## **Weight Loss & Stop Smoking Hypnotherapy**

Health Awareness Clinics is providing therapists to administer weight loss and stop smoking, and stress relief group hypnotic therapy.

For many people this therapy reduces 2 to 3 clothing sizes and/or stops smoking.

All attendees will be hypnotized twice during the hypnotherapy session. We've helped over 500,000 people achieve their goals.

An appointment is not necessary, just sign in and immediately receive therapy. Health Awareness Clinics is a non-profit organization. They rely on donations to make treatment available. A modest \$5.00 donation when signing in is appreciated. Support materials available.

Only one 2-hour session is needed for desirable results.
