## It's Our Wild Nature property overlaps Hinkson Creek Trail

It's Our Wild Nature bought property where the city intends to build a large trail connecting the Shepard Boulevard neighborhood to the Hinkson Creek Trail. The nonprofit intends to transform the area into a wilderness sanctuary.

Proposed Rollins
Trail Connector

Hinkson Creek Trail
(minimal ability to modify)

Hinkson Creek Trail
(staying within sewer
easement and previously
cleared areas)

Hinkson Creek Trail
(limited ability to modify)
