Teri enjoyed being a mom to her son, Lukas, scrapbooking and raising many Shetland sheep dogs over the years. Teri so loved her precious son Lukas; she was so very proud of him and the life he was building with his beautiful fiancée Cheyenne.

She will be deeply missed by her husband Dan, son Lukas and his fiancée Cheyenne, all of Oregon, brother and sister-in-law Timothy & Lynne Mero of Madison as well as many other relatives and friends.

Our dear wife, mother, sister, aunt and friend left us all with a legacy of love and warmth that will surely carry us through until God chooses to reunite us with her again. What we wouldn't give to feel one of her enveloping hugs just one more time.

The family will hold private services at a later date.
