## Q & A with Cindy Shaneyfelt

then. I love Hartselle because it is my hometown. I love the small-town life. Hartselle has a little bit of city and a little bit of country.

**How long have you worked in Real Estate?** I started with MarMac Real Estate in November 2020. I decided to go into Real Estate because it has always been a dream. I wanted to show my children that it is never too late to follow your dreams.

**What did you do before that?** I worked in customer service jobs for over 20 years. Working with people and serving others has always meant a lot to me.

**What is the most unique property that you have listed or sold?** I have recently listed a 100-year-old farmhouse. It has been passed down thru generations of the same family. I love learning about the families and history of the homes. Learning about the people who lived there and seeing the historical pictures.
