]) at about 1434 hours. Johnson contacted Joint Communications at about 1300 hours and inquired about her vehicle, a red 2012 Ford Escape bearing MO registration LH4Y4W. Johnson said she left her vehicle within the crime scene detailed in the original report. During the search warrant served at VibeZ (see other supplemental reports) I took the key from Johnson's vehicle after it was processed by CPD Crime Scene Investigator, Erin Hull.

When I spoke with Johnson, I advised the crime scene had been released and she could retrieve her vehicle. I arranged to meet with Johnson at CPD and told her to call me when she arrived. Johnson called me via phone at about 1507 hours. I met Johnson out side of CPD and verified her identity. I provided Johnson the key to her vehicle. Additionally, Johnson indicated she did not have further information about the incident from the original report. I placed all audio of my contact with Johnson onto evidence.com. Summary: Interview of Sergeant Keisha Edwards and Officers Parker Euer and Devon Brown.

General:

On November 14, 2021 at approximately 0810 hours, Detective Sergeant Andrew Muscato instructed me to interview three Columbia Police Department employees who had been shot at during an incident at Vibe Lounge (19 N. Fifth Street).

At approximately 0819 hours, I made contact with Officer Parker Euer. I spoke with him alone in the K9 Office and my conversation with Officer Euer was audio recorded. I instructed Officer Euer to tell me only about the shooting at Vibe Lounge and not to include any information related to the officer involved shooting. The following is a summary of Officer Euer's statement and should not be considered a verbatim account of what transpired.

Officer Euer said he was in his patrol vehicle with Officer Devon Brown at approximately 0259 hours. Officer Euer said his patrol vehicle was parked in the parking lot of Plaza Tire (419 E. Broadway) facing North towards Vibe Lounge. Officer Euer stated Officer Brown exited the patrol vehicle to walk towards his own patrol vehicle which was parked in the parking lot of Commerce Bank (501 E. Broadway). Officer Euer said as Officer Brown exited the vehicle, Officer Euer heard apparent gunshots coming from the North. Officer Euer told me he could hear bullets flying past him and he believed they were impacting behind his patrol vehicle. Officer Euer indicated he believed he was being shot at. At this point, Officer Euer told me he needed to stop the interview as the next portion of his memory was related to the officer involved shooting.

At approximately 0823 hours, I spoke with Officer Devon Brown. I spoke with Officer Brown alone in the K9 Office and my conversation with Officer Brown was audio recorded. I instructed Officer Brown to tell me only about the shooting at Vibe Lounge and not to include any information related to the officer involved shooting. The following is a summary of Officer Brown's statement and should not be considered a verbatim account of what transpired.

Officer Brown told me he had been in a patrol vehicle with Officer Euer on the parking lot of Plaza Tire. Officer Brown said he exited Officer Euer's vehicle in order to walk to his own patrol vehicle, parked in the parking lot of Commerce Bank. Officer Brown said he was stepping onto the sidewalk at the time he began hearing apparent gunshots. Officer Brown told me he believed the shooting was coming from directly in front of Vibe Lounge. Officer Brown said he heard bullets flying past him and impacting the area around him. Officer Brown estimated the bullets were impacting within fifteen feet of his location. At this point, I concluded the interview with Officer Brown so as to avoid discussing the officer involved shooting.

At approximately 0830 hours, I contacted Sergeant Keisha Edwards by phone. My conversation with Sergeant Edwards was audio recorded. The following is a summary of Sergeant Edwards' statement and should not be

considered a verbatim account of what transpired.

Sergeant Edwards told me she was sitting in her patrol vehicle at approximately 0300 hours and she described her vehicle as being parked in the alley between the Fifth & Walnut Parking Garage and First Mid Bank & Trust (8 N. Fifth Street). Sergeant Edwards stated she was speaking with Sergeant Turner Schuster, who was standing at the driver door of her patrol vehicle.

Sergeant Edwards stated her vehicle windows were rolled down and she heard two to three females yelling. Sergeant Edwards said these female subjects were attempting to coax a male subject into a vehicle and get him away from the bar. Sergeant Edwards described these women as being in front of Tony's Pizza (17 N. Fifth Street).

Sergeant Edwards said she then heard a commotion at the front door of Vibe Lounge and could tell there was something going on inside the business. Sergeant Edwards stated people were quickly leaving Vibe Lounge and the bouncers were ushering people from the business. Sergeant Edwards said Sergeant Schuster turned on the driver side spotlight of her patrol vehicle and pointed it at the front of Vibe Lounge, in an attempt to illuminate the business and the patrons outside. Sergeant Edwards said at around that same time, she heard apparent gunshots.

