Beginning Fall 2002, enrollment includes Extension/Continuing Education Off-Campus and Center for Distance and Independent Study.

Prior to FS 2010, race/ethnicity was collected as a one-part question and students were asked to designate a primary race/ethnicity. As of FS 2010, students applying to the University of Missouri-Columbia responded to a two-part question concerning race/ethnicity and were allowed to select more than one race. Two new categories were also added: 1) Two or more races, and 2) Native Hawaiian/Pacific Islander. Therefore, any increase or decrease in a particular race/ethnicity category when comparing past years to FS 2010 and after may not be due to an actual increase or decrease in the number of students. The change may actually be due to a change in the data collection and/or reporting method.
