Embrace the Season of Giving and Enjoy a Stressless Holiday

Townhouse Galleries has served Decatur, Huntsville and the North Alabama community for 45 years, and after a recent renovation, has transformed its space into a beautiful, high-quality furniture store. They also have a full-service design team, helpful sales staff, and superior delivery service. The entire showroom features nationally recognized brands that merge style, function, and comfort to create a product that will last a lifetime and your family. Accessories such as mirrors, rugs, lamps, wall decor, and picture frames fill the room with a copy that’s right for your unique personality. Customers are the priority at Townhouse Galleries, whether you need a recliner, a mattress, or a whole houseful of furniture you can count on them now and in the years to come.

Community is also a major priority at Townhouse Galleries, for the last ten years they have partnered with Stressless to give back to organizations dedicated to improving the lives of others. This year’s promotion is Learn & Back and Make a Difference this Holiday Season. From November 17th through January 12th donate $50 or more to charity and get either $200 off your purchase or Stressless products. The proceeds will go to the Food Bank of North Alabama which supplies food to more than 240 qualified feeding programs located throughout its eleven-county service area.

A Hunger Study conducted in 2014 estimated that over 80,000 underprivileged individuals receive emergency food each year in Madison, Morgan, Marshall, Lawrence, Limestone, and the six other counties they serve. Many are served through food pantries, shelters and soup kitchens affiliated with the Food Bank of North Alabama. Thousands more are fed through non-profit organizations such as area schools, tutoring programs, group homes for the mentally ill and intellectually disadvantaged, and backpack programs for children.

The Food Bank of North Alabama’s mission is to feed the hungry today and create solutions that will end hunger tomorrow. This is a two-tiered approach that first addresses the immediate needs of people at risk of hunger today, and then alleviates the root causes of hunger through local food initiatives that help farmers sell fruits and vegetables directly to schools, workplace cafeterias and grocery stores, also help families access fresh foods from farmers by promoting the use of Food Stamps at farmers markets, and provide microloans to family farmers and entrepreneurs who create jobs and healthy food access in underserved neighborhoods.

Dan Thomas, the founding owner of Townhouse Galleries, wants to thank the Decatur, Huntsville, and Madison communities for their continued support of the organization and their efforts to help solve the hunger problem in North Alabama. The Stressless charity promotions and the North Alabama Food Bank program would not be successful without you.

We handle all types of collision repairs and custom paintwork.

There will be Tears but also Laughter and Love

This is a true story. A woman and a man, to be precise. A certain man I was briefly acquainted with who then disappeared from my life, a woman who never existed in the first place. I met her briefly, she disappeared, and then she reappeared again.
