CHARLOTTESVILLE CONTINUES TO SHOW ITS BEST

READERS PICK THEIR FAVORITE BUSINESSES AND SERVICES

The Daily Progress is kicking off the summer season with a salute to the Charlottesville area’s most beloved businesses, outstanding organizations and premier professionals. DailyProgress.com’s Reader’s Choice 2025 shines a spotlight on readers’ top picks on everything from favorite doctors to the best burger and best barber.

Charlottesville Readers’ Choice participants made more than 9,324 nominations and cast more than 43,166 votes in our online poll to pick the best the Charlottesville region has to offer in 10 groups and more than 130 categories, some of which are new this year. Voters weighed in from across the region and around the world on this year’s top picks.

In order to be as fair as possible, the annual survey included the following measures: Those who wanted to make a nomination or vote were required to register as a user.

Only one nomination of a business per category per email address was allowed for the nomination round. During the voting phase, users were allowed to vote once per day, per category.

Business names and addresses were verified using Google My Business Listing Services. Moreover, readers determined the winners in each category, so some listings may not align with geographic designation.

The top vote-getters are listed as winners; second- and third-place finishers are listed as finalists. The Daily Progress staff extends our gratitude to all those who made nominations or voted in this year’s contest, helping us shine a light on the businesses, professionals and places that showcase the best of Charlottesville. Congratulations to all the winners, who we hope celebrate the honor of being chosen as a community favorite.

If you don’t see your favorites among the winners, make sure to look for the 2026 Readers’ Choice information, to begin in January.
