HISTORY OF THE DEL NORTE TRIPLICATE

The Del Norte TriPLICATE can trace its history to April 1879, when the Del Norte Record was launched by printer I.J. Eldredge as a modest advertising sheet. After winning the county printint bid, Eldredge turned to Record into a weekly newspaper a mont later.

☞ In 1880, the Del Norte Record bought the Crescent City Herald, which had been first published in 1854, and consolidated the two.

☞ In 1911, the name TriPLICATE was adopted when William McMaster, then publisher and editor of the Del Norte Record, acquired two other newspapers and consolidated all three into a single weekly - the Del Norte TriPLICATE. The others were the Coast Times, first published in 1910, and the Crescent City News, first published in 1892.

☞ In 1916, M.A. Broadbere aquired the Del Norte TriPLICATE

☞ In 1992, the newspaper was sold to John Juza, former publisher of the Gold Beach (Ore.) Reporter

☞ In 1947, Michael F. Neish became owner and publisher of the Del Norte TriPLICATE.

☞ In 1954, it was sold to Hadley Newspapers, owned by Gordon Hadley.

☞ In 1964, TriPLICATE editor James Yarbrough became a partner in Hadley Newspapers at the time that the newspaper offices and much of downtown Crescent City were being rebuilt after a tsunami.

☞ In 1969, the company bought out the Crescent City American, first published in 1926, and the Del Norte TriPLICATE expanded from weekly to twice-weekly.

☞ In 1986, the newspaper was sold to Curtis Tuck.

☞ In 1988, the newspaper was sold to Western Communications.

☞ In 1990, construction of a printing plant in Smith River was completed.

☞ In 2019, the newspaper was purchased by Country Media, Inc.

RE/MAX Coast & Country is proud and honored to represent the people of Curry County.

Our real estate brokerage was established back in 2004. You may remember the original location at the English Village Mall. Marie Curtis joined RE/MAX Coast & Country in 2005. She quickly established herself as a consistent and prominent real estate professional.

Marie and her husband, Bret Curtis, bought into ownership in 2009. One of their biggest accomplishments was transitioning the office location to the Central Building in 2011, culminating with their purchase of the Central Building in 2017. A second office location was established, to support the growth of their brokerage and meet the needs of their clients, in Harbor at 16218 W. Hoffeldt Lane, in 2016.

"We're always thinking and dreaming about growing," Marie said, "growing ourselves, our team of amazing agents & staff and our presence in the communities we serve."

What began as three brokers has grown into a team of 14 agents & staff, two office locations and the #1 Real Estate Brokerage in Curry County.

"The success of our brokerage is a testament of the work ethic and professionalism of the RE/MAX Coast & Country team, the RE/MAX Brand and the trust from the people we serve," Marie added. "We love it here...and we really enjoy working with the people who call this area HOME."

We are grateful everyday for our community, each of our past, present and future clients working with our Team. We owe our growth and success to our supportive community! We love you!
