

## HOLLY

### This week's Pet of the Week is Holly!

Meet Holly, a 3-year-old Husky. Holly is a joyful, affectionate girl who has a beautiful way of making everyone around her feel special. She brings the perfect balance of playful energy and heartfelt companionship, making her a wonderful fit for someone looking for both fun and connection in a canine best friend.

Holly loves to stretch her legs with a good run and is known for her happy zoomies that are guaranteed to make you smile. She enjoys being active, exploring her surroundings, and letting off a little steam — and once she's had her fun, she's more than ready to settle in close. One of her favorite things in the world is leaning her whole body against you while you pet her, soaking up every ounce of affection. It's her signature move and her way of saying she feels safe, loved, and right where she belongs.