Sergeant Edwards said Sergeant Schuster ducked down next to her patrol car and she was initially unable to exit her vehicle. Sergeant Edwards said when she did exit her vehicle and was able to look towards Vibe Lounge, she saw a male running South on the sidewalk near Grimes Fay & Kopp Law Firm (11 N. Fifth Street). Sergeant Edwards told me the male suspect she observed had a gun in his hand. Sergeant Edwards said she observed the male suspect holding the gun in such a manner that he was firing the gun behind him (North) as he ran South. Sergeant Edwards indicated the suspect rounded the corner of the building into the alley and was still firing his handgun. At this point, I concluded the interview with Sergeant Edwards so as to avoid discussing the officer involved shooting.

I have uploaded the aforementioned audio recordings to Evidence.Com and tagged them under this case number. It should be noted, the time stamps on all of the audio recordings show a time one hour ahead of the actual time of recording. This time discrepancy is believed to be due to the daylight saving time adjustment.

This case should be considered open and active. This supplemental report should be forwarded to the Boone County Prosecuting Attorney's Office for review.

On 11/14/2021 I spoke with CPD Detective Adam O'Dell. Det. O'Dell advised he was told by CPD Officer, Jesse Ritter, who responded to the scene that a witness, Cory Schmidt, observed an argument between two male suspects outside of Vibe Lounge on 11/14/2021. This Schmidt described the suspects as follows:

Suspect #1 (S1): black male, approximately 5'2", 170 pounds, wearing a black "Mizzou" hoodie.

Suspect #2 (S2): light skinned black male, approximately 6'4", 270 pounds, heavy set, wearing a pink hoodie.

Schmidt reported both S1 and S2 were arguing and shot at each other simultaneously. Schmidt reported both S1 and S2 ran in opposite directions away from Vibe. C.S. reported S1 ran south and S2 ran north on 5th St. The clothing described by Schmidt matched that of Quillan Jacobs who was later pronounced deceased in an alley south of Vibe.

After receiving this information, I spoke with CPD Detective Chris Papineau who advised he had information from a cooperating citizen (C1). Det. Papineau advised C1 told him a subject by the name of [REDACTED] may have been involved in the shooting. Det. Papineau advised [REDACTED] matched the description of S2 mentioned above. Det. Papineau later presented a photo lineup to Schmidt, who immediately identified [REDACTED] as being S2.

Based on the information I collected from Det. Papineau and Det. O'Dell, I completed a warrant request for [REDACTED] for Assault, first degree and Armed Criminal Action. A warrant for [REDACTED] was issued and he [REDACTED] was arrested on 11/14/2021. For more information about direct witness statements related to the above information, please see supplemental reports. This case should be considered cleared by arrest.

On 12/21/2021, I entered four cell phones into evidence at the Columbia Police Department. All four phones were previously seized during the search warrant of [redacted] residence at [redacted] [redacted]. The LG phone and two iPhones were found inside the apartment. The Alcatel flip phone was found in Jonequia Sander's vehicle parked outside the apartment.

Search warrants were granted for all four phones. A forensic download was completed for the Alcatel flip phone. The other three phones could not be accessed at this time. A readable file was made of the data retrieved from the phone. I searched through the data and found there were no messages dated before 11/15. There was a call at 0354 on 11/14, which would be shortly after the shooting at 19 Fifth St. This call was made to [redacted] and the number was saved as "Smurf" in the phone. This call showed a duration of 31 seconds.

The other three phones were locked with passcodes and the LG phone had a damaged screen that did not allow the forensic download program to connect.

Nothing further

Summary: Interviews with [REDACTED] and [REDACTED].

General:

On November 14, 2021 at approximately 0650 hours, I responded to the University of Missouri Hospital (1 Hospital Drive) with Detective Adam Ward. Detective Ward and I were instructed by Detective Sergeant Andrew Muscato to complete interviews with victims of a shooting which occurred at Vibe Lounge (19 N. 5th Street). Upon arrival at the hospital I was informed by hospital staff that four victims were in the Emergency Department and one victim was recovering from surgery. The following are summaries of my contact with the victims. This should not be considered a verbatim account of what transpired.

I met with victim, [REDACTED], in room 41 of the Emergency Department at approximately 0655 hours. When I entered [REDACTED] room, her lower right leg was being bandaged by a hospital employee. I was told [REDACTED] was going to be discharged from the hospital.

