

# Plan for rain, thorough security at RNB BBQ

Allow for plenty of time to go through security this weekend at the Roots N Blues N BBQ Festival entrance — everyone will be wanded and their belongings checked. Each day of the fest brings with it a chance of rain and thunderstorms, especially Friday night. Remember to bring that poncho or umbrella, Columbia. It could be a wet one.

Also, there's more ADA-specific parking this year. For everyone else, note your drop-off locations and consider walking, biking or ordering a ride-hailing service.

- A** Volunteer parking
- B** Uber and Lyft pickup/drop-off
- C** Free shuttle pickup and drop-off; ADA parking
