Gonzalez Painting LLC has served as a North Alabama business leader for 13 years, providing precise and exceptional work in a variety of areas.

Gonzalez Painting specializes in its namesake, fulfilling painting projects for both residential and commercial customers. Teammates among the talented crew are also well-versed in hardwood floor and tile installation and back splash additions, complete remodels, pressure washing, white wash, window and cabinet installation and repairs, framing and many other specific projects and jobs.

"We are a family-owned and animal-friendly business. We have a great team and believe in the Lord, family and church," said owner Stephen Gonzalez. "Those principles are a big reason we've been successful. We take pride in our work and believe our customers come first. We treat our customers' homes and projects as our own."

Stephen Gonzalez's father, Esteban, established the family business more than 30 years ago, focusing primarily on painting. Stephen and his team have continued the legacy, expanding the professional services, while also staying true to its painting roots - tackling all painting projects at new or historical homes and from interior and exterior walls to cabinets, ceilings, crown molding and base molding. They're also experts at drywall repairs.

"When the business first started, we relied on word-of-mouth advertising and that's still important today. Our customers are loyal, and we appreciate their recommendations," Gonzalez said.

Gonzalez Painting serves individuals and businesses in Decatur, Hartselle, Huntsville,

Madison, Harvest, Moulton, Trinity and all across the Tennessee Valley. The company provides free estimates. If you trust Gonzalez Painting for a job, they'll leave it clean as it was beforehand.

Check out recent online reviews about the Gonzalez Painting team and you'll see how satisfied they leave customers...

- "They did a great job painting my living room and foyer (ceilings, walls, and trim)! They arrived on time and worked hard all day. They completed it in 2 days and thoroughly cleaned everything. They did a fabulous job! I would recommend them to anyone," - proclaimed one review.
- Another stated: "Gonzalez Painting did a really great job remodeling our home. They completely gutted our bathroom and gave us a new one that we are very pleased with. Also did drywall, painting, and crown molding in other rooms. They were always very accommodating when I asked them to do something. They are really nice, professional workers who do great work in a reasonable amount of time. We would definitely use them again!"
- And, another: "I would recommend Gonzalez painting over others. They are very professional. I can't say enough good things about the Company. They're honest. Great work. Only painters I will ever use."