I asked [REDACTED] to tell me what she could remember about the shooting. [REDACTED] told me prior to the shooting she observed an argument between a group of people she didn't know. [REDACTED] said when she heard the shooting begin she started running and noticed her leg didn't work. [REDACTED] said she then realized she'd been shot. [REDACTED] also told me she'd seen another female laying in the street. [REDACTED] said she saw a male wearing a white hoodie or coat and she believed this person was the person who was shooting. [REDACTED] apologized for not being able to provide more information and told me she was very intoxicated at the time of the incident.

[REDACTED] said she gave her phone to a female at the scene and asked this person to call her mother. [REDACTED] said this person still had her phone and she didn't know the person. [REDACTED] told me she currently resides at [REDACTED] and her phone number is [REDACTED]. [REDACTED] stated her mother, [REDACTED], was another point of contact for reaching [REDACTED]. [REDACTED] told me her mother could be reached at [REDACTED].

I spoke with another victim, [REDACTED], in room R3 of the Emergency Department at approximately 0709 hours. When I entered [REDACTED] room, I noted a significant amount of blood around [REDACTED] left shoulder and neck. I also noted an apparent gunshot wound on [REDACTED] right ankle.

I asked [REDACTED] to tell me what she could remember about the shooting. [REDACTED] said she had been at Gold Bar (1025 E. Broadway) earlier in the night and left Gold Bar at around 0130 to go to Vibe Lounge. [REDACTED] said as Vibe Lounge closed, she exited the business and heard shots being fired. [REDACTED] said she heard "a lot" of shots which she estimated was more than ten. [REDACTED] said she ducked behind some cars and was shot. [REDACTED] stated she tried to move to another area of cover when she was shot a second time, in the ankle. [REDACTED] said she did not see the person shooting and had not observed an argument prior to the shooting. [REDACTED] currently resides at [REDACTED] and her telephone number is [REDACTED].

On November 17, 2021, I prepared a search warrant for Joneiqua Sanders' Iphone XS Max in reference to this case number. A search warrant was granted for this device and due to it being locked, I delivered the Iphone to the Boone County Cyber Crimes Task Force for extraction.

On November 19, 2021 I responded to the Boone County Cyber Crimes Task Force and obtained the cell phone and a flash drive with the phones content.

The download identified the phone number as being [REDACTED] with the Apple ID being [REDACTED]. The following subjects were identified through Columbia Police Department Records, Missouri DOR, Iphone cell phone information and TLOxp. It should be noted, TLOxp is a TransUnion database that stores phone records, social security numbers, address records and credit card application information.

While reviewing content, I located the following actions from the cell phone from late hours of November 13 into early November 14, 2021:

While reviewing usage of the phone, Sanders utilizes Facebook messenger close to the time of the shots fired and afterwards. The forensic cell phone download does not retrieve the content of the messages so I am unable to determine the context.

Further reviewing data, I located a Snapchat conversation extracted from Sander's phone relevant to the shooting. The extraction does not show which messages are sent or received by Sanders. The conversation between Sanders and an unknown individual is listed below:

What happened at vibez?
I'm out of town
Murder
Who?
10 times in his back
Lucky no one died
And he shot like 3 women And a man twice in his stomach
Do you know who it is?
His name is quailan jacobs

--- contact from Boone County Prosecutor Investigator Doug Parsons
--- requested evidence item # 102989 Glock gun box

On 1/12/22 I was contacted by Boone County Prosecutor Investigator Doug Parsons regarding this case. Parson's asked if any evidence was being sent to the MSHP lab for processing.

I reviewed the property fields. Parsons asked about the following:

- pink hoodie that was recovered from [REDACTED]
- an etrace for the gun box recovered during the search of [REDACTED] residence
- was any rounds recovered from any of the victims

I reviewed the evidence and noted there were no bullets recovered from any of the victims.

I recalled I had recently talked with Det. Adam Ward about sending the pink hoodie that [REDACTED] had been wearing when he was arrested, to the MSHP lab. While speaking with Parsons, I thought about the gunbox recovered from [REDACTED] residence and the possibilty of a test fire casing in it.

I sent an email to our Police Evidence Unit asking them to pull the Glock box, item # 102989, from Evidence for me to review this item. I retrieved this item. I opened the bag and removed the Glock box. I noted there was no test fire casing in the Glock Box. I saw there was 2 (40 caliber) magazines and 1 (10mm) magazine in the gun case.

On 1/13/22 I re-packaged the Glock Box and dropped it into evidence.

