## TESTIMONIAL

*We at Winnsboro Center for the Arts established a relationship with County Line Magazine over five years ago. They worked with us then in developing an advertising plan and continue to work with us now on ad content and direction.*

*The staff at CLM has a passion for promoting the Upper East Side of Texas and all of the many events, concerts and activities in it. They have created a truly excellent magazine and it's not unusual for folks to tell us that they saw us in County Line Magazine.*

*County Line has always been and continues to be a significant partner to our community. The magazine is beautifully laid out, filled with relevant information, and reaches our most important target market — the Northeast Texas drive market. TESTIMONIAL

*P.A. Geddie and the County Line are a tremendous asset for us at Four Winds Steakhouse. We have worked together for about 14 years. Through the years I have seen the publication grow and consistently get better. It has been a great local tool for our business and its reach continues to grow. They do a great job putting our ads together and I enjoy working with P.A.*
