Providing Compassionate and Comprehensive Care to Patients

Valley Institute of Primary Medical Care (VIP) is a new integrated and personalized Health Care concept for Morgan County and beyond. They are an experienced and professional primary care practice focused on a comprehensive, all-around, and personalized approach to your healthcare. "Our goal is to help you achieve and maintain your best health by working with you on prevention, early detection, and early intervention as well as stabilization and management of established chronic conditions," explains Jessica Wright, office Manager. "We proactively coordinate your health needs with other specialties when needed."

At VIP Medical Care of Alabama, patient care is adapted to individual needs, providing the most up-to-date clinical evidence and management. Several staff members and the doctors are fluent in Spanish, so all patients can effectively communicate with the doctors about their health issues and treatment. VIP's team of Internal Medicine Doctors focuses on providing medical care to older adult patients and seniors. The doctors believe in partnering with patients in the prevention of chronic diseases and their complications, as well as helping them achieve their goals of healthy living.

Valley Institute of Primary Medical Care is excited to welcome Dr. Cesar O. Garcia Rodriguez to the practice and announce that Dr. Elizabeth Rosell will be available full-time at the clinic to better serve patient needs. These experts in Internal Medicine combine their unique experiences and training to provide compassionate and comprehensive care to patients.

Dr. Cesar O. Garcia-Rodriguez is an internist in Decatur, Alabama and is affiliated with Decatur Morgan Hospital. He received his medical degree from National University of San Marcos and has been in practice for more than 20 years. Dr. Garcia Rodriguez has expertise in treating stroke, chronic diabetes, chronic high blood pressure, among other conditions.
