*Great places  
to eat in the  
Mount  
Washington  
Valley*

# Feel good about eating out!

## Philanthropy with a tasty twist

## Nurturing Our Community

for a better tomorrow!

We are passionate about our local community. We work pro-actively with local businesses and organizations to help keep it a wonderful place to live, work, and play.

When you dine at a Valley Originals restaurant, we guarantee that a portion of your bill will be donated to a worthwhile local charitable organization. **In 2016 alone, The Valley Originals donated over \$316,000 to local organizations, thanks to the patronage of our guests.** We also strive to work with local farmers and local producers of high quality products whenever possible, bringing the farm as close to our tables as we can.

## WE CAN'T DO IT WITHOUT YOU!

So please consider dining at one of the many Valley Originals the next time you dine out.

Here are just a few of our favorite local charities...

Jen's Friends, Starting Point, Youth Programs, Angels and Elves, Local Food Banks & MORE!

## Gourmet Pasta Sauces

Three generations have been creating our family's classic and healthy Italian pasta sauces. My gourmet pasta sauce begins with using only the finest of healthy ingredients such as imported San Marzano tomatoes and first cold pressed Italian Extra Virgin Olive Oil, just as my father and grandfather used before me.

I am so proud of these traditions and proud to share my love for authentic Italian food by offering my gourmet pasta sauces and salad dressings for you to take home and enjoy!

Amazing food

The food was good and we were very impressed with the service. They served very generous portions of food. The food was very well cooked and delicious. We will definitely visit this restaurant again.

We loved it

This is a hidden gem, buried in a smallish strip mall that is well worth a visit. We loved the food. The green curry is superb. The salads are crisp and interesting. We thought we were ordering enough food that we would take home leftovers...everyone enjoyed it so much that simply wasn't possible!  
Great food, reasonably priced and friendly, efficient service. I wish A Taste of Thai was in my hometown, I would be a regular.

Good local Thai food

Went there with family for Saturday lunch. Lots of options for food including large number of lunch specials. We were all pleased with quality and quantity of food.

# Peach's Restaurant

***What people have to say on Trip Advisor...***

**Eat here!**

I was last at Peaches 8 years ago and hoped it was as good as I remembered, and it was! We visited twice for breakfast during our week's vacation and would have liked to have eaten for lunch as well. The first time my husband had the quiche and I had Lila's omelet with goat cheese, sausage, and fresh spinach. The next time, we both had crepes, eggs Benedict and tomato, asparagus and asiago. All, plus the coffeecake, were delicious.

**Amazing breakfast! Go hungry!**

Stopped in on Sunday morning. This is a popular local place. Since we were a party of 2, we were seated fairly quickly. Interesting menu selections, including lobster eggs Benedict, which my husband ordered. It was delicious! I ordered light and had their apple chicken sausage and gluten free rye toast. Both were delicious. Service is fast and they make sure your coffee cup is never empty. Definitely highly recommend!

Undiscovered Treasure:

By the time this is printed we will have departed these shores for "Merry Old England". During our stay here in the Conway area, a coworker recommended the Shalimar Restaurant on Seavey Street. We have been back frequently since. The food is superb as well as the atmosphere and the people are wonderful and caring - sincerely pleased to see you each time. It has been our favorite and the "ONLY" restaurant for us. For those of you who are not adventurous enough to try something new, you are missing out on something utterly delightful. Our time there will be missed greatly as it is the best restaurant in the Valley!!!

MOMS was founded in 1973 in Manchester, New Hampshire, and with nearly 45 years of outstanding sales and service, the MOMS brand is familiar to riders throughout New England and eastern Canada. That brand awareness makes MOMS North Country a destination for on and off road riders. MOMS of Lancaster is easily accessible by off-roaders and snowmobilers on area

trails, and to motorcyclists in the touring area.

Along with the best product selection and service, MOMS is working closely with the area's trail associations and rider groups. They are providing riders with maps and information about the area's great riding opportunities and are promoting the area's shopping, lodging and dining.

The MOMS of Lancaster staff has over 100 years of cumulative service, and that means the team members know the residents, the attractions and the best riding in the area. The staff and management at MOMS of Lancaster invite you to stop in and see the new 2018 Polaris models in stock, and to meet the staff. MOMS is located right next door to McDonald's in Lancaster, NH.

Great atmosphere, great prices, tons of delicious food! Gluten-Free too!

After a tiring day of hiking the Appalachian Trail, my wife and I were very pleased to find Margarita Grill.

Although it was busy, we were seated immediately and had our drinks in about 2 minutes, followed by fantastic service from Kevin and fast service on our entrees. Delicious, large portions, plenty to share and leftovers for later. Lots of local flavor and interesting dishes...plus fantastic desserts!

5-STAR HAPPINESS.