On 11/14/21 around 0300 hours I had just concluded an overtime shift and was leaving the building. Sgt. Turner Schuster called out "shots fired" on the radio and requested a shield.

I obtained the keys to the patrol vehicle I had been assigned as I knew it had a shield. I responded to the lot of Plaza Tire where I immediately obtained the shield and provided it to Officer Mark Hoehne. While en route a trauma bag had also been requested, so I obtained the bag and went to the alley (north of Plaza tire) where the subject was being handcuffed. I observed the subject to have several wounds which were consistent with being struck by gun fire. Officer Hoehne pointed to one wound, which was located on the subject's chest area and also stated the subject had "agonal breathing". I too observed the subject to have agonal breathing. I first obtained a tourniquet but it was determined that it would not be an asset. I also obtained a chest seal as well as quikclot gauze and provided it to Officer Hoehne. I did place a chest seal on one wound which was located on his lower abdomen. Officer Hoehne advised the subject had stopped breathing, at that point he started compressions and I attempted to get out on the radio that CPR was in progress, I am unsure if this traffic was copied due to the chaotic scene. While providing aid I was able to ascertain there were several victims via the radio.

As we were attending to the victim there were many things happening at once. A vehicle was attempting to drive into the crime scene, as well as several persons were attempting to enter the crime scene as well. I made contact with two black females, one identified herself as Ebony Williams. Williams and the other female were highly upset and wanted to identify the victim. They asked several questions about the clothing he was wearing as well as his skin tone. They believed the victim was Quillan Jacobs. I later provided this information to Officer Brady Wulff.

Eventually life saving measures were abandoned. The scene was still very chaotic with several victims, vehicles, and uninvolved persons present. At some point Sgt. Schuster advised me he had fired his weapon and believed to have struck Jacobs. Given this information I advised I would be in command. At that same moment I saw Lt. Horrell was on scene and relinquished command to him via my portable radio.

The next several minutes were consumed with securing the crime scene and getting victims transported. Eventually all victims were transported. I requested a medic respond to the alley and pronounce Jacobs deceased.

During this time I observed one victim inside of Vibz who was being treated by medics. Officer Hill asked if there were any Officers at the Hospital and volunteered to go with the victim to the hospital.

At one point a Ford Escape was attempting to leave the immediate area of the crime scene. I made contact with the driver and advised her to exit her vehicle as it was part of the crime scene. The female advised one of the victims had been in the back of her vehicle.

Shortly thereafter I made contact with R'Velle Fair, whom I know to be the owner of Vibz. Fair and several others were standing on the sidewalk. Fair was less than cooperative, stating the injured persons were "family" and that

the injured female was brought into the bar from outside so that they would attend to her wounds. R'Velle also wanted to know when the scene would be cleared. R'Velle further stated he was going to call the Chief of Police and then demanded I call him. Eventually I ordered him out of the crime scene and he complied.

Once the scene was secured I was ordered to begin locating evidence. Myself and several other Officers began a grid search of fifth street as well as the alley, and parking lot North of Plaza tire. Several items of evidence were located and marked with crime scene markers or business cards.

There was one casing located where a felony traffic stop had taken place, at this point I began checking Officers magazines who were on scene to ensure that no other Officers had fired their guns. Lt. Horrell advised that Sgt. Edwards should complete this task.

I was also approached by an MUPD officer who had some vague information about a vehicle that he observed quickly leave the scene. I requested he add this information to the CAD call and/or do a supplement.

Eventually all areas which were believed to contain evidence were checked and the scene had adequate officers protecting the perimeter. I left the scene and went out of service.

My body worn camera was active during the incident and tagged as evidence.

--- contact with [REDACTED]

On 1/24/23 I received a phone call from [REDACTED] [REDACTED] told me he was trying to get the money back that we (CPD) had taken from him during his arrest. I told [REDACTED] I would look into it.

I reviewed the reports and noted that CSI Hull had asked former Det Jon Martin to deliver \$140 cash to the Boone County Jail on behalf of [REDACTED] due to the money being with [REDACTED] during his arrest but the money did not go with [REDACTED] to the Jail. CSI Hull's report indicated a property receipt was completed when Det Martin delivered the cash to the Jail.

On 1/26/23 I was able to speak with CSI Hull about this incident. CSI Hull provided me with a copy of the property receipt. The receipt shows Moggan Aguilar #6066 signed for the \$140 on 11/18/21.

I called [REDACTED] back and informed him what I found.

My BWC video was tagged as evidence for my call with [REDACTED]
