

## TARO

### This week's Pet of the Week is Taro!

Meet Taro! \*\*His adoption fee has been waived thanks to two fantastic sponsors!\*\*

Taro is the ultimate frat-boy cat: confident, chatty, and absolutely knows he's a total catch. This 3-year-old charmer will keep you entertained with his constant commentary — he's always ready to hold a full-on conversation about your day! Underneath all that swagger, Taro is a total sweetheart. He loves attention, cuddles, and being part of the action. He'll happily hang by your side, offer comforting "bro talks," or just supervise your every move with that classic cool-cat gaze. Taro does have a fish allergy, so he'll need a special diet, but he doesn't let that slow down his zest for life. If you're ready to meet a confident, hilarious, and ridiculously sweet cat, you can meet Taro at the shelter daily from 12-6pm.
