

BARTOK

This week's Pet of the Week is Bartok!

Meet Bartok! Bartok is a big-hearted boy who's equal parts goofy and affectionate. He absolutely loves meeting new people — whether it's greeting neighbors on walks or saying hi to guests at home, he's always ready to make a new friend! He's a strong boy who can pull hard on leash when he spots someone he wants to meet, but his tail wags the whole time. Despite his enthusiasm, Bartok is actually a pretty quiet guy — he didn't bark once during his time in foster!

Bartok will do best in a home where his space and possessions are respected — and where his new people are patient, observant, and willing to continue positive reinforcement training. He's learning how to channel his enthusiasm, and underneath his big personality, Bartok is just a loving, eager dog who wants to bond deeply with his people. He'll thrive with structure and consistency, with the right person, Bartok will give back endless love and loyalty in return.
