A weekly roundup for shopping and doing business locally!

Family Owned and Operated Since 1991

Havoline Xpress Lube's legacy of trust and great customer service started in 1991 when Gary and Tammy Sandlin bought into the Xpress Lube® business. They were virtually pioneers in the industry, being just the 9th Texaco Xpress Lube to be opened in the nation. The husband-and-wife team knew that to be successful, it was essential to establish trust with their customers, so they tried to service each car like it was their own. They also made it a priority to offer a clean, safe, and personable atmosphere where both men and women would feel comfortable.

A New Generation

In 2019, Jason and Crystal Berry entered the ownership ranks at the Hartselle Havoline location, and a similar acquisition followed in 2021 with the Cullman location. The decision to venture into the automotive industry was unanticipated but felt like the right move, guided by their faith in God and the unforeseen opportunities that presented themselves. Working alongside the Sandlins

exposed Jason and Crystal to new possibilities. It instilled in them a philosophy of seizing every opportunity, as they firmly believe that each one can lead to something extraordinary.

A significant aspect of their experience at Havoline has been the joy of serving their local communities, coaching their team, and immersing themselves in an industry that they are genuinely passionate about, particularly for Jason who is an avid car enthusiast. Moreover, the fulfillment of working with people and being able to make a difference in their lives aligns perfectly with their values, making their journey at Havoline an enriching one.

The Berrys have been busy this year with growing their family as well as their business. In July Jason and Crystal became the proud parents of a beautiful baby girl. Baby Marlow is the couple's first child and a testimony of God's blessings and faithfulness. At two months old, Marlow is

already making a huge impact on the business and is working hard to bring joy to all who meet her. Congratulations! on this wonderful addition to the Havoline family!

At Havoline Xpress Lube they proudly offer Havoline motor oils along with most other major brands, including your choice of either conventional, synthetic, synthetic blend, or high mileage. Their Full Service & Star Service oil change includes Oil Filter Replacement, Fitting Lube (if applicable), and 16 point preventative maintenance check.
