Find out if you have an unclaimed capital credit check from 2021

Coos-Curry Electric Cooperative Inc. (CCEC) is searching for members who have unclaimed capital credit checks issued in 2021. If you were a member who received electric service from CCEC between 1993 and 1994, there may be a capital credit check from 2021 with your name on it.

The names of members who have unclaimed capital credits paid in 2021 will appear in a special insert within the Curry Coastal Pilot newspaper. The insert will be published at least one time in January, February, March and April 2026. You can also visit www.ccec.coop/capital-credits to search for your name.

What are capital credits?

Capital credits reflect each member's ownership in the cooperative. You, as a member, are an owner of CCEC,

and the allocated margins or capital credits, are just one of the many advantages of membership. Unlike investor-owned utilities, CCEC provides electric service to our members at cost and any profits from providing electric service are paid back to the members, and not paid to out of the area shareholders. Members invest in CCEC when they buy power. Each year, after all expenses have been paid, any remaining margin from providing electric service are allocated to members as capital credits in proportion to their electric use.
