

MARGARET

This week's Pet of the Week is Margaret!

Meet Margaret! A charming former mama cat with a heart as big as her purr! This sweet, talkative 5 year-old lady still has a soft spot for kittens and will happily groom and fuss over any baby in sight—feline or human! Margaret is endlessly curious, always observing the world with wide, wondering eyes and a gentle chirp of commentary. Whether she's investigating a new toy or greeting you with a cheerful meow, she brings warmth and affection wherever she goes. With her nurturing spirit and loving nature, Margaret is ready to find a forever home where she can share her sweetness—and maybe keep an eye on things, just like any good mama would.
