

Columbia collects one-fourth of total sales tax revenues

If a person bought a \$2.00 candy bar from a Columbia vendor, the city sales tax would also be added with the county and state sales taxes. Thus, the customer pays \$2.16 after a 7.975% sales tax.

For example:

Of the 16 cents from sales taxes...

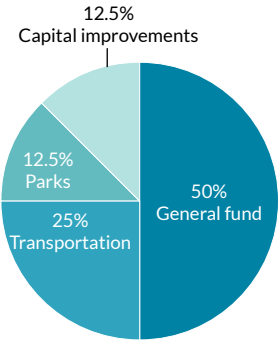

Missouri: 8 cents	Boone County: 4 cents	Columbia: 4 cents
----------------------	--------------------------	----------------------

Missouri receives 8 cents with its 4.225% sales tax

Boone County receives 4 cents with its 1.75% sales tax

Columbia also receives 4 cents with its proposed 2% sales tax
