MATTERN TRIBBY CONSTRUCTION LLC

My cousin Gunner Mattern and I started this company almost 2 years ago because we love working together and love serving the people of Curry County. People often ask about our company name, Mattern is Gunners last name, he's not just my cousin but my best friend and favorite person to work with. Tribby was my late father and grandfathers last name, we decided to use that to honor them and the work ethic and drive they instilled in me.

***Thank you so much for all of your support and kindness, and most of all feeding our borderline unhealthy passion for roofing!
We love you Curry County!!!!***
