

Columbia residents to vote on park sales tax renewal

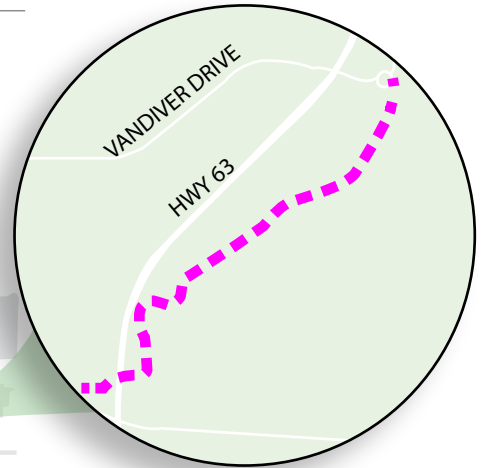

The one-eighth-cent tax isn't an increase, but it keeps the current tax rate and funds parks and recreation projects for ten more years. **Four proposed parks projects** using funds from the tax include an 1.4- to 2-mile extension of the Perche Creek Trail, a 1.4-mile expansion of the Hinkson Creek Trail, trail additions to the COLT Trail and a trail addition to the Bear Creek Trail under U.S. 63. These four projects are connected to a 30-mile trail plan around Columbia.
