"We didn't realize we were making memories, We were just having fun."

Pacific High School Note from the Principal

Class of 2025....

The time has come! You have worked for this moment and now it is time to celebrate your accomplishments. Over the last thirteen years you have grown from being barely out of toddler stage and into young adults that are ready to go out into the world and achieve all you are willing to work for. The late nights of homework and other school responsibilities may

have seemed daunting at times, but all you have experienced in our schools have brought you to this moment of triumph.

Class of 2025, remember that you always will have a home at Pacific High School. All of your teachers, administrators, and staff at the 2CJ district are grateful to have been a part of your journey. We wish you nothing but success and happiness as you move forward in life and are

looking forward to seeing all you go on to accomplish.

Thank you to the families of our seniors and the Port Orford-Langlois community for the support you have given the Class of 2025. They could not have done this without you! Seniors, Go Forth and Conquer! Remember: Once a Pirate, Always a Pirate!!!
